Above communications of Charlotte and Boston  
were not previously answered because Albany desired  
direction from the Bureau or Memphis regarding the  
extent to which further investigation should be conducted  
re laundry marks.

The Bureau by referenced teletype advised  
that inasmuch as unequivocal identification has not been  
made by the laboratory identifying the laundry machine  
responsible for the laundry marks on the tee shirt

and the possibility still exists that a similar mark could have been produced by any such machine. Albany should continue to handle appropriate leads.

On 5/1/68, Mr. DONALD BROTON, Textile Marking Machine Company, Syracuse, New York, advised that with regard to thermo-seal machine SN 33441 purchased by Talley Laundry Machine Company, Greensboro, North Carolina, this was ordered under their number 23050 dated 1/5/65 and billed under invoice number 49653 on 1/11/65. Their records show nothing regarding the laundry to which it was destined but showed that the machine had requisitioned "Johnson".

Regarding Thermo-Seal Machines shipped to Pantex-Prosperity Textile Marking Machine Company, records disclosed nothing regarding the following Thermo-Seal Machines:

Serial Numbers 32146, 32151, 31992, 31430, 31437, 31331, 31656.

Mr. DONALD BROTON, Textile Marking Machine Company advised that most of these machines were purchased in connection with sales of complete laundry facilities by Pantex-Prosperity and therefore their contract records should show what happened to these machines. Textile Marking Machine records which would show names other than Pantex-Prosperity on these machines have been destroyed because of age. These records show the following regarding the following Thermo-Seal Machines:

AL 44-493

SERIAL #	PANTEX-PROSPERITY ORDER NUMBER	DATE	IDENTITY OF COMPANY FOR WHOM PURCHASED
32068	406	1/8/62	JESS A. HILAND
32307	544	4/12/68	T&C Cleaners, Huntington, (no state shown)
32368	688	7/27/62	Budget Cleaners
32440	753	8/15/62	Francine
32449	509	No date	Ron Hil, Plainview, (no st.)
32695	1154	5/3/63	Country Squire Drive-In Cleaners In addition, the name Meadowlark is also noted.
33495	1106	10/27/68	New-Clear

Mr. BROTON further advised that these machines may have been installed by Delta Cleaners and Equipment Company, 875 Prospect Avenue, Westbury, Long Island, who installed the majority of the machines for Pantex-Prosperity. He stated however that Delta Cleaners and Equipment Company is believed to be now out of business or in bankruptcy and those records particularly those prior to 1962 may not be available.

Mr. BROTON further suggested that if none of these avenues disclosed the locations of these machines he suggested contact with ANDY DOBOS, 301 Fycke Lane Teaneck, New Jersey, the Textile Marking Machine Company repairman who did the majority of repair work on machines installed by Pantex-Prosperity.

in the past four or five months she received a collect call, long-distance, from some unidentified person from somewhere in California. Mrs. COOK stated she did not accept this call inasmuch as she did not recognize the voice of the caller and did not recognize the name furnished by the operator. She stated that she did know that the voice of the caller was not that of her son, and she therefore refused to accept the call. Mrs. COOK stated that her son formerly resided in Granada Hills, Calif. several years ago. He is divorced from his former wife BETTY, and BETTY is now remarried, name and place of residence unknown.

Mrs. COOK and her son, JAMES P. COOK, [REDACTED], [REDACTED], Evansville, Ind., who also happened to be present, both advised that they do not know where ALONZO F. COOK, JR. is residing nor where he is employed. They both stated that they have no way of contacting him and the only contact they have is when he occasionally calls Mrs. COOK.

Mrs. COOK advised that she does not know JAMES EARL RAY nor anyone by the name of ERIC STARVO GALT and knows of no way that anyone could have her telephone number in Calif. other than her son. She stated that it was possible that the person placing the call which she did not accept may have been placing the call for her son. She noted that her son when she last talked to him stated he had no permanent residence and was traveling and lived at various hotels.

Investigation Pure Oil Company, Palatine, Illinois

The Atlanta Division advised on April 25, 1968, that Mr. RANDOLPH B. JONES, Pure Oil Company Dealer, Americus, Georgia, advised he sold gas to an individual on April 16, 1968, who closely resembled 1968 photo of JAMES EARL RAY. Mr. JONES described the car he believed the person to be driving as well as furnishing a physical description of this individual. He also stated that he believed the individual purchased gas on a temporary Pure Oil Credit Card, which he believes expires in August or September, 1968. He also advised that the credit card slips were purchases on April 16, 1968, and had already been forwarded to the Pure Oil Company Retail Department, Palatine, Illinois.

On April 26, 1968, [REDACTED] Pure Oil Company, Palatine, Illinois, was telephonically contacted by SA [REDACTED] at which time he advised that the package of credit card slips mailed in by Mr. JONES on April 17, 1968, would already be in the Balance process, Accounting Department, and would take until at least April 30, 1968, to locate. He said it is possible that he would be able to locate the credit card slips mailed in on April 22, 1968. He requested that he be furnished with the Transmittal Slip number used by JONES in submitting the credit card transactions.

On the same date, [REDACTED] was furnished with the following transmittal numbers:

4/18/68 - 7-0217999  
7-0218000

4/22/68 - 7-0217997  
7-0217998

The foregoing were obtained from the Atlanta Division in contact with Mr. R. B. JONES. [REDACTED] advised that he had located all of the credit card slips submitted on April 22, 1968. A review of these slips did not reveal any

credit card slips for any transaction on April 16, 1968.

In a continuing review of Pure Oil Company records, in conjunction with [REDACTED] and [REDACTED] by SA [REDACTED] on April 29 and 30, 1968, located the list of credit card invoices submitted by Mr. JONES on April 18, 1968. Credit card purchase number [REDACTED] was made by Lt. Col. WILKERSON, however, the invoice itself could not be located and the address was not yet in file. The charge for credit card number [REDACTED] is another company credit card and the ticket was already been separated elsewhere. No further effort will be made to locate this card in view of the comments made by Mr. JONES. It should be noted that this review did not reveal any purchase made on a temporary Pure Oil Credit Card.

There were purchases made by the following companies:

Americus Utility  
Aladdin Insulators  
Georgia Highway Department  
V. R. Bush Company  
Southern Bell of Georgia  
Simplex Nail  
W. C. Page

The charge for H. O. JONES, JR. was not further checked out since it was in the amount of \$101.43, which could not have been a mere gas purchase.

A review of the credit card slips submitted reveals the following purchases for gasoline on April 16, 1968:

A.U. ARNOLD  
RFD Americus, Georgia

JAMES F. TRAINOR  
[REDACTED]  
Damascus, Georgia

J. ROY STUDSTILL

Re Bureau airtel 4/23/68 advising letter addressed to the Attorney General from [REDACTED] indicates he has information concerning the death of victim.

On 4/24/68, [REDACTED], Tallahassee, advised that about 2 a.m., Sunday, April 7, an elderly man came into Frisch's Restaurant, 1775 West Tennessee Street, in an obviously drunk condition. This man began making overtures to the young waitress handling the counter and in the course of the conversation with her mentioned he had a cartridge case in his back pocket. [REDACTED] stated he had just finished work [REDACTED] and was sitting at the counter next to the elderly gentleman. He, [REDACTED] observed the cartridge case and believed it to be a case containing a .38 caliber revolver shells. [REDACTED] stated the man made attempts to conceal this case from his view and this made him suspicious. The man also said to the waitress something to the effect that "a bullet from this case killed a man the night before last."

[REDACTED] advised that when the man got up to leave, he bumped into Mr. GEORGE YATES, a well-known local businessman who is currently running for Leon County

Commissioner. It appeared to [REDACTED] that YATES knew the man because the two engaged in a brief conversation.

[REDACTED] advised that the man was about 50 years old, 6', 160 lbs., thin build, thinning hair. He stated that this individual looks nothing at all like pictures he has seen recently of JAMES EARL RAY. [REDACTED] said he would not have written to the Department, but since there were no concrete facts developed as to suspects at that time, he decided that he would report this suspicious incident.

On 4/25/68, Mr. GEORGE YATES, [REDACTED] Street, Tallahassee, advised he was in Frisch's about 2 a.m., April 7. He remembers a man saying to him as he entered that the place was closed but he did not know the individual and cannot identify him. YATES stated that he and his wife stopped in Frisch's for coffee that night after attending a dance sponsored by the Leon County Sheriff's Office and that there was practically no one in the place when he arrived. He did not see or converse with any friends of his on that occasion.

ASSASSINATION OF MARTIN LUTHER KING, JR.  
RACIAL MATTERS

On April 5, 1968, Professor Charles W. Schillecker, Chairman, Police Science Department, Miami Dade Junior College North, Miami, Florida, advised that at about 10:00 a.m. on this date, a group of approximately 100 Negroes staged a "sit-down" in the area of the Student Center lounge reserved for the fraternities. Approximately six or seven Negroes then stood up and made speeches deploring the assassination of King and blaming the white people, whom they called "Charlies," for causing this tragedy. Approximately 200 white students gathered around, and when it appeared tempers were rising, College Vice President Ambrose Garner made an appearance. He spoke about King's death being a great loss to the country, pointed out the open door policy of the college regarding the races, and asked everyone to stand and bow their heads in silent prayer. All the students complied and afterward returned to their classes.

The Dade County Department of Public Safety, 111th M. I. Group, and U. S. Secret Service, Miami, were advised of the above on April 5, 1968.

Copies of this memorandum have been furnished to the 111th M. I. Group, Orlando, Florida; U. S. Secret Service, Miami, Florida, and U. S. Attorney, Miami, Florida.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

RE: MEMORIAL MARCHES AND SERVICES FOR  
DOCTOR MARTIN LUTHER KING, JR.  
MIAMI DIVISION - RACIAL MATTERS

A confidential source, who is familiar with the activities of the Congress of Racial Equality (CORE), and who has furnished reliable information in the past, advised today as follows:

A memorial march and service will be held on April 7, 1968, in memory of Doctor MARTIN LUTHER KING, JR. The march is being sponsored by the CORE and all civil rights organizations are being invited to participate. All participants are to meet at the Dade County Courthouse on Flagler Street at 4:00 PM. The march will proceed east on Flagler Street to Northeast 2nd Avenue, north on Northeast 2nd Avenue to Northeast Fifth Street, west on Northeast Fifth Street to Northwest 2nd Avenue, north on Northwest 2nd Avenue to Eighth Street where the march will terminate. At this point the marchers will participate in services to be held in the Greater Bethel AME Church on Northwest 8th Street between 2nd and 3rd Avenues. There is no estimate as to the number of people expected to participate; however, the march and service is to be a quiet, peaceful demonstration. Anyone who feels that he cannot restrain himself from committing acts of violence is being asked not to participate in this march for Doctor KING.

On the morning of April 6, 1968, an individual identifying himself as JOHNNY MCKAY, believed to be a Negro male, advised that there will be a riot in downtown Miami at 2:00 PM, April 7, 1968. The caller

stated that participants will be carrying shotguns.

DR. MARTIN LUTHER KING, JR.,  
SUNLAND PARK, FORT LAUDERDALE,  
FLORIDA, SUNDAY, APRIL 7, 1968  
RACIAL MATTERS

On April 5, 1968, [REDACTED] Community Relations Unit, Fort Lauderdale Police Department, Fort Lauderdale, Florida, advised that there would be a planned religious assemblage at Sunland Park, West Sunrise Boulevard, Fort Lauderdale, Florida, on Sunday at 1:00 PM, April 7, 1968, to commemorate the death of Dr. MARTIN LUTHER KING, JR. This assemblage is being organized by the local branch NAACP President, Reverend SAMUEL W. GEORGE. Participants are expected to come from different areas within Broward County, Florida, representing approximately nine religious sects. Participants are expected to include both Negro and white with the majority expected to be Negro.

Reverend GEORGE has encouraged the youths to stay at home inasmuch as the assemblage will be strictly a religious ceremony in honor of Dr. KING.

The Fort Lauderdale Police Department is planning no police action, and no anti-assemblage plans are being considered. Only members of the Community Relations Unit will be present. No trouble is anticipated at the assemblage.

According to Reverend GEORGE, one of the purposes of this assemblage is to divert the energies of the colored people in Fort Lauderdale toward a worthwhile cause.

At the present time, there is no way of estimating the number who will attend; however, it is anticipated to exceed several hundred people.

ASSASSINATION OF MARTIN LUTHER KING, JR.

On April 7, 1968, sources, who are in a position to furnish reliable information, furnished the following information.

At midnight on April 7, 1968, a group of fifty Peoria citizens planned to depart Peoria via chartered bus for Memphis, Tennessee, to participate in the scheduled April 8, 1968, memorial march for the late Dr. Martin Luther King, Jr. The Universalist Unitarian Church and the Tri-County Urban League of Peoria have jointly chartered the bus; however, the expense of the bus is being borne by local businessmen. Inter-racial leaders and representatives of various Peoria churches, the Peoria Commission on Human Relations, the Tri-County Urban League, the NAACP and the Peoria Committee on Viet Nam will comprise the participants taking this trip as a tribute and memorial to the assassinated civil rights leader. All of these representatives are active in local non-violent civil rights problems within Peoria and no militant-type individuals are included in this departing group.

On April 7, 1968, Secret Service, Springfield, and 113th MI Group, Peoria, were notified of the chartered bus leaving Peoria.

ASSASSINATION OF MARTIN LUTHER KING, JR.

[REDACTED]  
Illinois State Police DuQuoin, Illinois, advised that during the weekend of April 5, 1968, six cars, manned by State Police personnel, in conjunction with several cars of the Security Police Department personnel at Southern Illinois University, as well as local police department and Sheriff's Office of Jackson County, patrolled Carbondale, Illinois. [REDACTED] stated that due to the national events at the present time, it was thought wise by Carbondale city officials and State Police to have necessary manpower inasmuch as a Negro fraternity at the Southern Illinois University had scheduled their annual dance for this weekend.

[REDACTED] stated that between 400 and 500 Negroes attended this dance, however, no incidents involving this group arose. He advised that during the weekend, however, several small incidents involving very young juveniles occurred, wherein minor vandalism and window breaking took place. He advised further that several rumors and calls were circulated, indicating that fires had been started. However, this was erroneous. He also advised that there was one fire which did occur at an abandoned dwelling on College Street in Carbondale, Illinois, which building was in the process of being demolished, but there was no indication this fire had any connection with arson or a result of racial matters.

On April 8, 1968, the following were advised of the above:

ASSASSINATION OF MARTIN LUTHER KING, JR.

An Associated Press article datelined April 8, 1968, at Carbondale, Illinois, reported 13 fire bombings in that city.

Chief of Police Jack Hazel, Carbondale, Illinois, advised that 13 fire alarm calls answered by the Fire Department and the Police Department, actually on four calls, resulted in fires of any substance and these were limited in nature. He advised nine calls were false alarms. Chief Hazel advised that of the fires reported, one damaged an empty residence which is in the process of being demolished, one was damage to a small pile of salvage lumber, one fire destroyed trash in back of a grocery store, and the remaining fire resulted in limited damage to the roof of a Negro church in northeast Carbondale.

Chief Hazel stated he has reason to believe several young Negro juveniles were responsible but has not identified them to date. Hazel attributes local situation to death of Dr. Martin Luther King and continuing news coverage of King's memorial services. He also believes the recent temporary rejection by the Federal Housing Office of a site selection of a proposed 150 unit housing development in northeast section of Carbondale, which is a Negro section of the city, may have a bearing on the matter.

U. S. Attorney, Eastern District of Illinois,  
East St. Louis, Illinois; Secret Service, Springfield,  
Illinois; and military authorities advised.

EVENTS AT CARBONDALE, ILLINOIS, FOLLOWING  
ASSASSINATION OF MARTIN LUTHER KING, JR.

Chief JACK HAZEL, Carbondale, Illinois, Police Department, advised on April 8, 1968, that unfounded rumors had been received by the manager of the Tech Tape Company, No. Illinois Avenue, Carbondale, Illinois, through some of his employees that the Tech Tape factory would be burned that night. HAZEL stated they had not been able to give any credence to the rumor, through contact with his source.

Chief HAZEL also advised that one JAMES EDWARD KING, [REDACTED], was arrested at 1:30 p.m. April 8, 1968, at Carbondale, Illinois on a reckless driving charge. HAZEL stated KING had been observed to drive his car in front of a fire truck on official duty and then abandoning the vehicle and fleeing. KING, according to HAZEL, had been associating with negro juveniles of the northeast section of Carbondale for the past several months. KING was previously arrested on an assault and battery charge by the Carbondale Police Department March 4, 1968 and the case is still pending, HAZEL stated.

Chief JACK HAZEL, Carbondale Illinois Police Department, advised on April 9, 1968, that employees of the Tie Processing Plant, in northeast Carbondale, had discovered and reported to him that gas had been stolen from their cars during the day. Chief HAZEL stated that he did not know who was responsible for this, but that in view of the existing rumors to "burn Carbondale", he is taking all precautions to avoid trouble.

This case involves the murder of Martin Luther King, Jr.

It has been previously reported that Ray spent a brief period in the penitentiary at Joliet, Illinois, in 1952 when Louis Lomax was an inmate at Joliet. It has been determined that Ray was in the diagnostic clinic and Lomax was in the vocational school. It does not appear that they would have had any contact.

In a news article published in Los Angeles, Louis Lomax alleged the FBI had telephone company records for telephone booths at the St. Francis Hotel and would not make the records available to him. It is noted we have obtained information from the telephone company as to calls made from all public telephones in the St. Francis Hotel. Prior to publishing his article, Lomax contacted the Los Angeles Office and inquired as to whether the FBI had any telephone records. He was referred to the press release made in this case by the Bureau and informed that no other information could be made available to him.

Charles Stein advised that he was not able to locate the Texas telephone booth allegedly used by Ray although it is noted [REDACTED] Lomax and Stein had located a telephone at Uvalde, Texas, used by Ray to call New Orleans between 6 p. m. and 9 p. m., 12/16/67. The telephone company has no record of such a call.

Stein stated he received no money from Lomax or any newspaper source although he claimed he had been promised up to \$200,000; he declined to say who had made this offer. Stein said he has been conned, duped, used, and made a mark by the newspapers. He advised he is presently so confused about the trip he made to New Orleans with Ray in December that he cannot distinguish between the facts and the newspaper stories he has read.

CONFIDENTIAL

Memorandum to Mr. DeLoach  
RE: MURKIN

Charles De Carvelho, New Orleans, close friend of Charles Stein, advised that he and Stein are close friends of District Attorney James Garrison and all are members of the New Orleans Chess Club. Five or six years ago Garrison allegedly told De Carvelho that Stein was a good boy but kept bad company.

[REDACTED], also known as [REDACTED], St. Louis, advised he taught Ray burglary and taught him to always use gloves; therefore, he cannot understand Ray's apparent failure to use gloves in this case. [REDACTED] said he was closely associated with Ray in 1958 and 1959 and participated with him in out-of-town burglaries. He never knew Ray to pull a job alone.

[REDACTED] related that Ray has a tendency to lisp or stutter which is most apparent in connection with his bashfulness when he first meets any female. [REDACTED] also said Ray can drink an enormous quantity of whiskey without noticeable effect and preferred Laurel Springs Bourbon with sweet soda.

[REDACTED] denied any contact with Ray since 1959 and expressed the opinion Ray is in Europe because he once said he would like to go to Spain.

[REDACTED] stated he knew Ray in Missouri State Penitentiary from 1963 to 1965. He recalled that when President Kennedy was killed Ray made a statement to the effect "that is one nigger loving S. O. B. that got shot." According to [REDACTED] Ray became aggravated over newspaper accounts of Martin Luther King's demonstrations and would curse King and the Negroes stating that King could get the Government to do anything he wanted it to do.

[REDACTED] heard it rumored that Ray killed three Negroes in prison and in the fall of 1963 Ray told [REDACTED] he was going to kill Martin Luther King, Jr., when he got out of prison. Ray allegedly said Cooley (phonetic) or Cooley's organization would pay \$10,000 to have King killed. [REDACTED] could not identify Cooley.

Memorandum to Mr. DeLoach  
RE: MURKIN

██████ recalled that Ray seemed to be well supplied with money and allegedly received money regularly from outside the prison. Ray never discussed his past but he did talk to ██████ about tunneling out of prison and hiding in a cave somewhere in Virginia. The only foreign country mentioned to ██████ by Ray was Liberia where Ray said he had a brother-in-law who was making large sums of money.

██████, Sheriff's Office, Tucson, Arizona, telephoned the Bureau, 5/2/68. He advised that he is taking a close interest in this case and in view of news reports that Ray might be in Australia he telephoned the Chief of Police at Sydney, Australia, 5/1/68, to determine if he had any information concerning Ray. ██████ said the Chief of Police at Sydney told him a man they had in custody on some other charge might be identical with Ray. ██████ did not know the name of this prisoner. This is being expeditiously checked out.

ACTION:

The investigation continues to receive top priority attention.

On the night of 5-1-68, SA [redacted] Intelligence Division, Secret Service, Washington, D.C., telephonically furnished the following information to Extra-Duty Supervisor [redacted].

At approximately 7 p.m., 5-1-68, he received a call from an individual identifying himself as [redacted] Orlando, Florida. [redacted] described himself as a white male, born [redacted], and divorced. [redacted] stated that at approximately 8:30 a.m., 4-26-68, as he approached his office at [redacted] in Orlando he observed a man sitting in a car under the carport at his office. [redacted] approached this individual and asked if he could help him. The individual stuck a snubnose in his face and said "You ain't never seen me" and drove off. He was in a 1967 or 1968 dark blue Chevrolet bearing a Florida license, partially recorded by [redacted] as [redacted]. [redacted] thought this individual appeared to be identical with James Earl Ray. He was interviewed by Special Agents of the Orlando FBI Office but was calling today because he felt the Vice President should have this information. In addition, he told [redacted] that he had seen the same car circling his house three times on the night of 4-29-68. He also told [redacted] that he thought [redacted] girl friend, knows something about the King killing. [redacted] was calling Secret Service from the Mt. Dora Motel, Mt. Dora, Florida.

EX-115 REC-16 44-38861-2733

Supervisor [redacted] Tampa Office, advised that on 4-26-68, Agents at Orlando interviewed [redacted] who furnished them with the information concerning the man observed under the carport at his office. At that time Agents noted he was very vague and when pressed for a description of the man he observed, he hesitated and then carefully scrutinized one of the interviewing Agents and related the description of this Agent. The Agents followed up and checked with [redacted] secretary for any information she might have and she advised them that she had not been at the office that morning. She said that [redacted] was an alcoholic and when drinking suffered from hallucinations. Supervisor [redacted] also stated that Agents later in the day on 4-26-68, observed [redacted] in a very intoxicated condition.

ASSASSINATION OF DR. MARTIN LUTHER KING, JR.  
RACIAL MATTER

On April 22, 1968, a confidential source advised he had recently learned that subsequent to the death of Reverend Martin Luther King, Jr., Bernard Lafayette, Program Administrator, Southern Christian Leadership Conference (SCLC), and Hosea Williams, Director of Voter Registration and Political Education, SCLC, have on more than one occasion commented to SCLC Executive Staff members that it can be anticipated other members (not identified) of SCLC's Executive Staff might die as a result of violence in the continuing civil rights struggle. They have pointed out that the continuing civil rights struggle will require the utilization of economic pressures (not specified) which will result in conflicts of interests in the Nation's economy.

With reference to the death of Reverend King, some members of the SCLC Executive Staff feel the shooting of Reverend King was the work of a mentally unbalanced person. While others appear to have an open mind regarding this matter, a minority of the staff feel it is quite plausible that the shooting of Reverend King was directly or indirectly instigated by President Lyndon B. Johnson and/or members of his administration. In support of this line of thinking these members maintain that Reverend King's status as a powerful civil rights leader, his staunch opposition to the Viet Nam War, and potential to embarrass the current administration through SCLC's pending Poor People's Campaign, have undoubtedly irked the President and his administration for an appreciable time.

Source could furnish no further details regarding the above matter, but expressed the opinion that such thinking might be the result of an emotional reaction to a catastrophe, coupled with a distrust of "the establishment".

Other news items in Doctor BLOCKSMA's file described him as a national figure in YMCA activities. He was named Chairman of the YMCA National Committee 1957, and in 1957 a news item stated he had been a Director of the Board of the YMCA since 1953.

A news item dated 8/18/51 from the now defunct "Grand Rapids Herald" newspaper mentioning his appointment as the Pupil Personnel Director and contained a photo of Doctor BLOCKSMA. It also mentioned his obtaining a Master's Degree at the University of Michigan and having taught at Ohio State University, the University of Michigan, Western Michigan College of Education, and the University of Chicago.

For the information of the Bureau, Doctor BLOCKSMA is widely known in Grand Rapids. In view of the developments in this case, Doctor BLOCKSMA's background, and the fact there would not be any way of determining Doctor BLOCKSMA's whereabouts during the period 3/29-4/4/68 without direct contact with him or someone in his office, it is felt that further efforts in this matter would not be in the best interests of the Bureau. Therefore, no further investigation will be conducted UACB.

TO : Mr. W. C. Sullivan *9/5*

DATE: 5/1/68

FROM : D. J. Brennan, Jr.

SUBJECT: MURKIN

Based on information from Atlanta, we asked

~~\_\_\_\_\_~~ to check with the local Australian visa issuing authorities to determine whether any application for an Australian visa had been made during the past year under the name or aliases of the subject. The Atlanta request was based on information from an Austrian diplomatic representative who had received an anonymous telephone call from an individual asking whether his admission to Australia would be denied if he had a prior criminal record. ~~\_\_\_\_\_~~ completed the inquiry with negative results and routinely informed his headquarters regarding the matter. They apparently alerted Australian police regarding the case and the police have apparently informed the press as a number of inquiries have been received to which we are making no comment.

~~\_\_\_\_\_~~ telephoned 5/1/68 and stated that his Embassy is being besieged with press inquiries and would like to quiet these by saying that they have merely made a routine check of their records at FBI request to see if there had been a visa application for Australia under the name or aliases of the subject. ~~\_\_\_\_\_~~ was informed that we are making no response to press inquiries in this matter but that if his Embassy wished to make the statement proposed, we would have no objection as it was, of course, a matter for their own decision.

WASHINGTON--AUSTRALIA HAS BEEN ASKED BY THE FBI TO MAKE A "ROUTINE CHECK" OF WHETHER JAMES EARL RAY, SOUGHT IN THE MURDER OF MARTIN LUTHER KING, HAS APPLIED FOR A VISA TO GO TO THAT COUNTRY, AN EMBASSY OFFICIAL SAID TODAY.

THE OFFICIAL EMPHASIZED, HOWEVER, THAT "AUSTRALIAN AUTHORITIES HAVE NO EVIDENCE AT ALL THAT THE PERSON CONCERNED (RAY) IS IN AUSTRALIA."

AMERICAN SOURCES ALSO UNDERScoreD THE ROUTINE NATURE OF THE REQUEST. THEY SAID IT WOULD BE LOGICAL TO ASSUME THAT SIMILAR REQUESTS EITHER HAD OR WOULD BE MADE OF OTHER NATIONS IN WHICH RAY MIGHT SEEK REFUGE. THE FBI HAD NO COMMENT ON THE EMBASSY OFFICIAL'S STATEMENT.

TO : Director, FBI (44-38861)

DATE: 4-29-68

FROM : Legat, Rome (44-2) (P.)

SUBJECT: MURKIN

Re Bureau routing slips 4-17-68 and 4-19-68, which transmitted photographs and a press release on JAMES EARL RAY, aka. These items were received by Legat, Rome, on 4-22-68.

On 4-23-68 photographs of JAMES EARL RAY and the authorized press release were furnished to ROBERT C. CUNNINGHAM, Managing Editor of the Rome Daily American, an English language newspaper published in Rome and circulated throughout Europe, the Middle East, and some African countries. The photographs and information contained in the press release were published in the 4-24-68 edition of the Rome Daily American.

The same material was furnished on 4-23-68 to ELVIZIO BIANCHI, Managing Director of Agenzia Giornalistica Italia (AGI), which is the equivalent of UPI or AP in the United States. BIANCHI transmitted the information to the Italian newspapers which AGI services throughout Italy, and much of the data furnished to him was noted in the Italian press on 4-24-68.

For the Bureau's information, CIA, American Embassy, Rome, had been advised by its headquarters on 4-20-68 to disseminate detailed information of JAMES EARL RAY to Italian police sources. CIA promptly alerted the Division of Confidential Matters (DAR), Italian National Police, Rome, and the Italian Defense Intelligence Service (SID), Rome, and also informed Legat of the action taken.

Both DAR and SID, knowing of FBI interest in this matter, checked with Legat to determine whether this

office would also submit a request inasmuch as the alerting of all police districts in Italy with detailed information involves a communication expense of almost \$2000. Both sources were advised that CIA had coordinated this matter and that they should honor CIA's request. DAR and SID have instructed all police districts to determine if subject has visited Italy in the past and to remain alert for any current travel on subject's part.

These sources have been requested to notify this office immediately of any positive information developed.

telephone call to Bureau 5/1/68.

Re BAILEY SANDLIN, Orlando, Fla. - Complainant

For the information of the Bureau and interested offices, the following investigation was conducted at Orlando, Florida, by SAs [REDACTED] and [REDACTED] BAILEY SANDLIN, Insurance Adjustor, 1906 West Colonial Drive, Orlando, Florida, telephonically advised SA [REDACTED] on 4/25/68 that at approximately 8:55 a.m., 4/25/68, he drove up in front of his office and noticed a man sitting in a 1967 or 1968 dark blue, 4-door Chevrolet. He stated the only numbers of the Florida tag he could recall were [REDACTED] with rest of numbers unknown and he could not recall how many digits were in the tag number. He advised the Chevrolet was parked in the carport at his office. He said the man who resembled JAMES EARL RAY, pointed a snubnosed revolver at him, and said, "You ain't seen me" and drove east on Colonial Drive to the next street (Vern Drive) where he turned right. SANDLIN stated he got into his car and tried to follow the individual but never saw the Chevrolet again.

It was noted by SA [REDACTED] during the telephone call from SANDLIN that his voice had been unusually hesitant between words and sentences, however, at the time it was believed to be due to excitement.

[REDACTED] Detective Bureau, Orlando, Florida Police Department, was immediately informed of the above by SA [REDACTED].

Upon arriving at 1906 West Colonial Drive, BAILEY SANDLIN was interviewed in person by SAs [REDACTED] and [REDACTED]. As the interview progressed, it became evident through SANDLIN'S behavior and by his own admission that he was under the influence of liquor.

[REDACTED]

Every effort was made to ascertain if there was any truth in SANDLIN'S statements, however, he continually changed his description of the suspect and varied the sequence of events as well as the times they were alleged to have occurred.

On April 25, 1968, Mrs. ANN WAGNER, 1904 West Colonial Drive, and Mrs. ALFRED PENKACIK, 1910 West Colonial, who are located immediately adjacent to SANDLIN'S office, advised that from at least 8:00 a.m. until they were contacted by the agents there had been no other car in SANDLIN'S carport except his Dodge. Both women were positive no Chevrolet, described above, had been in or near SANDLIN'S office that day since at least 8:00 a.m.

TP 157-3231

On April 25, 1968, Mrs. MARGARET TAYLOR, widow of Deputy Sheriff PHILIP TAYLOR, [REDACTED] advised agents she is the secretary to SANDLIN and that she had received a call from him that morning. She stated he sounded very unusual and she wondered if he had been drinking. [REDACTED]

[REDACTED] He has also told her that when he drinks, he has hallucinations thinking he has achieved great success. Mrs. TAYLOR further stated that SANDLIN told her during his phone call that morning that when he arrived at his office he had been accosted by a man in a car in the carport of his office who stuck a gun in his face. According to SANDLIN, this had caused him to be upset.

Mrs. TAYLOR also declared that she talked with the landlord and occupants of the other half of the building, in which SANDLIN'S office is located and Mrs. WILLIAM MURRELL, 1904 West Colonial Drive had advised her that she had arrived at the office at the same time as SANDLIN and there was no car in the carport at that time. During the afternoon of April 25, 1968, RONALD E. ZEIGLER, Ziegler and Associates, Insurance Adjustors, Deland, Florida, telephonically advised SA [REDACTED] he was SANDLIN'S employer. He stated he had gone to SANDLIN'S office a short time previous that same day, in answer to a phone call from Mrs. TAYLOR [REDACTED]

[REDACTED], Detective Sergeant, Orlando PD was apprised of the above.

About mid-morning, April 25, 1968, BAILEY SANDLIN, 1906 West Colonial Drive, Orlando, Florida, telephonically advised SA [REDACTED] at the Orlando Resident Agency that he had previously telephoned the Orlando Residence Agency on the same morning and he had been contacted by two agents whose names he could not recall. He related he was recontacting the resident agency since the individual whom he had talked with the previous time had telephoned him and threatened him.

TP 157-3231

SA [REDACTED] contacted the Orlando PD and was met at 1906 West Colonial Drive by Sergeant [REDACTED] of the Orlando PD and during a short conversation with SANDLIN he stated he was fearful of his life since the previous described individual had threatened to return to his office and to kill him.

During the conversation with SANDLIN it was obvious to SA [REDACTED] that SANDLIN had been drinking and such opinion was confirmed by Sergeant [REDACTED]. SANDLIN was shown the identification order for JAMES EARL RAY and stated that the individual depicted thereon resembled the individual who had threatened him earlier that same day. Due to the obvious intoxicated condition of SANDLIN, no further attempt was made to interview him.

Due to the above set forth facts, no further action has been taken.

The Bureau has received an anonymous hand printed letter and envelope postmarked in Arlington, Virginia on April 26, 1968. The anonymous letter states "Dr. King's assassin is working with a group down in New Orleans, Louisiana and the blond haired woman that the assassin or his brother had the date with in California is the leader of the group, and is a communist."

Differences were noted between the hand printing on the anonymous letter and envelope when compared with the known hand printing of James Earl Ray and other similar anonymous communications which have been received in connection with this investigation; however, the distorted nature of the hand printing on these two items referred to above prevented a definite conclusion from being reached.

The anonymous letter and envelope were searched in the Anonymous Letter File but could not be identified with any prior submissions to this file and no identifying characteristics were noted on these items which might indicate their immediate source.

Gentlemen:

Re: Dr. King Murder

In response to David Lawrence's column in the Evening Star, April 24, 1968, I offer this information for what it is worth.

I realize there must be a lot of Galts in the U.S. However, I am familiar with Ayn Rand's book "Atlas Shrugged" and the name John Galt would ring a bell in my mind.

During the period December 1964 through June 1966, I worked for [redacted] as an assistant bookkeeper. This business is a furniture rental business. I believe, the name has now been changed to [redacted]. It is located on [redacted] in Bladensburg, Maryland. It is still under the same management so I've been told.

One of my duties involved accepting and refunding security deposits on the furniture rentals. Most people who rent furniture do so for only short periods of time, therefore, transients in this area.

I recall handling a security deposit for a John Galt in the Metropolitan Area of Virginia, either as a refund or forfeit. If so, there would be information on the card (dead file) showing where the refund was mailed. In the furniture unit files, there should also be the application with personal information. I believe that a [redacted] is still employed with them and could help you locate either file. The dead file of deposits would in all probability be under the name of Galt.

During this period that I worked for [redacted] I was usually the only person who made and filed these cards and this was the first time I ever recalled seeing the name John Galt other than in Ayn Rand's book.

I realize this is a weak tip but you may wish to check it out.

Yours truly,

On 4/24/68, RICHARD PARDI, Comptroller, Computing Technology, Inc., 26 Park Place, Paramus, New Jersey, telephone 265-4040 telephonically contacted NYO and provided information concerning an electronic scanning device utilizing computers for ballistic examinations. He offered to make this procedure available to the FBI for ballistic examination of the bullet and gun used in the assassination in captioned civil rights matter.

Mr. PARDI said he understood through newspapers that ballistic tests to date were not conclusive. His company has developed a procedure whereby a computer optical scanner, using numerical systems programmed into computers is so sensitive that all surface changes are noted. He is of the opinion that tests with such equipment would be conclusive where other methods have failed.

He explained that with the computer system it is not necessary to depend on the human eye, nor light nor

microscopes. The computer system examination has been conducted by a very capable program man within his organization.

According to PARDI this procedure has been demonstrated to the NYCPD and published in one of the scientific journals. He said the NYCPD is attempting to obtain sufficient funds with which to procure and utilize this procedure.

PARDI stated that by letter he previously offered the use of this system to the FBI in Washington, D.C.

An information copy of this airtel is being furnished to Newark in the event it is deemed advisable by the Bureau to have PARDI contacted in Paramus, New Jersey for additional information.

PARDI said his company has expended thousands of dollars in developing this procedure but at the present time it is not being utilized. He said he is not seeking any publicity for his company in offering to make it available to the FBI.

This case involves the murder of Martin Luther King, Jr.

Attached is a photograph of Ray that has just been obtained from the Postal Inspector of Los Angeles. It has been determined from identifying numbers on the back of this Polaroid print that the film was manufactured in August, 1967. The photograph was mailed on or about 2/17/68 to a girl Ray had written through a correspondence club. This is considered the best picture of Ray yet obtained since it shows more detail of the lines and features of his face than previous photographs have shown.

ACTION:

This photograph is being duplicated for wide distribution through field offices and Legats.

EX-104/4-38861-2857

MAY 1 1968

4/30/68

[REDACTED] Inspectional Bureau, Memphis Police Department, Memphis, Tennessee, advised that he and [REDACTED] met Memphis City Engineer ARTHUR C. HOLBROOK, P. E., Tennessee License No. 5173, and a surveying crew at the Lorraine Hotel on April 23, 1968, at 8:30 a.m. Certain engineering measurements were subsequently taken.

[REDACTED] advised that an engineer's transit was placed over the spot where Dr. MARTIN LUTHER KING, JR., was shot, the telescope being positioned 59 inches above the balcony floor. This height was based on information contained in the autopsy report of Dr. MARTIN LUTHER KING, JR., which indicated that the missile entered his body at a point 59 inches above the right heel with the head positioned to correspond with the path of the missile. He stated that the point where Dr. KING was standing when shot was indicated to them by Reverend JAMES BEVEL, a representative of the Southern Christian Leadership Conference, who was staying at the Lorraine Motel.

From this position, two triangles were established with a baseline common to the two triangles established and measured. Every effort was made to ensure accuracy. It was determined that the level distance from the second floor rear bathroom window sill of 422½ South Main Street to the point where Dr. KING was standing on the balcony of the Lorraine Motel was 206.36 feet and the in-line distance from the window sill to the point where Dr. KING was standing was 207.02 feet. The window sill at the rear of 422½ South Main was determined to be 16.63 feet higher than a point 59 inches above the floor of the balcony of the Lorraine Motel at the location Dr. KING was standing when he was shot. The downward angle of the direct in-line distance from the second floor window sill at the rear of 422½ South Main to a point 59 inches above the balcony of the Lorraine Motel at the point where Dr. KING was standing was determined to be 4 degrees 36 minutes 25 seconds.

NOTE: We have requested our New York Office to contact the Avis and Hertz car rental agencies to determine if a filler may be inserted in their publication concerning our subject Ray. New York now advises that they are willing to accept filler for publication, however, both also publish bulletins which are distributed directly to counter personnel and may be of more value in this matter. The bulletins are single pieces of paper and accommodate printed matter and photograph. Indication by New York is that if a mat is available they would possibly publish this on a world-wide distribution basis. New York being instructed to furnish mats to Hertz and Avis for consideration in their publication, we cost to Bureau 1 mat each.

 SUBJECT: MURKIN

ReBuairtel 4/25/68.

At the time Charlotte was originally requested to conduct investigation to determine the manufacturer of the bedspread found abandoned at Memphis, Tennessee, the identity of the subject had not yet been determined and investigation was being requested which would have assisted in identifying the man who was known as GALT.

Since it is now known that GALT is JAMES EARL RAY, and since investigation regarding the bedspread would not in all likelihood assist in determining RAY's present whereabouts; Charlotte should disregard leads to further identify the manufacturer of the bedspread.

INFO RECEIVED FROM MSP THAT VISITOR'S CARD IS ISSUED TO PERSONS DESIRING TO VISIT INMATES BY THE WARDEN. THIS CONTAINED SIGNATURE OF THE VISITOR. WHEN THIS PERSON MAKES VISIT, THE CARD OF THE INMATE IS PULLED BY THE MATRON IN THE VISITING ROOM, WHO CHECKS THE CARD UPON PRESENTATION. THE PERSON VISITING SIGNS THE REGISTER OF VISITORS. THIS IS A SHEET OF PAPER IN COLUMNS. THIS IS CHECKED ON THE INMATE'S FILE ACCORDING TO DATE AND WHEN SUCH ENTRIES ARE MADE ON THE INMATES CARD FOR ALL VISITORS EACH DAY, THE SHEET SIGNED BY THE VISITOR IS DESTROYED.

THE ONLY OFFICIAL SIGNATURE OF THE VISITOR IS CONTAINED ON THE INMATE'S OFFICIAL VISITOR'S CARD. IF THE SIGNATURE DOES NOT AGREE IN THE OPINION OF THE CHECKING MATRON, NO VISIT WOULD BE ALLOWED AND TROUBLE MIGHT RESULT BOTH TO THE INMATE AND THE VISITOR. THEREFORE, IT IS VERY UNLIKELY THAT A VISITOR WOULD

forwarded to the Bureau an original and 7 copies of a letterhead memorandum showing information received from [REDACTED]

[REDACTED] who is acquainted with members or former members of the WKKKKOM. [REDACTED] in reporting this information that was overheard as general rumor among Klansmen and he did not know the source, was doubtful of its truthfulness.

The information in substance was that on 3/17/65, [REDACTED] advised that he had received unverified information that in 1964, the original Knights of the KKK of Mississippi had hired a "killer" from the State of Oklahoma to murder MARTIN LUTHER KING, JR. when KING was in Jackson, Mississippi. This "killer" was known as "TWO JUMPS" and came to Jackson, Mississippi to "case" the layout and while in Jackson, stayed at the Terrymore Motel. He was to use a high-powered rifle with telescopic sights. This deal allegedly fell through when the Klansmen could not raise the \$13,000 demanded by "TWO JUMPS."

[REDACTED] also reported "TWO JUMPS" was allegedly also the killer of a Bureau Top Ten fugitive later identified as JOHN GIBSON DILLON. "TWO JUMPS" allegedly killed DILLON at the Flamingo Motel in Jackson, Mississippi and thereafter transported the body to Oklahoma or Kansas where it was dumped in an old well.

The Oklahoma City Division by airtel of 4/8/65, advised Bureau and Jackson Division that complete background in the case involving Top Ten Fugitive JOHN GIBSON DILLON did not substantiate that DILLON was killed in Mississippi. From facts available to Oklahoma City, it was doubtful in fact if DILLON was killed in Mississippi.

The Jackson Division on 4/2/65 interviewed [REDACTED] described by Jackson as [REDACTED]

[REDACTED] was asked if he knew an individual named DONALD SPARKS or GENE SPARKS to which he promptly replied, "Who, TWO JUMPS?" He was thereafter shown a photograph of DONALD EUGENE SPARKS, Tulsa, Oklahoma Police Department Number 38224 dated September 7, 1963. [REDACTED] promptly identified this photograph of SPARKS as being identical to the person he has known for many years as "TWO JUMPS." [REDACTED] went on to relate that SPARKS got the nickname of "TWO JUMPS" from his ability as a cowboy and according to [REDACTED] SPARKS was an excellent "broncho buster" and could ride almost any horse. [REDACTED] considered SPARKS to be an extremely hard and tough individual who would not hesitate to kill anyone. Extensive investigation was conducted in several field offices to concretely identify "TWO JUMPS" and from the identification of [REDACTED] it was felt that DONALD EUGENE SPARKS was identical to "TWO JUMPS."

Investigation by the Jackson Division at the Terrymore Motel in Jackson failed to disclose any registration that could be identified as being that of SPARKS. In addition to the above identification of SPARKS as "TWO JUMPS", [REDACTED] was interviewed [REDACTED] on 1/26/65. This informant advised he knew DONALD EUGENE SPARKS and was well aware that SPARKS' nickname is "TWO JUMPS."

Based on this identification on 5/14/65, an attempt was made to interview DONALD EUGENE SPARKS, Inmate Number 71755, at the Oklahoma State Penitentiary. Following his being advised of his rights, SPARKS stated at the outset he would not furnish any information. He did deny being contacted by anyone at any time to commit a murder and said he did not kill anyone for money or any other reason. He denied ever being hired by anyone in the South and specifically in Mississippi to commit any murder. He denied knowing anyone connected with the Ku Klux Klan.

SPARKS at this time stated he had never cooperated with any police officers and did not intend to start doing so now. He said he had been contacted by numerous officers and would appreciate it if police officers would not bother him again since they wasted his time, as he was working in the plumbing shop in the Penitentiary and could not be away from his job. SPARKS terminated the interview by getting up and leaving the room.

By airtel to the Bureau dated 5/17/65, in case "WHITE KNIGHTS OF KU KLUX KLAN OF MISSISSIPPI, RACIAL MATTER", the Bureau was advised of the attempted interview with SPARKS. Additionally, 9 copies of an FD 302 dated 5/17/65, was furnished to the Jackson Division. This showed the interview with SPARKS. At that time, it was the considered opinion of Agents that had worked cases involving SPARKS, his associates, and Agents who handled the former case involving former Top Ten Fugitive JOHN GIBSON DILLON, that information that SPARKS was hired to kill MARTIN LUTHER KING, JR. and that he did kill DILLON was not accurate nor truthful information. It was pointed out that following DILLON's murder there was a massive amount of rumor, speculation and hearsay information circulated among the criminal element concerning the death of DILLON. It was this hearsay information that was probably being reported by [REDACTED] informant in all honesty.

The Bureau's attention is directed to the fact that [REDACTED] is the subject of a current pending file, Oklahoma City [REDACTED], Bureau file [REDACTED]. He is an [REDACTED] ex-convict, [REDACTED] who travels extensively throughout the United States. He was last interviewed by Bureau Agents, 3/5/68, where he was living at [REDACTED] Oklahoma. He was at that time employed at [REDACTED].

#### LEADS

#### ATLANTA, JACKSON AND TAMPA DIVISION (INFORMATION)

Information copies of this communication are being furnished to Divisions above in the event additional inquiry appears necessary.

#### BIRMINGHAM DIVISION

At Fort Payne, Alabama

Although DONALD EUGENE SPARKS is notorious for his failure to cooperate with police officers, it is suggested an attempt be made to interview him concerning his using the name "TWO JUMPS" and being offered money by the Ku Klux Klan of

OC 44-686

Mississippi in 1964 to murder Dr. MARTIN LUTHER KING, JR. An attempt should be made in the interview with SPARKS to determine if he is at all familiar with JAMES EARL RAY, present fugitive being sought for the murder of Dr. MARTIN LUTHER KING, JR., and exhibit photograph of RAY to him.

JAMES EARL RAY SHOULD BE CONSIDERED ARMED AND DANGEROUS.

Instructions set forth in re Bucab have been complied with and pertinent information which may be received by this office will be acted upon immediately.

It is suggested that consideration be given to preparation of subject's Wanted Flyer in Portuguese, the official language of Brazil, for distribution in that country. This would afford more efficient coverage in that area and would give less cause for possible offense to Brazilian officials.

In the event that investigation indicates need for more intensive coverage in Latin America it is suggested that consideration be given to possibility of putting an appropriate article with subject's picture in the Spanish and Portuguese editions of Readers' Digest, which receives the widest distribution of all mass communications media in this area.

Re Bureau teletype to Charlotte 4/26/68.

RE JAMES W. COLE

On 5/10/66, Associated Press representative in Charlotte, N. C., reported that BRYAN SEYMOUR, a free-lance reporter, Kinston, N.C., received a call from JAMES WILLIAM "CATFISH" COLE on 6/9/66 and met with COLE at his request. At that time, COLE had a prepared written statement in which he stated he was going to Mississippi for the purpose of killing MARTIN LUTHER KING. In the statement he said that he would go alone and did not need any help for the job.

On 6/10/66, COLE was located and interviewed at Kinston, N.C., and after being advised of his rights, he refused to furnish any statement concerning the press release he had issued to BRYAN SEYMOUR. He refused to discuss his statement to SEYMOUR or the contents of the statement. He advised he had no plans to leave North Carolina and that he had never planned to go to Mississippi.

On 6/10/66, BRYAN SEYMOUR was interviewed concerning the press release. He advised at that time that COLE did not identify any of his supporters and would not give any details as to when he would leave Kinston.

Specimen received 4/28/68, from FBI, San Francisco

K210 Four pieces of cloth containing a total of sixteen laundry tapes obtained from Deluxe Laundry, Oakland, California

## Result of examination:

It was concluded that the questioned laundry tapes appearing on Q97 and Q99 were not prepared by the machine with serial number 30942 (a portion of K210) or the machine with serial number 32667 (a portion of K209). Differences were noted between the questioned laundry tags and the other known specimens but the lack of significant differences precluded a definite opinion from being reached.

[REDACTED] advised on 11/16/64 that at a state-wide meeting of the WKKKKOM near Harrisville, Miss. on 11/16/64 SAM BOWERS was asked by an unknown Klansman why MARTIN LUTHER KING was not killed when he came to Miss. during the Summer of 1964. BOWERS allegedly replied that two men came to him who claimed they were good with a rifle and wanted his approval to take care of KING. BOWERS stated at this particular meeting that he gave these two men strict orders not to take any chances whatsoever and added that these two men never returned and he heard no more concerning this matter.

On 11/16/64 [REDACTED] advised that during the same state meeting as set forth above, some individuals reported that MARTIN LUTHER KING had expected to come to Mc Comb, Miss. on Monday, 11/16/64 and that all business places in Mc Comb would be tested by integrationists on that date. Someone remarked that something should be done about this and SAM BOWERS stated that when MARTIN LUTHER KING last toured the State of Miss., two men were assigned with high-powered rifles to take care of KING, but plans went amiss when KING took a route other than the one he was supposed to. BOWERS stated that these two men are working on this matter. He did not identify the two men.

On 4/30/68 [REDACTED] was located and interviewed. He could add nothing further to the information he furnished on 11/16/64.

On 5/1/68 [REDACTED] reported that he had nothing additional concerning the above incident.

[REDACTED] was contacted during the evening of 4/4/68 immediately after the assassination of KING and he had no information of value at that time.

Other incidents summarized in referenced airtel are being investigated, where possible, to determine if any persons concerned <sup>are</sup> or implicated in anyway with KING's death.

This is the case involving the murder of Martin Luther King, Jr.

PURPOSE:

To recommend that the reports in this case be disseminated to the Department and that Birmingham be instructed to disseminate one copy of each of the reports to the U. S. Attorney, Birmingham.

BACKGROUND:

Based upon evidence left at the scene of the crime and investigation conducted, we established that a person using the name of Eric Starvo Galt was responsible for the murder of Martin Luther King, Jr. With Department approval, and authorization of the U. S. Attorney, Birmingham, we obtained a warrant of arrest for Galt in Birmingham, Alabama, on 4/17/68.

We have subsequently determined that James Earl Ray's fingerprints match the latent fingerprints developed on the evidence, and we are conducting an investigation to locate and apprehend James Earl Ray.

The Atlanta, Birmingham, Los Angeles, and Memphis Offices have submitted reports on this case. At the outset of this investigation Attorney General Ramsey Clark requested a copy of any reports and thereafter Assistant Attorney General in charge of the Civil Rights Division, Stephen J. Pollak, requested a copy of any report. The U. S. Attorney in Birmingham, has requested that we submit our investigative reports to them as soon as possible. To date the reports have not been disseminated. The evidence as submitted by Memphis has been returned to the Memphis Police Department accompanied by a report reflecting the results of our Laboratory examination.

RECOMMENDATION:

In view of the fact that we have returned the evidence to the Memphis Police Department and in view of the fact that if the subject is located and apprehended we will need to show identity and probable cause, it is recommended that the reports be disseminated to the Department. The Department will be specifically advised in writing that the reports or the contents thereof are for their use only and they should not be disclosed to any person outside the Department. USA, Birmingham will be so advised also in writing.

If approved, it is recommended that the attached teletype be transmitted to Birmingham and Memphis.

At 10:30 p.m., 5-3-68, a call was received by Extra-Duty Supervisor [REDACTED] from a female who identified herself as [REDACTED]. She stated she resides at [REDACTED] New York City, and that she was then calling from the Plaza Hotel, Hamilton, Bermuda, where she was vacationing with her son. She was very excited in her speech and at times incoherent. She said she had been in the Pan American Airways Office at the Civil Air Terminal, Hamilton Airport, just a short time before her call and had observed an employee of PAA whom she felt was identical with James Earl Ray. She said she called this to the attention of other PAA personnel and they "let him get away." She said they told her he was a [REDACTED] one of their employees. She stated this individual was a white male, age 35, 5'10", 135-140 pounds, dark hair, dark eyes. She then became rambling in her conversation and talked about a [REDACTED] at Kimberly Air Force Base and said "they" are trying to get her committed. When asked who "they" were, she said local police and members of the Klan. She said a local police officer was with her as she was making her call. When she was asked to put this officer on the phone, she said he declined.

He was instructed to sutel results of inquiries on 5-4-68. It should be noted that Security Agent for PAA is [REDACTED].

FBI File No. 44-38861

Lab. No. D-562101 JK

Specimens received 5/2/68

Q304 White envelope postmarked "ROCHESTER, N.Y. 1A PM 17 APR 1968" bearing typewritten address "MRS. GROOMS ROCHESTER TIMES-UNION ROCHESTER, N. Y."

Q305 Accompanying piece of paper bearing typewritten message beginning "MRS. GROOMS - I READ...."

## Result of examination:

It was concluded that the typewriting on Q304 and Q305 is, not identical to typewriting appearing on material attributable to Eric S. Galt, previously submitted in this case.

Q304 and Q305 were searched in the Anonymous Letter File without effecting an identification. Copies have been added to this file for future reference.

Except for the printing "FREE PARKING" on the reverse side of Q305, no watermarks, indented writing or other identifying characteristics were noted on the submitted material by which the source of these specimens could be definitely determined.

Q304 and Q305 have been photographed and are being returned to Buffalo separately.

If not already being done, Atlanta and Birmingham should check records of access to safety deposit boxes at banks in each of those cities for the date 4/5/68. Any individuals who made entry into such safety deposit boxes on this date should be eliminated as possibly being subject. This can primarily be done on the basis of length of time the box was rented or on the basis of the renter of the box being known to bank employees. Any questionable eliminations must be run out.

This is being suggested in light of the possibility that subject may have rented such a box and then while fleeing may have made entry for the purpose of withdrawing valuables.

SUBJECT: MURKIN

By memorandum of May 3, 1968, it was recommended and approved that the attached photograph of Ray be furnished the field offices and legats. It was noted that this photograph of Ray in a business suit is considered to be the best likeness of fugitive to date.

Also attached is a photograph of Ray wearing dark glasses which was taken in November, 1967, while Ray was in Mexico.

Inasmuch as both of these photographs may be of assistance in locating subject, it is recommended that they be made available to the press by Crime Records together with the following brief statement:

The FBI today released two additional photographs of James Earl Ray who is being sought in connection with the murder of Dr. Martin Luther King, Jr. The photograph of Ray wearing dark glasses was taken in Mexico in November, 1967, while the photograph of Ray in a business suit was made in California during the last part of January or the early part of February, 1968.

## RECOMMENDATION:

That authority be given Crime Records to release the attached two photographs and statement to the press.

SUBJECT: PROPOSED SPOT ANNOUNCEMENTS  
REGARDING JAMES EARL RAY  
AMERICAN BROADCASTING COMPANY

As you are aware, with the Director's approval, the 25-second spot announcement on James Earl Ray by Philip Abbott will be repeated at the conclusion of the television series "The FBI" on Sunday, 4-28-68.

Peter Sterne, American Broadcasting Company representative in Los Angeles, California, has contacted SA [REDACTED] to determine if the Bureau would approve this announcement being used at various times of the day over ABC television outlets for an extended period of time.

Sterne has indicated that he feels certain that ABC would be willing to do this as a public service.

## OBSERVATION:

This would appear to be an excellent opportunity to afford maximum television exposure of Ray's photograph and descriptive data.

## RECOMMENDATION:

The Director may wish to approve the spot announcement on James Earl Ray by Philip Abbott being used at various times of the day over American Broadcasting Company television outlets for an extended period of time.

The following investigation was conducted by  
SA [REDACTED]:

AT JEFFERSON CITY, MISSOURI:

On April 29, 1968, a former inmate of the Missouri State Penitentiary advised as follows:

He knew JAMES EARL RAY at the Missouri State Penitentiary (MSP). From his conversations with RAY, he learned that RAY's maximum ambition in life was to make a "score" of about \$20 - \$30,000.00, after which he would go to Mexico to "hide out", living simply on the loot at the favorable Mexican exchange rate. RAY had spoken to him about his previous trips to Mexico, following "two or three" armed robberies, involving small scores, where he would "cool off" and live on beer, beans and milk. RAY spoke of Campeche Bay, near the Yucatan Peninsula, and he spoke of living with peasants on the outskirts of the town of Campeche, Mexico. RAY also spoke of a cheap "red light district" he favored located in the town of Torreon or Torrejon (phonetic), which the former MSP inmate thought was located in north central Mexico. Cost was a factor in anything RAY did, and he apparently lived frugally and budgeted his money carefully.

RAY did not like Negroes in general, but he expressed no particular feeling toward MARTIN LUTHER KING, although he has heard RAY refer to Dr. KING as "MARTIN LUTHER COON". RAY read enthusiastically, especially the weekly news magazines available at the MSP, and he would react in an outspoken manner opposing H. RAP BROWN and STOKELY CARMICHAEL when he read of their activities, as well as in opposition to publicity Dr. KING received in certain instances.

44-3-11

The former MSP inmate never heard of any bounty mentioned with regard to Dr. KING at the MSP or elsewhere. He believes he has heard RAY speculate that there might be some money available through some splinter group for the murder of BROWN or CARMICHAEL, but he never heard him speak in this regard about Dr. KING. RAY did not mention specific groups or any knowledge of any real payoff information. He recalls RAY's telling him, during the time [REDACTED] that while he was on the minor construction detail at the MSP, one of the guards referred to the Negro inmates working on the detail as "boy", and the Negroes went on a "sit-down" strike, and induced about two of the white inmates to join their strike, and when one of the Negroes referred to RAY as "gray", he got into a fight with that inmate, although the prison officials never learned of the fight, and the former MSP inmate's knowledge of the fight was as a result of RAY's telling him, and he does not know whether or not it is true.

RAY was a hypochondriac in that he took six or seven different kinds of pills daily, imagining that he had a "cranial depression" and a "rapid palpitation of the heart". He would use former inmate's watch with a second hand and time his pulse. He was able to obtain "pills" from going on sick call as well as through inmate sources in the MSP. The former inmate had some pills he had obtained for treatment of his arthritis, from which he obtained no relief, and RAY took these pills, thinking that he might some day have arthritis, and the pills might ward off future effects of that affliction. He believes RAY was selling amphetamine all the time he was in the MSP, but former inmate does not know his source.

RAY mentioned a traffic for the sale of small appliances in Mexico, due to the tariff Mexicans had to pay for such items they purchased legally, and he spoke of having smuggled such items into Mexico. He said he was acquainted with a man who operated a small scale smuggling business, who lived near the town of Campeche, Mexico. RAY mentioned this man so often that former inmate recalls his name: either [REDACTED] or [REDACTED], who apparently had lived for some time in the United States, and who spoke English. He believes this is the man RAY referred

to as the owner of a small fishing boat, and he would smuggle things from Brownsville, Texas, into Mexico through Campeche Bay. He believes RAY made trips on this boat with the man, and apparently Mexican Nationals are not checked upon entering Mexico through Campeche Bay in fishing boats. He does not believe RAY could speak Spanish, other than for basic words for basic needs. He heard RAY mention a brother in St. Louis, Missouri, and he believes some of RAY's trips to Mexico were with either the brother or with someone he had participated in armed robberies with, name not given. RAY indicated he had invested a little money in TV sets and washing machines which were transported to Mexico by his friend with the fishing boat. RAY said he had been to Mexico City "a couple of times", and he apparently liked Mexico City, but said it was a "tourist trap", and he could not afford to stay there.

RAY's only reference to working had to do with past bartending jobs. He believes RAY said he had tended bar somewhere in Peoria, Illinois, and at some other town in southern Illinois, exact location not known. He never mentioned Oregon or Canada, that former inmate recalls.

RAY never mentioned to him his plans for escape or specific plans to hide out any particular place, but his conversation indicated he wanted to "make the one big score" and retire in Mexico. He mentioned that he and another man, name not mentioned, drove to Mexico, apparently Campeche, one time, in an old model Chevrolet, specific routes not mentioned. He does not know how RAY made his other trips to Mexico he claimed to have made. He said that he had lived in a rented three-room shack on the outskirts of Campeche, within walking distance of the town, and from his conversation, former inmate gathered that this was during the late 1950's. RAY said he had been in Arizona before, but he did not mention any of the Mexican-United States Border towns, other than Brownsville, Texas.

He recalls RAY mentioned having watched a "fire dance" done by small Negro boys at a hotel in Acapulco, Mexico. He indicated he had not stayed at the hotel where the performance was, since it was too expensive, but stayed at an unnamed cheaper hotel, and he indicated that live coals

—  
were kicked over a cliff into the surf below the hotel, after which the boys would dive into the surf as it rushed through a small inlet.

He recalls RAY once had another inmate, KENNY HURT, or HURTT, in about 1966, send out about \$15.00 for him once, purportedly for the purchase of stationery for legal papers. The prison authorities watch inmate expenditures closely and at the time, the inmates were allowed only about \$23.00 per month expenditures, but RAY had some income from his illegal activities in prison and needed to conceal the money in other than his own treasury account. HURTT got RAY's money and sent it out to a Mr. and Mrs. (name unrecalled) Stationery Company in St. Louis, Missouri, but no stationery ever came to HURTT, who worried about it and thought it might have been stolen until he was told it would never come, by RAY, who had used HURTT for getting rid of the money without HURTT's knowledge of what he was doing.

Former MSP inmate does not know who RAY might contact, other than the supposed friend at Campeche he named, and he has no knowledge of his whereabouts and no knowledge of his plans to escape, or activities following escape. He does not approve of the murder with which RAY is charged, however, and desired to furnish the above information to help if he can.

██████████ stated he had found a note in the recessed area of the speedometer of his car. ██████████ pointed out that the speedometer has been broken; therefore, her husband was not normally attracted to the speedometer). She related this note was made up of words cut from newspapers and pasted on the back of a pocket calendar (unable to describe the calendar). ██████████ said the note read in substance, "If you go to the police or the FBI you will be killed." ██████████ advised her husband, after returning with the note, proceeded en route Detroit, Michigan, and after a short period of time had elapsed, he telephonically contacted her, stating he was at the Holiday Inn, Bloomington, Illinois. ██████████ stated her husband informed her that upon reaching the road one mile north of the ██████████ residence, and Route 66, he saw a 1966 or 1967 Chevrolet, tan in color, no license information, with two men in the car, parked along the road. ██████████ stated her husband told her that this car followed him en route Bloomington. However, they did not turn into the Holiday Inn when he did. ██████████ advised her husband then told her he was proceeding on to Detroit, Michigan,

██████████ advised upon discussing above with her parents, her mother, ██████████, stated she had noticed a late model, tan car, making several trips on the main rural road near the ██████████ residence on the early morning of 4/22/68.

██████████ advised that on the night of 4/22/68 her husband telephonically contacted her, but he would not disclose his location as he stated he was afraid to mention his location over the phone. She related her husband told her that he stopped at a rest stop area after leaving Indianapolis, Indiana. Upon leaving his car and walking the direction of the men's restroom, he saw a tan automobile occupied by two men driving very slow. He stated at this time the rider in this automobile fired a shot at him. ██████████ told his wife the shot just missed his ear and he, ██████████, hit the ground where he laid as if he had been hit. ██████████ stated that the tan car disappeared and he has not seen it since.

██████████ stated her husband believed this action was due to his being in the men's restroom at the Gulf Truck Stop, Lebanon, Tennessee, on 3/27/68, where he allegedly overheard five men planning to kill Dr. MARTIN LUTHER KING, JR. ██████████ stated her husband told her that one of the men in the restroom was RAY, whom he recognized after RAY's photograph was published. She stated he further informed her that he would be able to recognize the other men he saw in the restroom. ██████████ advised she recalls being at the Gulf Truck Stop at Lebanon, Tennessee, on 3/29/68. She stated upon their leaving the truck stop, her husband did not mention to her anything of hearing of the plan to kill KING. She stated she does recall her

husband remarked, "If King goes back to Memphis he will be killed." [REDACTED] advised her husband did say he wanted to see CARL STERN of NBC, Washington, D.C, whom he knew but did not state why he desired to see STERN.

[REDACTED] advised her husband returned to the [REDACTED] residence at Lexington, Illinois, on Friday, 4/26/68, where he stayed until the morning of Saturday, 4/27/68, at which time [REDACTED] and his mother-in-law had an argument over [REDACTED] son by a previous marriage. [REDACTED] told [REDACTED] to leave, which he did.

[REDACTED] stated she told her husband she had contacted Mr. DONALD T. SULLIVAN, Assistant Special Agent in Charge, Springfield Office of the FBI; and that he, [REDACTED], should call Mr. SULLIVAN and set up an appointment; that Mr. SULLIVAN had informed her he would make an appointment to meet [REDACTED] at any location or at any time when [REDACTED] was available. [REDACTED] stated her husband told her he was afraid to attempt to meet with FBI Agents, as he felt he was being followed. [REDACTED] stated she was unable to convince her husband to make arrangements for a meeting with the FBI. She advised her husband is very much interested in obtaining protection.

[REDACTED] advised of some of her husband's activities, which are not concerning the murder of Dr. KING. She advised that she does not know all of her husband's business and that she is sure he has not told her all he knows.

[REDACTED] advised her husband is acquainted with [REDACTED] of Baton Rouge, Louisiana, who told [REDACTED] in the summer of 1967 that there were several businessmen in the area of Baton Rouge, Louisiana, who were taking up a collection to obtain money to have KING assassinated. [REDACTED] advised her husband is well acquainted in the Baton Rouge and Denham Springs, Louisiana, area. She stated he was, in the summer of 1967, connected with [REDACTED]

[REDACTED] She related [REDACTED] lives in Dallas, Texas. She related [REDACTED] had an equipment rental business and while [REDACTED] and [REDACTED] were attempting to rent the equipment they were trying to gain financing for a recreational park in Louisiana similar to "Six Flags Over Texas." She related that some way they came in contact with a [REDACTED] and [REDACTED] of Miami, Florida, who advised they could finance same but were not interested, in a recreational park but would be interested in financing a horse racing track. [REDACTED] advised [REDACTED] obtained [REDACTED] to help locate his land which could be used as a horse racing park. He also obtained sanction of the [REDACTED] (FNU) IRWIN and [REDACTED] both of Slidell, La; however, "things got out of hand" and an article

appeared in "Life" magazine, and the Governor of Louisiana placed a stop to the entire operation.

[REDACTED] advised her husband is in telephonic contact with her daily but declines to furnish information as to his location over the telephone, as he is very afraid. [REDACTED] was advised to inform her husband if he has any information he desires to furnish to the FBI, he can contact any FBI Field Office, who will then arrange for an interview with him.

For information receiving offices, Inspector THOMAS E. BISHOP, SOG, on 4-24-68 advised he had received a telephone call from CARL STERN, Washington, D. C., NBC Office, who told him that a man [REDACTED], whom he had met on one occasion while covering a story in the South, had, on 4-24-68, telephoned him from someplace around Toledo, Ohio. [REDACTED] informed him he was en route to the home of his wife's parents in Lexington, Illinois. He then told STERN a "fantastic tale" about him, [REDACTED] overhearing a conversation on 3-29-68 in Lebanon, Tennessee, concerning the killing of MARTIN LUTHER KING. Apparently [REDACTED] was of the impression that the people involved in the conversation knew he had overheard them; and they had taken his license number. [REDACTED] believed there had been at least one shot fired at him since that time. [REDACTED] informed STERN he had vital information concerning KING's murder and called STERN for advice as to what he should do. STERN advised [REDACTED] to call the Springfield Office of the FBI and they would make arrangements to have someone meet him at his convenience in their territory. According to Mr. STERN, BISHOP stated that [REDACTED] is afraid to approach any office and may desire to have someone meet him at a location other than an office.

The files of the Springfield Office contain the following references to [REDACTED], however, it cannot be determined at this point whether or not they refer to [REDACTED] of Lexington, Illinois:

This is the case involving the murder of Martin Luther King, Jr.

Extensive investigation and coverage is continuing in Mexico with particular emphasis in areas where Ray has been known or alleged to have been in the past.

The Agent on the scene at Campeche, near the Yucatan Peninsula, reports that maximum cooperation is being received from both the Campeche State Judicial Police and the State Highway Police.

The City of Campeche has a population of more than 55,000 and there are seven other municipal areas in the state that comprise major population centers. The State of Campeche is slightly larger than West Virginia and has a population of 170,000.

The State police agencies in Campeche have a radio communications system covering each community in the State. They have made appropriate broadcasts and publicity has been obtained in various publications with additional publicity arranged for major editions over the weekend. Reliable Americans residing in the area are being specifically contacted.

All hotels, motels, barber shops, liquor stores, grocery stores, and houses of prostitution in the city of Campeche have been checked without developing any information concerning Ray's present whereabouts or his alleged stay in Campeche sometime in the 1950's.

[REDACTED] also known as [REDACTED], formerly an inmate with Ray at Missouri State Penitentiary, advised that Ray took pep pills and dis[REDACTED] western music. [REDACTED] stated Ray indicated a desire to go to New Orleans and spoke as if he had not been there before.

Memorandum to Mr. DeLoach  
RE: MURKIN

[REDACTED] also knew Ray at Missouri State Penitentiary. The informant said one [REDACTED] wanted Ray to beat up his girlfriend, [REDACTED] (phonetic), Doe Run, Missouri, when Ray got out of prison. This is being checked out.

It has previously been reported that the Postal Inspector at Los Angeles made available a letter and photograph Ray mailed through a correspondence club to Patricia K. Anderson in February, 1968.

Anderson has been located and advised she has no knowledge of the subject except for the letter and photograph she received and gave the Postal Inspector. She said she was not a member of the correspondence club and believes her name may have been obtained by the club from an old magazine subscription list. Efforts are continuing to identify and locate the other four girls Ray allegedly wrote through this club.

Local authorities now plan to seek a murder indictment against Ray by presenting the facts to a grand jury at Memphis on 5/7/68. The State Attorney General's Office has requested that a representative of the FBI testify before the grand jury and the Special Agent in Charge at Memphis will do so.

ACTION:

Extensive investigation is continuing throughout the field on a top priority basis to locate and apprehend Ray as quickly as possible.

MAP AND ONE OF THESE MATCHES THE LATENT FINGERPRINT ON THE ABANDONED WEAPON AND PAIR OF BINOCULARS. FOUR. IT WAS DETERMINED BY THE IDENTIFICATION DIVISION THAT THE LATENT FINGERPRINTS FOUND ON THE ABANDONED WEAPON, TELESCOPIC SIGHT MOUNTED ON ABANDONED WEAPON, PAIR OF BINOCULARS, FRONT PAGE OF MEMPHIS NEWSPAPER, "COMMERCIAL APPEAL," AFTER SHAVING LOTION, SCHLITZ BEER CAN AND THE TWO PRINTS LOCATED ON THE MAP OF MEXICO ARE IDENTICAL TO THOSE OF JAMES EARL RAY. FIVE. NO SIGNIFICANT DIFFERENCES WERE NOTED BETWEEN THE SAMPLES OF TAPE SUBMITTED BY HOME SERVICE LAUNDRY AND DRY CLEANING, LOS ANGELES, CALIFORNIA, AND THE LAUNDRY TARES APPEARING ON THE SHORTS AND T-SHIRT. SIX. THE HAIRS AND FIBERS FOUND IN THE MUSTANG BELONGING TO ERIC STARVO GALT ARE SIMILAR TO THE HAIRS AND FIBERS FOUND IN THE EVIDENCE RECOVERED NEAR SCENE OF CRIME.

YOU SHOULD SPECIFICALLY REFER TO THE LABORATORY REPORT IN WHICH FINDINGS OF THE LABORATORY ARE RECORDED FOR YOUR TESTIMONY. CONFINE YOUR TESTIMONY TO THOSE FACTS NECESSARY TO ESTABLISH BASIS FOR RETURNING THE INDICTMENT. YOU SHOULD INSURE THAT THE USA OR HIS REPRESENTATIVE IS AVAILABLE TO ADEQUATELY PROTECT THE GOVERNMENT'S INTEREST.

ARMED AND DANGEROUS.

NOTE:

The Memphis Police Department turned over the evidence they recovered near scene of the crime to our Memphis Office, and this evidence in turn was forwarded to our Laboratory for appropriate examination. The Memphis authorities previously obtained a murder indictment against subject under name of Eric Starvo Galt. The evidence as forwarded to our Laboratory and the findings thereof have been returned to the Memphis Police Department.

Memphis advises that it is the intention of the State Attorney General to present material and evidence to local grand jury on 5/7/68 and that plans call for a first degree murder warrant for subject in this case. Memphis points out that according to an officer of the Memphis Police Department the possibility exists that State Attorney General's office may desire a representative of the FBI to testify in connection with certain evidence because of extensive investigation conducted by the Bureau. State Attorney General felt it would add to the case if FBI representative present to testify as to the sale of weapon in Birmingham and that this weapon is identical with weapon recovered in Memphis.

SAC, Memphis is being granted authority to testify, if necessary, and guidelines being set out as to testimony he may offer. Memphis now advises that the State Attorney General's office stated that the testimony of FBI personnel may not be needed as the FBI Laboratory report may be used to cover items of evidence. This communication is being transmitted in the event testimony of SAC Jensen is needed.

This is the case involving the murder of Martin Luther King, Jr.

The Bureau has previously designated the Memphis Office as office of origin in this case. Attached for approval are instructions concerning the handling of reports based upon current developments and the need to further streamline our procedures.

Certain offices, which have conducted the bulk of investigation to date, are to submit results of their investigation in individual reports. Other divisions are to submit positive and pertinent information developed in form suitable for insertion in the over-all reports prepared by the Memphis Office.

Inasmuch as Legats do not submit investigative reports, they are being instructed to submit results of investigation which can be disseminated in letterhead memorandum form suitable for dissemination. Any administrative data which cannot be disseminated will be set forth in the administrative section of the transmittal communication.

ACTION:

Attached for approval is an airtel to all SACs and Legats setting forth instructions in line with the above.

Reference is made to the Director's notations, asking why the evidence in captioned case has not been returned to the Memphis Police.

This is my responsibility. I knew of the necessity to return this evidence as soon as logically possible; however, I also realized that the Director would not want the evidence returned only to have the Memphis Office obtain it once again and send it back for further comparison purposes with new evidence.

In compliance with the Director's instructions, the evidence was to be returned as soon as Laboratory examinations were completed. There has been a constant accumulation of evidence, making it imperative that the original items be retained briefly for comparison purposes. The true name of the subject was not known until Friday, 4/19/68.

There has been no request from the Memphis Police relative to the return of this evidence. To the contrary, the police feel that this is strictly an FBI case and have indicated this fact accordingly.

The evidence will be returned to the Memphis Police immediately. There will be no consultation with the Department.

**ACTION:**

To answer the Director's inquiry.

Dear Sir:

Seems as tho I should keep still about this, but something tells me I should write your office about the Killer of Dr King- I did phone your office yesterday about this, but feel I can express myself better in a letter --

On the Morning of April 10th, 1968 about 9 or 9:30 AM, I was standing in the door of the Texaco Station at the corner of Central Ave., and Beach Blvd waiting for the Mechanics there to Service my Car, In walks this real weird man, he walked as if in a trance looking expressionless, looked almost like a sphinx he looked straight ahead, had on a cap and asked for the Keys to the mens room, as I am a native of L A I can quickly pick any accent from another part of the country, he sounded like any native Californian or for that matter maybe the middle west, but definitely none other, than these two regions. He was well dressed as I said he had this cap on, a pull over Grey Shirt and lighter colored trousers, he was about 6 Ft tall - he had on boots which may have made him appear taller weighed about 175#, and seemed a well built man, but when I saw this character cold chills ran up my spine

and something told me to be very careful of this man, so I acted as if I paid no attention, he stayed in the mens room only a very short while, came out hung the keys exactly as they were, I mean very neat, and correct Then as he turned his back I watched him (He never drove his car into this station) it was pointed North of Beach Blvd., which is also Hiway #39- Now this car was something else-it didn't fit the man, the car was an old maybe 1952 or 1953 Chevy 2 Dr, which was in a bad way, he had a lot of trouble getting it to go but finally did and that was the last I saw of him, the License was Calif. ~~XXXXXX~~ - I gave this info. the next day, all they say is, they cannot trace the #, but they were still trying to do so, right before him on Hiway 39 North was La Habra Heights, I don't see how his car could have made it over thos Heights, I think then he must have turned East and headed out to Pomona and the Desert Country via the Diamond Bar Canyon Road, and is now around the Desert Country of Calif, Oh yes the man I saw had brown hair and blue eyes (which seemed almost closed) his hair of course was mostly hidden with that funny cap.

This is the case involving the murder of Martin Luther King, Jr., on 4/4/68.

SAC Robert Jensen of the Memphis Office has advised that he was contacted by Inspector N. E. Zachary of the Memphis Police Department. Memphis authorities have obtained a warrant for the arrest of Galt on a murder charge but are desirous of meeting with the FBI so that the matter can be presented to a local grand jury. Inspector Zachary advised that the Attorney General of the Memphis District, Phil Canale, is desirous of presenting the matter to a grand jury as soon as possible. Inspector Zachary has advised that perhaps Canale would be calling the Attorney General concerning this matter.

It is noted that the Memphis Police Department is aware of the items which were abandoned near the scene of the shooting in Memphis, Tennessee, on April 4, 1968. These articles had first been turned over to the Memphis Police and were made available to the FBI by Inspector Zachary. It has been publicly stated in the press that the FBI has traced the rifle to a gun shop in Birmingham, Alabama, and also that the telescopic sight which was mounted on the rifle had been purchased from the same dealer. The Memphis police are, of course, aware that the binoculars abandoned at the scene were purchased in Memphis, Tennessee.

It has also been publicly stated that Galt is the owner of a 1966 white Mustang which had been abandoned in Atlanta and was located on 4/11/68.

79 MAY 9 - 1968

Memorandum to Mr. DeLoach  
RE: MURKIN

Inspector Zachary and the Memphis Police Department have been most cooperative. They turned the original material over to us which they found abandoned at the scene of the crime. They could have retained this if they desired to; however, they did not. They turned it over to the FBI Office in Memphis. The Prosecutor has filed murder charges against Galt, which are presently outstanding.

ACTION TO BE TAKEN:

It is recommended the SAC at Memphis advise the Prosecutor of information which is contained in our press release. In the event he asks for a report in order to present the matter to a grand jury, he should be advised the FBI is presently conducting an all-out investigation in the matter and at the appropriate time will cooperate fully.

There were approximately 7500 driver's licenses issued for this period. SA [REDACTED] examined these records and after eliminating applications of the young people, old people, Negroes, females, etc., there were approximately 800 application forms which were then examined by SA [REDACTED]

On 5/1/68, NORMAN BUCHANAN, General Manager,  
Paw Paw Laundry, Paw Paw, Michigan, advised that prior to  
4/68, his company used the code similar to that contained  
on pillow case and bed sheet found in vehicle registered to  
GALT. He informed no yellow tapes were used in 1968, but had  
one orange tape issued with this code on 1/25/68 which came  
out of sub-station known as the Norge Cleaners, 1614 West  
Main Street, Kalamazoo, Michigan. BUCHANAN informed this  
was a bundle of six shirts belonging to one "GRIFFIN",  
Kalamazoo, Michigan.

Enclosed herewith is one handkerchief containing  
colored samples of tape with the printing of the machines  
utilized by the Paw Paw Laundry.

It is requested that the FBI Laboratory compare  
the printing found on the markings of sheet and pillow case  
with the samples appearing on the enclosure. In the event  
there is no direct comparison, the material may be destroyed.  
It is requested that the results be furnished to Detroit and  
Memphis.

Specimens received 5/8/68

K269 Three samples of laundry tape appearing on left portion of white handkerchief, obtained from Paw Paw Laundry, Paw Paw, Michigan

K270 Three samples of laundry tapes appearing on right portion of white handkerchief, obtained from Paw Paw Laundry, Paw Paw, Michigan

Result of examination:

It was concluded that the laundry tapes appearing on Q97 and Q99 were not prepared with the K269 machine while differences were noted between the tapes produced by the K270 machine and the laundry tapes on Q97 and Q99. These known specimens are not adequate for a comparison with the "02B-6" markings which appear on the tapes which were attached to Q69 and Q70.

Specimens K269 and K270 have been retained.

Enclosed herewith are 22 pages of handwriting as obtained from USP, Leavenworth, Kansas and one copy of a form dated 4/4/58, signed by JAMES EARL RAY obtained from the U.S. Probation Officer, Kansas City, Missouri.

The 22 pages of handwriting-handprinting are mostly that of the subject, however, some of the writing under the heading "disposition" maybe that of a supervisor or official.

The form obtained from the Probation Officer just bears the subject's signature and this is the only handwriting by the subject in the file of the U.S. Probation Office, Kansas City, Missouri.

All the above documents are to be returned to the Kansas City Office when they are of no further use to the FBI.

These samples are being forwarded to the Laboratory for comparison with other known handwriting specimens submitted in this matter.

FUG. SUP.

[REDACTED] Chattanooga, Tenn. this date advised SA [REDACTED] that he has been informed by a postal inspector in Birmingham, Alabama that a letter is in possession of the postal inspectors there addressed to ERIC S. GAULT, 2608 Highland Avenue, Birmingham, bearing a return address of Modern Photo Book Store, 166 Fifth Avenue, New York, New York 10010. It bears a metered postmark of 4/30/68. [REDACTED] telephonically contacted [REDACTED] Postal Inspector [REDACTED] New York, and informed him that he was instructing the postal inspector in Birmingham to forward this letter registered air mail to the attention of [REDACTED] and that [REDACTED] would hold the letter in the event agents wish to examine it before it was returned to the sender. [REDACTED] advised that since the letter was first class it could not be opened. [REDACTED] advised that the above information was being furnished on a highly confidential basis inasmuch as he has no authority to disclose this type of information to the FBI, and that any investigation which may be made as a result of this information must be conducted in such a manner that it cannot be attributed to its source. This information is being furnished for any investigation deemed advisable by New York."

The following investigation was conducted by SA [REDACTED] on 5/4/68 at New York:

The address 166 5th Avenue, NYC, is a mail operation for Modern Photo Bookstore, which company is actually located at 915 Broadway, NYC. Mr. SEYMOUR USLAN, President, advised that American Photo Bookstore is a division of American Photographic Book Publishing Company, Inc. (Amphoto), which is also located at the same address. The company specializes in supplying photography books.

NY 44-1609

[REDACTED] Order Department, Amphoto, searched her files and located a coupon clipped from Modern Photography Magazine, which coupon requested that book number 633 be sent to ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama. The coupon indicates that a money order in the amount of \$8.95 was enclosed. [REDACTED] stated that this coupon was presumably clipped from the September, 1967 issue of Modern Photography.

Book number 633 distributed by Modern Photo Bookstore, is titled, "Focal Encyclopedia of Photography". The book jacket for this book describes it as a one-volume photographic library. It consists of 2,000 entries written by 197 experts from 23 countries and covers every aspect of photography: photographic science, industrial photography, cinematography, portraiture, equipment, history, and current activities of workers in foreign countries.

[REDACTED] located a letter, which is set forth in full as follows:

"9-26-67

"Dear Sir:

"I recently order a Book from your store titled FOCAL ENCYCLOPEDIA-No. 633 for \$8.95.

"If you have not allready mailed the book (PLEASE DO NOT MAIL IT) I am moving and will shortly send you my correct address Thanks

"Eric S. Galt  
"2608 Highland Ave  
"Birmingham Alabama"

- 3 -

NY 44-1609

[REDACTED] stated that during a routine review of the company's files, it came upon the coupon and accompanying letter of ERIC S. GALT. The company did not believe that it had shipped the requested book to GALT prior to receiving his letter. As a follow-up the company wrote to GALT by letter dated 4/29/68, asking him what action he wished the company to take regarding the \$8.95. The letter is set forth in full as follows:

"April 29, 1968

"Mr. Eric S. Galt  
"2608 Highland Avenue  
"Birmingham, Alabama

"Dear Mr. Galt:

"In going through our records we note a request of yours stating your intention to move from the above address, and to please withhold sending the book you ordered (Focal Encyclopedia \$8.95) until further notice.

"Please advise us when you receive this letter as to what course of action you wish us to take so that we may clear our records. (Or have you already received the book?)

"Sincerely,

Latent fingerprints this case later identified as fingerprints of James Earl Ray, FBI #405942G, were searched all sections of single fingerprint file. In addition, Ray's fingerprints have been compared with latent prints in bank robbery section of National Unidentified Latent File and are being compared with latent prints in all current cases (both FBI and outside contributor cases). The comparison of latent prints in current cases with Ray's fingerprints will continue until his apprehension.

Atlanta's suggested lead to have all law enforcement agencies compare fingerprints of Ray against their unidentified latents is being considered and you will be separately advised.

This is the case involving the murder of Martin Luther King, Jr.

With respect to the evidence in this case obtained from the Memphis Police Department, SAC Jensen of our Memphis Office has advised that on the evening of the shooting, 4/4/68, and the morning of 4/5/68, he contacted Frank Holloman, Director of Fire and Police, and inquiry was made of the evidence collected. Holloman advised that all of the material he knew of was at that time in custody of Homicide Division, Inspector N. E. Zachary. He was told that the SAC would take possession of the evidence collected and would prepare it for submission to the FBI Laboratory immediately. No discussion was had with Holloman as to whether or not the FBI Laboratory report would be furnished to him and no request was made by him on arrival at the Homicide Division where the pertinent material had been maintained in a small room off the Homicide Squad rooms under custody of Inspector Zachary. Much of the material had not been identified as two of the officers had secured the pertinent material and arrangements were immediately made with Inspector Zachary to secure the names of the officers who could identify the evidence. Officers properly identified evidence.

The major part of the evidence was submitted by Inspector Zachary who had personally brought it to the police department, however, other miscellaneous items had been secured by individual officers. SAC Jensen advised Inspector Zachary that he would take custody of the material and insure that it was submitted to the FBI Laboratory immediately for appropriate and necessary examination. Inspector Zachary was advised that if he desired a police officer to accompany the Agent this could be arranged, and Inspector Zachary stated he did not feel it was necessary.

Memorandum to Mr. DeLoach:  
RE: MURKIN

The Memphis Police Department has not asked for the return of the evidence in this case. SAC Jensen, shortly after Mr. DeLoach's trip to Memphis on April 5, 1968, expressed to DeLoach the fact that the Police Department might soon begin wondering whether they would receive a report. DeLoach later mentioned this thought on Jensen's part in conversation with the Director. Both SAC Jensen and Inspector Joe Sullivan have indicated that there has been no request whatsoever on the part of the Memphis Police Department for this evidence to be returned.

Inspector Zachary, Memphis Police Department, has expressed the opinion that ultimately the case would have to be tried as a murder case in local courts. The First Assistant State Attorney General, Robert Dwyer, has indicated an interest in the evidence but has not made any request for its return.

The evidence has been maintained in the FBI Laboratory in view of the exhaustive and intensive investigation being conducted by the FBI and principally because evidence continues to be accumulated as we develop additional information on the background, prior movements and activities of the subject. Retention of the evidence has been particularly important from the standpoint that many of the items contained latent fingerprint impressions. It was, of course, necessary that these impressions be compared with previously obtained material.

OBSERVATIONS:

The individual known as Eric Starvo Galt has now been identified as James Earl Ray, a Bureau fugitive. This important identification, of course, places the case in a different light. We, therefore, now feel that it is not necessary to retain the evidence, which has been already fully examined, and recommend that the evidence recovered by the Memphis Police Department be returned to that agency at this time. It is suggested, however, that the Department be consulted prior to this action being taken.

NEWSPAPER MAT

Being forwarded under separate cover is a supply of newspaper mats and proofs for expeditious distribution to all cooperative daily and weekly newspapers in your territory. Additional publications such as shoppers' guides should not be overlooked in obtaining the greatest possible publicity regarding this fugitive.

In most cases, these mats and proofs may be distributed by mail but when circumstances warrant they may be personally delivered by Special Agents. A form letter over the signature of the Special Agent in Charge may be utilized in distributing this material by mail and this letter should point out that the FBI is requesting the aid of the Nation's press in bringing about the prompt apprehension of this badly sought fugitive.

As an additional means of securing widespread publicity concerning Ray, offices covering the place of publication of magazines which have previously cooperated in publicizing FBI fugitives should request the assistance of such publications in carrying an article on captioned fugitive. The Bureau press release, copies of which are available in each office along with a glossy photograph of this fugitive, can be furnished. The earliest possible utilization of this material should be encouraged and special attention should be given to publications aimed at minority groups.

Re Bureau airtel to Los Angeles, 4/24/68, re [REDACTED]  
COMPLAINANT.

On 4/29/68, [REDACTED] was telephonically contacted per her request to arrange an appointment for interview. She stated she was too busy to see an agent during the week of 4/29 - 5/3/68 since she went to Berkeley every Thursday and Friday [REDACTED]

She stated she had to take care of her family and house and had no spare time. She said that after she wrote her letter to Attorney General RAMSEY CLERK concerning the assassination of MARTIN LUTHER KING, JR., she had second thoughts and believed her theory that individuals who subscribe to the "Tuskegee Tribune" might have something to do with KING's assassination, was a far-fetched idea.

[REDACTED] sounded nervous and harassed when talking to agent but stated she would try to find time to mail in a list of subscribers to the "Tuskegee Tribune", marking the names of those she believed to be white people, in the event the Bureau desired to check them out as possible suspects.

[REDACTED] suggested an agent contact her again on 5/6/68 to determine if she had the list prepared.

Los Angeles will contact [REDACTED] on 5/6/68.

K207 Laundry list No. 3065, containing one sample laundry tape obtained from Home Service Laundry and Dry Cleaners, Los Angeles, California

ALSO SUBMITTED: Spiral notebook, ledger sheets, tablet and University Notebook all containing laundry records

Result of examination:

The K207 laundry tape is similar to the Q69 and Q70 laundry tapes in color, construction and composition. The K207 tape measures 1/4 inch by 1 1/8 inches. The Q69 and Q70 tapes measure 1/4 inch by 1 1/16 inches.

The size of type and printing characteristics of K207 are similar to those on Q69, Q70 and K10 indicating that all may have been prepared by the same machine. The lack of significant identifying features precluded a definite conclusion from being reached.

During April his days off were Wednesday and Thursday, although [REDACTED] could not be sure that [REDACTED] took his days off since employees sometimes work on their day off or trade the day off with other employees for personal reasons.

[REDACTED] was interviewed at [REDACTED] Burien, Washington, on 5/2/68. He stated he has been in Seattle continuously since early March, 1968 with the exception of a few short trips to the nearby rural areas for fishing. [REDACTED] advised that while employed at the [REDACTED] Chicago, Illinois, in 1966, he had occasion to fire a Negro girl under his supervision. Shortly thereafter a series of what he described as retaliatory measures took place, among them a personal assault on [REDACTED] accompanied by the theft of his automobile and threats to his family. When his automobile was recovered, it was found to have sugar in the gas tank and other damage which appeared to have been deliberately caused.

[REDACTED] stated that shortly after the above incidents, two detectives from the Damon Avenue Station of the Chicago Police Department approached him at his home and furnished him with information re [REDACTED] such as I that set forth in re Chicago tel. He advised the detectives at that time that he believed this to be another retaliatory measure by members of the "Deacons For Defense", a Negro organization whom [REDACTED] believes is responsible for the attacks on his person and property in retaliation for his firing of the Negro girl, above. He felt at that time that this matter had been settled to the satisfaction of the Chicago Police. [REDACTED] stated that his supervisor at that time was one [REDACTED] (PH) whom he claimed would verify the above information. He stated that [REDACTED] would also be in a position to furnish information regarding a bomb threat which was received at [REDACTED] around the same time as the above incidents and which [REDACTED] believes probably was connected with the Deacons for Defense.

[REDACTED] advised he was born [REDACTED] at [REDACTED], and currently resides at [REDACTED] Seattle, Washington. He operates a 1962 Oldsmobile. [REDACTED]

On May 2, 1968, [REDACTED] the Bush Hotel, Seattle,

advised that he met [REDACTED] in Denver, Colorado, in early March, 1968. They came to Seattle together and lived, until recently, together at the Bush Hotel. [REDACTED] stated that, to the best of his knowledge, [REDACTED] has been in Seattle continuously since they arrived. He stated that he also worked at [REDACTED] with [REDACTED] and knows that [REDACTED] was also continuously employed at that store since March, 1968. [REDACTED] specifically recalled telling [REDACTED] during the early part of April, 1968, of the assassination of MARTIN LUTHER KING, JR., and pointed out that [REDACTED] was the first one to mention this to [REDACTED]. He recalled that this was either during the afternoon or early evening on the day KING was shot.

In view of the above, UAC, no further investigation is being conducted regarding [REDACTED] at Seattle.

CAVE INSURING DR. KING SUSPECT  
DOESN'T FOLLOW JESSE JAMES EXAMPLE

Pictures of James Earl Ray, suspect in the killing of the Rev. Dr. Martin Luther King, Jr., has gone up all over Meramec Caverns, on U.S. 66, Stanton, Missouri.

The cave wants to prevent Ray, who once escaped from the Missouri State Prison, from getting an idea to emulate another much wanted Missouri criminal, Jesse James, who used the cave as a hide-out during the 1870's.

Life-size posters of the much-sought after Ray is on display throughout the five-story cave.

For many years, through the cooperation of J. Edgar Hoover, director of the Federal Bureau of Investigation, the cave has been posting pictures of the FBI's "10 Most Wanted Men," in case any of them got any ideas from Jesse James. However, this is the first time that a wanted man's picture has been posted all around the underground emporium, according to Lester B. Dill, cave director.

Special Agent in Charge

79 MAY 14 1968

[REDACTED], commonly known as [REDACTED] was interviewed at his apartment, [REDACTED] San Leandro, California. After proper identification, he was advised that investigation was being conducted by the Federal Bureau of Investigation concerning a violation of Federal Law in connection with the murder of Dr. MARTIN LUTHER KING. Further, that an allegation had been received that [REDACTED] might have information pertinent to this matter on the basis of remarks [REDACTED] is reported to have made concerning such matters in the presence of others.

[REDACTED] advised that he has no information concerning the murder, and except for his personal opinion as to who might be responsible, has no specific information concerning the murder. He said he had absolutely no objection to discussion of the matter.

[REDACTED] advised that he is extremely active in the political field at the present time and in the recent past. He is a member of [REDACTED] the American Independent Party (AIP) in California, and particularly in behalf of the candidacy of former Governor GEORGE WALLACE of Alabama for President. He stated that most persons not familiar with the AIP program and objectives, seem to assume that those favoring AIP are what is sometimes termed "negro-baiters." He denied that this is true, and said that from the view point of promoting the AIP, the murder of Dr. KING under such circumstances was a set back to the AIP who might have favored their principles.

He said that no one knowledgeable in affairs of the AIP would have caused or participated in a situation or action such as this in that it would be certain to make a "Martyr" of Dr. KING, which would hurt the AIP.

However, since persons generally seem to associate AIP members with "negro-baiters," he is frequently "kidded" along such lines by certain persons with whom he regularly comes into contact.

He said that in recent months he has regularly frequented the Blue Dolphin, a San Leandro restaurant, and in fact assisted in arranging a couple of luncheons there in honor of WALLACE. Therefore, he has become acquainted with the owner of the Blue Dolphin, BILL PELUSO, and with many of the employees, including the bartenders.

When he goes to the cafe, he frequently goes to the bar and the bartenders frequently "kid" him concerning some current event involving Negroes or the AIP. This has been going on for several months, and everything said has been in jest.

However, he speculated that some person hearing such conversation might misinterpret the conversation, and draw a conclusion which would not be warranted.

In connection with Dr. KING's murder, he recalls such a conversation in the bar of the Blue Dolphin either the same night Dr. KING was killed, or possibly the evening after that.

As he recalled he had been driving on the Nimitz Freeway in Oakland, about 5:00 pm the night of the murder, April 4, 1968, when he first heard the announcement on the car radio.

When next visiting the Blue Dolphin, he recalled one of the employees greeting him with the comment "Well, I see you got him," or some similar comment. He believed he replied that "It wasn't me."

The next comment dealt with "How did you get back from Memphis so soon?"

As he recalled, he made some facetious remark such as "There's planes leaving every hour."

He again stated that the above conversation was strictly in the nature of "kidding," and except for the actual specific subject matter, was very similar to other comments made at the same place on numerous occasions.

He believed that these comments could have been misconstrued by someone who heard them, if the listener did not understand the circumstances or attached some literal interpretation to the remarks.

██████████ said that he had no objection to furnishing his whereabouts on March 29,30, 1968 and April 4, 1968, and to furnishing independent substantiation if he could.

Relative to the date April 4, 1968, ██████████ said that he could definitely establish his whereabouts on that date. He stated that he left the Bay Area in his own car sometime between 7:00 and 9:00 am, drove to Berkeley, California, where he picked up a real estate dealer named ██████████ telephone ██████████. They then proceeded to Oroville, California, to look at some real estate which they were considering for investment purposes.

He recalled that they visited a savings and loan association in Oroville, but does not recall the name of it, although ██████████ would probably know. To the best of his recollection, they returned to the Bay Area about 5:00 pm. He dropped ██████████ off at his car in Berkeley, and proceeded out the Nimitz Freeway toward San Leandro. It was at this time that he first heard of the killing of Dr. KING on his car radio.

In further support of his whereabouts, ██████████ said that when in San Leandro he frequently charges his gasoline at a Douglas Service Station on Marina Blvd. When traveling, he pays cash. He does not use a credit card. Whether charged to his account, or when paying cash, he usually obtains a purchase ticket. He throws these tickets in the glove compartment of his Cadillac where they are available if needed for his business records.

He located in his glove compartment the following charge tickets which he said recorded purchases at Douglas Service Station, Marina Blvd., San Leandro, both dated April 4, 1968:

Ticket #B 036026 dated 4/4/68 recording purchase of \$5.00 of gasoline.

Ticket #B 36186 recording purchase of \$4.55 of gasoline.

██████████ said that undoubtedly he had put gas in the car in the morning when leaving for Oroville, and had put in gas upon his return that evening.

A search of the available tickets failed to record any purchase of gasoline in the Oroville area, although [REDACTED] believed they must have purchased gasoline. He does not recall, but thought that perhaps [REDACTED] had paid for some gasoline in the area.

Relative to his whereabouts on March 29, 30, 1968, [REDACTED] said that he does not recall specifically where he was. He stated that he tries to go to his home in Southern California every other weekend to visit his wife and 2 1/2 year old son. By consulting a calendar, he determined that this would have been the weekend when he normally visited his wife.

When he makes this trip, he normally leaves on Saturday morning, which in this instance would have been March 30, 1968. He sometimes drives and sometimes flies via Air California from Oakland, California Airport to Orange County Airport.

He searched his available gasoline tickets and could locate no record of purchases on March 29 or 30, 1968. This indicated to him that if he had visited his home in Southern California that weekend he had probably gone by air.

[REDACTED] was asked if he could establish his whereabouts on March 29 & 30, 1968 through other records. He said that his business records probably would not show such information, with the exception of his appointment book, which might give him a clue as to where he had been. He contacted his secretary and ascertained there were no notations in his appointment book for those dates.

He said that he has discontinued the use of a checking account due to several civil suits having been filed against him, so he could not establish his whereabouts by cancelled checks.

He does not use credit cards, whether for gasoline or airline travel. He examined numerous airline ticket folders which he found in his apartment. He said he makes no particular effort to save these. He found some undated and none for the pertinent dates. There were no copies of tickets.

[REDACTED] advised that he makes numerous long distance telephone calls, business, personal and political in nature. He makes them from his business phone, [REDACTED], and from the phone in his apartment, [REDACTED]

He said his telephone bill for the period contains record of numerous long distance telephone calls which could definitely establish that he was in San Leandro on March 29, 1968 and probably on March 30, 1968. He furnished the following concerning these records:

March 29, 1968

- 10:13 am Telephone call to [REDACTED], Anaheim, California where he talked to an ex-business associate [REDACTED]
- 4:34 pm Telephone call to [REDACTED], Fullerton, California, where he talked to [REDACTED], brother of above [REDACTED]
- 3:49 pm Telephone call to [REDACTED], where he talked to Mr. MAYALL, State Chairman of the Committee directing AIP campaign in California. He believes this telephone number is no longer in use, but Mr. MAYALL can be reached through [REDACTED] in Bakersfield, which [REDACTED] believes is the home telephone of [REDACTED]

Collect telephone call, person to person, received by him from [REDACTED] who was calling from telephone [REDACTED] in Oroville, California. [REDACTED] does not have a telephone, so location of above phone is unknown to him. [REDACTED] can be located through the [REDACTED] in Oroville.

March 30, 1968

His telephone records reflect that at 12:11 pm, a call was placed from his office to [REDACTED], Roseville, California. He noted that this is the telephone number of his employee, [REDACTED] who works in San Leandro but returns to his home in Roseville on Friday evening for the weekend.

[REDACTED] does not specifically recall making this call, and in reality it could have been made by any company employee. However, he sometimes handles Saturday business at the office so [REDACTED] can go home on Friday, and it is most likely that he is the one who made the call.

Since this is the last recorded call on Saturday, March 30, 1968, and since he is quite certain he visited his wife in Southern California on that weekend, he feels that shortly after this call he went to the Oakland Airport and got a flight to Orange County Airport.

He said he would have flown Air California Air Lines and since they make their reservations by name, this line should have a record of his having made such a trip.

He also volunteered information on a trip he had made back East. He said his mother-in-law [REDACTED] Johnson City, Tennessee, died about two to three weeks prior to March 1, 1968. His wife had naturally gone back for the funeral. His wife remained there for two or three weeks after the funeral to clear up details of the death and the estate.

[REDACTED] said that he desired to visit his wife's relatives and to bring his wife back to California. He decided to drive his car back to Johnson City, and because of his interest in activities of the AIP, he decided to stop and confer with leaders of that party in Montgomery, Alabama.

He said that en route to Johnson City, he stopped in Montgomery on the night of February 27, 1968, at which time he stayed at the Holiday Inn, Midtown. Next day he drove to Johnson City, where he stayed a few days at [REDACTED].

On March 3, 1968, accompanied by his wife and small son, he was again in Montgomery en route to California. At this time, he stayed at the Town House Motel.

He next has record of a cash receipt from Cotton's Truck Stop, Las Cruces, New Mexico on March 5, 1968, which he said was for the purchase of gasoline on his return trip to California.

SF 173-65  
WH:ay

[REDACTED] advised that he was born [REDACTED]. He has been in California most of the time since 1945. He attended high school at Golden Gate Academy, which was at that time in Berkeley, California, but which moved to some hill area near Oakland. He is not sure it is still in operation. He graduated in 1947.

During the school year 1950-51 he attended La Sierra College in Riverside, California.

From 1951 to 1953 he was in the U.S. Marine Corps under MSN [REDACTED]. Since 1953, he has worked as a salesman, principally in California, but actually traveling in numerous states.

He is married and his wife lives in Southern California. He said he is reluctant to furnish her specific address because he feels that reprisals against his wife and child are very possible because of his political activities in behalf of AIP should her address become generally known.

He said that he established a business in Sacramento, California in July, 1967, known as [REDACTED].

He came to San Leandro in December, 1967, and established his present business known as [REDACTED].

He is active in experimenting with gold dredging combined with skin diving, and spends some weekends in the Sierra stream areas searching for gold, or conducting experiments along those lines.

He also had interest in speculative investment in businesses in the Oroville area, which are in a depressed state due to departure of the workmen engaged in building the now completed Oroville Dam. He believed such property could be purchased cheaply and held until business picks up, insuring an excellent profit. He has abandoned this idea, at least temporarily.

Specimens received 4/30/68

Q300 Envelope postmarked "LOS ANGELES CALIF. 4A PM APR 22 1968" bearing typewritten address "Editor, Citizens News, 1545 N. Wilcox, Hollywood, Calif. 90028" and return address "James E. Ray, Far Away"

Q301 Accompanying clipping captioned "88 Days in a Red Prison" which appears to have been smeared with a fecal material and bears on the reverse side typewriting beginning "The Citizens News has. . ."

Result of examination:

It was determined that the typewriting on Q300 and Q301 is not identical to typewriting on material previously submitted in this case attributable to Eric S. Galt.

Q300 and Q301 were searched in the Anonymous Letter File without effecting an identification. Copies have been added to this file for future reference. The typewriting on these specimens most closely resembles Corona pica style of type spaced ten to the inch. The submitted material was examined for watermarks and indented writing with negative results.

Q300 and Q301 have been photographed and are being returned to Los Angeles separately.

Re El Paso airtel to Director 4/30/68.

Telephone Call 12/15/67 to Britton, Oklahoma, Phone  
Number [REDACTED]

Above telephone number is listed to Market Produce Distributors, 801 W. Wilshire, Oklahoma City, Oklahoma, a Division of Allied Supermarkets, Inc.

On 5/2/68 DUANE SAXON, Manager, Produce Division, Allied Supermarkets, Inc., advised SA [REDACTED] there are no records available which would specifically identify the receipt of a phone call to this company on 12/15/67 from the Pecos, Texas, area. He advised that truck drivers hauling produce for the company will generally call the produce division one or two days before arriving and he would assume that the call from the Pecos area was from a truck driver. He advised that a check of his records revealed the company received a load of tomatoes from the Nogales, Arizona, area on 12/18/67. The records indicate the load was a split load, where part of the load was delivered to Dallas, Texas. From these circumstances, Mr. SAXON feels certain the telephone call would have been a check call from the trucker advising the company of the expected date of arrival of the load of tomatoes in Oklahoma City.

Telephone call 12/17/67 to Ponca City, Oklahoma,  
Phone Number [REDACTED]

The following investigation was conducted by SA [REDACTED]

At Ponca City, Oklahoma

It was determined that telephone number [REDACTED] is listed to EARL FISHER, present address [REDACTED] Ponca City, Oklahoma.

Mr. and Mrs. EARL FISHER, [REDACTED], on 5/2/68 advised they have had that number for over a year, and that the photographs and description of Subject are totally unfamiliar to them.. They are a retired farmer and wife, and at first advised they could recall no telephone call from Southwest Texas received in December, 1967. After discussion, they recalled that in December, 1967, their daughter MELBA and her husband JIM WHEELER were staying with them in Ponca City and that JIM had been driving a construction job dump truck in Southwest Texas near El Paso for JACK MC CUNE, who owns two such trucks used on contract work. WHEELER had returned to Ponca City, and had been called shortly before Christmas, 1967, by MC CUNE from somewhere in Southwest Texas to tell him his pay check was being mailed to him, and possibly to be asked by MC CUNE to return to work for him. MC CUNE, who had previously been working around Ponca City, also had a check coming to him in care of the FISHER's address, [REDACTED] thought, which he wanted forwarded.

Mr. and Mrs. FISHER advised MELBA and JIM are presently residing at [REDACTED] Lockwood, Missouri, but that JIM WHEELER is now driving an over-the-road truck for [REDACTED] Joplin, Missouri, and the last they heard a few days ago, he was in Portland, Oregon, en route from there to New Jersey.

They are unable to recall the exact location in Southwest Texas where MC CUNE was, and possibly still is, located, as JIM WHEELER stayed there with MC CUNE only a few days after helping him move his trucks there, [REDACTED]

[REDACTED] Mr. and Mrs. FISHER advised MC CUNE is about 50 years of age, bald headed, was originally from Fairfax, Oklahoma, and has a married sister, name unknown, living in Ponca City.

HOLT CHEW  
MARTIN LUTHER KING - VICTIM  
CIVIL RIGHTS

Records of the Denver Police Department, Bureau of Identification and Records, Denver, Colorado, reveal that [REDACTED] Denver Police Department Number [REDACTED], was placed on probation [REDACTED] after conviction for shooting [REDACTED] a Negro [REDACTED]

On April 29, 1968 and April 30, 1968, [REDACTED] was interviewed by Special Agents of the FBI. He was asked if he recalled he made a telephone call to the office of Martin Luther King in Atlanta, Georgia on December 13, 1965. He reflected for a few moments and then said he was not about to lie about the situation, especially to the FBI. He said that he has no love for Martin Luther King and is glad he is dead. He stated King was not the non-violent civil rights leader he claimed to be. Wherever he went, violence followed and he was responsible for 37 deaths in the United States. He added that, as a personal matter, King was directly responsible for the destruction of the business career of one of his sons, [REDACTED] of Saint Augustine, Florida. He estimated his son's financial loss at \$400,000.00.

[REDACTED] stated that his son was [REDACTED] in Saint Augustine, Florida a few years ago when King and his followers came down to Florida and started efforts to integrate the industry. His son was [REDACTED] in Saint Augustine at the time. [REDACTED] was taken into Federal Court by these people for refusing to integrate his establishment and as the result of an unfavorable court decision, he ended up resigning [REDACTED] and selling [REDACTED] at a

severe loss. [REDACTED] said that there was considerable newspaper publicity over the matter at the time.

[REDACTED] placed King in the same category as Stokely Carmichael and H. Rap Brown and stated frankly that he hoped the same fate befalls the latter two. He made the statement that he is not against the Negro race; that he was born in Georgia, brought up with Negroes and hunted and fished with them. He made it clear that he is against some individual Negroes like Carmichael and Brown, who advocate violence and have no regard for property rights, but is not against all Negroes.

Having made these points, he returned to the original question and stated that he had no recollection of the telephone call and admitted that the reason could be that he could have been drinking at the time the call was made. He volunteered that at that time in his life he was a "bad drinker". He emphasized that he had no doubt that he made the call, if interviewing Agents said he did, but that he could not recall it. He stated that he was certain, whether or not he had been drinking, that he would not have made a threat over the telephone since he knows such a threat could lead to trouble for him. He said if he had had any intention of doing anything concerning King, he would not have used the telephone, he would have taken direct action.

[REDACTED] advised that he is certain that no one "put him up" to making the telephone call, and it was not an action involving anyone other than himself. He was shown photographs of James Earl Ray, the man being sought in connection with the assassination of Martin Luther King, but disclaimed any knowledge whatsoever of Ray.

He constantly referred to King, Carmichael and Brown using expletives in an effort to show his intense dislike for these men.

He stated that he was in Denver on April 4, 1968 and April 5, 1968 and left the city by Eastern Airlines for Augusta, Georgia on April 6, 1968 where he is promoting business interests in the food industry, whereby he hopes to set up his son [REDACTED] in business. He was unwilling to further identify his business interests. He stated his son [REDACTED] is

HOLT CHEW

presently [REDACTED] in Sylvania, Georgia and drove up from there to meet him in Augusta the first part of the week of April 7, 1968. Both he and his son then drove to Sylvania and on to St. Augustine, Florida where they were met on April 12, 1968 by [REDACTED] and a younger son, who had just returned from military service in Korea. He said his wife and younger son flew from Denver. Thereafter, he and his family vacationed in Florida until he, his wife and younger son returned to Denver on April 29, 1968 in a new car he purchased in Florida.

He specifically stated that he had nothing to do with King's death and said that he knew of no conspiracy relating to it. He stated that he saw King's funeral on television and the way it was conducted it looked to him like it had been planned for 20 years.

He volunteered to the interviewing Agents that he has every intention of protecting his apartment house property in Denver, Colorado with as much force as is necessary if anyone attempts to cause damage or loot it. He stated that he was angry at the leaders of this country for putting up with rioting, looting and the like. He thinks that the Attorney General is "very weak" and used more expletives to emphasize his point. He stated that he is "all for" law and order, but would like to see law enforcement empowered to act. He also stated that he was angry because the National Association For The Advancement of Colored People were able to close businesses throughout the country after King's death when very few businesses closed after President Kennedy's assassination; and he is convinced that threats were used to accomplish the closing of businesses in Denver, as he was so informed before he left on his trip.

It should be noted that a source who has furnished reliable information in the past, advised on January 21, 1966 that [REDACTED] is a highly irascible and unpredictable individual, an alcoholic and possibly a user of narcotics.

[REDACTED] on April 30, 1968 advised that her husband left Denver on April 6, 1968 for Augusta,

HOLT CHEW

Georgia via Eastern Airlines and that she and a younger son traveled to Florida to meet him on April 12, 1968 via United, Eastern and Delta airlines.

Records of the Retail Credit Men's Association, Denver, Colorado revealed on April 30, 1968 that [REDACTED] was born [REDACTED] at [REDACTED]. He attended school there and came to Denver in 1932. He served in the United States Army during World War II and has been owner and operator of [REDACTED] for many years. His wife's name is [REDACTED] and he has four children. He has been on record with the credit bureau since February, 1937 and has maintained a satisfactory credit rating.

[REDACTED] is described as follows:

[REDACTED] in interviews on 4/29-30/68, admitted he was glad Martin Luther King was dead. [REDACTED] holds King responsible for an alleged \$400,000 loss suffered by [REDACTED] son, [REDACTED], as a result of efforts of King and his followers to integrate [REDACTED] in Florida. In December, 1965, [REDACTED] called King's office and warned an assistant that King should be careful as someone was going to assassinate him. [REDACTED] denies knowing suspect James Earl Ray and declared he knew of no conspiracy relating to it. [REDACTED] flew from Denver to Augusta, Georgia, on 4/6/68. Suspect James Earl Ray was last known to have been in Atlanta, Georgia, on 4/5/68. Denver has requested [REDACTED] to determine if he is possibly implicated in this case.

CIVIL RIGHTS  
(OO:ME)

On 4/26/68, Colonel ROBERT C. HUTCHINSON, JR., Florida Southern College, ROTC, Lakeland, Florida, telephonically advised he had read article in "The Army Times" concerning JAMES EARL RAY, wherein there was statement to the effect that the solution to RAY's whereabouts may rest with Army. The article went on to relate, RAY's military career, and solicitating information from anyone who might know him.

Colonel HUTCHINSON stated his Sergeant Major, EUGENE E. F. BRITTI was stationed with 16th Infantry Regiment and had roster of personnel which included RAY's name.

Sergeant Major BRITTI was contacted at Florida Southern, whereby he furnished a xeroxed copy of the Company "B" roster, which included RAY's name. BRITTI said RAY was attached to the 1st Battalion, 16th Infantry Regiment, and that the Roster in his, BRITTI's possession was compiled on 7/7/48.

BRITTI stated the original 16th Infantry was headquartered in Austria with Battalions spread all over Europe. BRITTI and 13 others were sent from Austria to Frankfurt, Germany to reorganize the 16th. The reorganized group was formed from other units being deactivated or from excess personnel which other units no longer needed.

Sergeant BRITTI said that the Regiment moved from Frankfurt to Grafenwohr, Germany and was actually there, in 7/7/48, when the roster was made up. He said after the roster was made up the group was known as the 7892 Infantry Regiment, although it remained the 16th.

The Sergeant said when RAY was discharged in 12/48, his Battalion was stationed in Furth, Germany at the Montieth Barracks. He said they were sent there from Grapenwohr in the fall of 1948.

Two copies of roster of Company "B" are enclosed for Bureau. Two copies each are enclosed for Memphis and Kansas City for possible investigative lead purposes. It is believed that if leads presently outstanding do not produce RAY, the Bureau and OO may desire to have locale of the men on the roster be determined from Army sources and these men contacted.

NOTE:

Tampa advised that a Colonel read an article in the "Army Times" concerning subject Ray wherein a statement was made to the effect that the source of Ray's whereabouts may rest with the Army. The article related about Ray's military career and solicited information from anyone who might know him. A roster was furnished of Company "B" which included Ray's name, roster being of men who were in the same outfit as Ray during Ray's military service.

Tampa transmitted this information for possible lead purposes. It is felt that due to the extensive investigation at this time in other areas, and in view of the fact that Ray was in the military service 20 years ago, the people on the roster should not be interviewed *now*.

Please forgive me for bothering you--this may be just what you are looking for--and old man, who has second sight, told me that the man, who killed Dr. King, is still in Memphis, Tenn. and is within three blocks of the place where Dr. King was killed. Also the man's name is [REDACTED] and that he has a slight limp in his right leg. The man is dangerous because he is really a coward and would snoot one in the back.

I would write to Memphis but I do believe they would not be too interested in finding the man. The discription of the man is correct--all but not having a limp.

Wishing you luck-I am --

SUBJECT: MURKINLATENT PRINT ON COUPON IDENTICAL JAMES EARL RAY *McGowan*

*C* An undated coupon from the Modern Photo Bookstore bearing the name and address "Eric S. Galt, 2608 Highland Avenue, Birmingham, Alabama," and a letter dated 9/26/67 signed "Eric S. Galt" were received from the New York Office for examination. *Lat*

A latent fingerprint developed on the coupon has been identified as the left thumb print of James Earl Ray, FBI #405942G. The coupon, presumably clipped from the September, 1967 issue of Modern Photography, was sent to the Modern Photo Bookstore, 166 5th Avenue, New York, New York, to order book #633, and was accompanied by a money order in the amount of \$8.95. This coupon was followed later by the letter dated 9/26/67, in which Galt said in part, "If you have not allready mailed the book (PLEASE DO NOT MAIL IT) I am moving and will shortly send you my correct address." No latent impressions were developed on the letter.

General Investigative, New York, Memphis, Birmingham, and Knoxville Divisions have been advised.

Laboratory reporting separate.

[REDACTED] Birmingham, Alabama, telephonically contacted the office this date and stated that he was a [REDACTED] "strict segregationist."

He said he saw the photograph of the man who allegedly murdered MARTIN LUTHER KING, Jr., flashed on the TV at the end of the FBI Program last night and felt compelled to express his opinion. He said that he does not condone murder; however, he believed the FBI has become very "political" and he does not believe it is a good thing for the FBI or the country. He said he does not know if Mr. HOOVER is responsible for this; however, he recalls that Mr. HOOVER described Dr. KING as a liar a few years ago and never retracted his statement. He suspects The President, the Attorney General, and Mr. ARTHUR J. GOLDBERG as responsible for this political turn by the FBI.

[REDACTED] was advised that the killing of Dr. KING was a violation of the Civil Rights Act and that the FBI has investigative jurisdiction in these matters. It was clearly pointed out to him that this case, like all other cases within our jurisdiction, would be investigated vigorously and without apology to anyone.

The above furnished for Bureau's information.

This is the case involving the murder of  
Martin Luther King, Jr.

With respect to the Director's inquiry, the Identification Orders (IO) on subject James Earl Ray have been distributed to countries extensively spread throughout the world.

The IO's on Ray have been furnished to our twelve Legal Attache Offices which cover in excess of 50 countries directly. In order to effect even further coverage in countries not within the orbit covered by our Legal Attaches, we have had the IO on Ray distributed to a large number of countries which come under the International Exchange Fingerprint Program.

In addition to the distribution of our IO on Ray in Canada by our Legal Attache in Ottawa, arrangements are being made by the Legal Attache with the Royal Canadian Mounted Police (RCMP) for additional distribution of the IO which has been translated into French as well as English by the RCMP.

The IO's have been distributed to our Legal Attache in Mexico City which office also covers a number of Central American cities. In addition to the IO's distribution handled directly by the Legal Attache in Mexico City, the Bureau has sent IO's directly to 46 other Mexican law enforcement recipients maintained on a mailing list for that as well as other purposes. In addition to this, our border offices arrange for distribution of the IO's in Mexican states located along the border.

Similar distribution has been made of the Wanted Flyers prepared in this case which have also been prepared in the Spanish language.

Memo Rosen to DeLoach  
RE: MURKIN

With reference to unsubstantiated reports that Ray may have fled to New Zealand or Australia, we have been able to refer the appropriate authorities to our Identification Orders on Ray which have been distributed to law enforcement agencies in those countries for their assistance in effecting identification or nonidentification of any suspects they may develop.

[REDACTED] Legal Attache, Mexico City, today advised that in addition to the above, it is noted that in addition to the distribution that has taken place in Mexico, the Legat is through his sources distributing separate photographs of the subject and in all places where leads are of current interest in Mexico additional distribution of the subject's photograph and description is being made. This in effect will assure that we are flooding any areas of immediate interest with thorough photographic coverage.

ACTION:

We are continuing to impress on our Legal Attaches, as well as our field offices, the necessity for widespread distribution of the Identification Orders and Wanted Flyers and also the necessity for maintaining contact with mass communications media and other sources of widespread publicity in order to assist in the location and apprehension of the fugitive.

This is the case involving the murder of Martin Luther King, Jr.

SAC Wesley Grapp of the Los Angeles Office has telephonically furnished the following information.

The Los Angeles Police Department has just furnished to the Los Angeles Office a letter dated 5/1/68 postmarked in Los Angeles and addressed and mailed to the Editor in Chief of the "Los Angeles Times" newspaper in Los Angeles, California. The letter is typed single spaced and purportedly signed by James Ray. *P*

In the letter the writer states that he has been in the Los Angeles area but was departing Los Angeles as of the time he mailed the letter. He alleges that he is sick over having slain King but states he killed him for \$3,000. He additionally states that he is disgusted with articles which have been appearing in the press concerning him, particularly derogatory comments made about him by Warden Harold Swensen of the Missouri State Penitentiary and Cathy Norton, a dance instructor who was quoted as saying that "Ray was clumsy." In the letter he alleges that while he is remorseful over having slain King he will not go back to prison again and will kill himself before doing so. The letter does not indicate where Ray stayed in Los Angeles or what other cities he may have been in since the assassination.

REC 11 44-38861-3123

SAC Grapp stated that while it is not known whether the letter is legitimate or a crank letter, it is being forwarded to the Bureau immediately by commercial aircraft for appropriate Laboratory examination to determine if, in fact, it was written by Ray.

This case involves the murder of Martin Luther King, Jr.

It has previously been reported that Ray resided at Harkay Apartments, 2589 Rue Notre Dame Est, Montreal, Canada, for about six weeks, moving out about Labor Day, 1967, but that no record of his tenancy could be located. The apartment owner has found a six months' lease executed by Eric S. Galt on 7/17/67 for Apartment 18. The lease was for the period of 7/18/67 to 1/18/68. Total rent was \$450 payable at \$75 a month.

The apartment owner has no record as to when the subject left but believes he skipped out on 9/2/67. A neighborhood investigation conducted by the Royal Canadian Mounted Police did not develop any pertinent information concerning the subject.

Various allegations have been made that while Ray was in Missouri State Penitentiary he was well supplied with money and regularly received money from outside the prison. A review of Ray's account in the prison shows the following total cash deposits for each year:

1960	\$ 33.06
1961	31.00
1962	50.00
1963	314.10
1964	102.50
1965	50.50
1966	71.10
1967	45.00
	\$667.26

Memorandum to Mr. DeLoach  
RE: MURKIN

Most of the above deposits were in small amounts, the largest deposit being \$65 on 4/16/63. Only eight deposits were in amounts of more than \$25 and the total of all deposits of \$20 or more is \$390.

It is noted Ray reportedly escaped 4/23/67. The last cash deposit to his account was in the amount of \$15 on 2/3/67 after which the balance was \$30.35. Various small withdrawals were made between 2/3/67 and 4/21/67 when the last withdrawal of \$9.75 was made, leaving a balance of \$4.36 when Ray escaped.

The official version of Ray's escape from Missouri State Penitentiary is that on 4/23/67 he concealed himself in a truck carrying bread from the prison to a prison farm. There have been allegations that he actually escaped in some other manner and on some other date.

In a report dated 5/3/67, Captain Danton Steele advised the Associate Warden he had investigated Ray's escape, the means of which had "remained a mystery for ten days" because of gross dereliction of duty by three and possibly five prison personnel. Steele reported the following details.

The guard who drove the truck watched inmates load the bread box for the farm and the box did not appear unusually heavy. The driver watched another guard check the truck before leaving the prison and the bread in the box for the farm was still neatly stacked near the top of the box; however, the report noted that the box holds sixty loaves and since only forty loaves were being sent to the farm, the bread should have extended only two-thirds the distance to the top of the box.

En route to the farm the truck stopped to deliver another box of bread and nothing unusual was noticed. Upon arrival at the farm, the bread was found to be torn and crushed so that only a few loaves were usable. This fact went unreported for ten days.

Memorandum to Mr. DeLoach  
RE: MURKIN

Although Captain Steele concluded that Ray escaped in the bread truck, he pointed out that it would have been necessary for Ray to use a false bottom in the bread box if the bread was neatly stacked as described by two guards. No false bottom was found and Steele raised the question, "Why should the inmate dispose of the false bottom when the bread was mangled beyond use?"

[REDACTED] Oklahoma City, advised that she is acquainted with [REDACTED] who was released from Missouri State Penitentiary, [REDACTED] 67. [REDACTED] told [REDACTED] that Ray had not escaped in a bakery truck as reported in the newspapers but had escaped in a guard's uniform which he obtained when he was working in the dry cleaning plant at the prison. [REDACTED] said that Ray and the guard had been good friends and that the guard has since been fired. It is noted that one inmate previously interviewed stated that Ray had actually walked out the front door instead of hiding in a bread truck.

ACTION:

Vigorous investigation is continuing to locate Ray as quickly as possible.

This case involves the murder of Martin Luther King, Jr.

The Postal Inspector at Los Angeles has made available a letter and photograph Ray mailed to Patricia K. Anderson, Los Angeles, 2/17/68. The letter was written as a result of Anderson's inclusion in a list called "The Local Swinger" which is compiled by a correspondence club. Anderson is being located for interview. The letter is set out below.

"Dear Miss:

"I am ansering your listing in The Local Swinger since I think I share most of your interest, with emphasis on French cult, and swing sessions. I have just returned from Mexico after five yrs. and the few females I have met don't go for the swing parties and it takes two to swing. The same routine gets boring, don't you think. Will close until I here from you.

"5-11 - 170 lb. 36 yrs.

REC-9

Sincerely

Eric S. Galt"

44-38861-3127  
 25 MAY 10 1968

Owners of "The Local Swinger" recalled Eric Galt had sent one dollar for a list of swingers and subsequently submitted five letters for transmittal to persons identified on the list by symbol number. No record is maintained that would identify the persons the subject wrote but additional investigation is being conducted in this regard.

COPY MADE FOR MR. TOLSON

Memorandum to Mr. DeLoach  
RE: MURKIN

Both Charles Stein and Rita Stein have stated the above photograph is the best likeness of the subject they have seen. Identifying numbers on the back of this Polaroid print indicate the film was manufactured in August, 1967.

~~REDACTED~~ Los Angeles "Free Press," an avant-garde newspaper, made available the following advertisement placed by Eric S. Galt by mail on 1/30/68 and printed 2/8/68:

"Single male cauc. 36 yrs. 5-11 - 170 lb, digs Fr. cult. desire's discreet meeting with passionate married female for mutual enjoyment, and/or female for swing sessions apt. furn. will ex. photo.

"Write

Eric S. 406-So. 2nd. Alhambra, 91802."

The address used in the above advertisement is that of a mail forwarding service subscribed to by Ray. The owner of this service has previously advised no mail was ever received for the subject.

John Larry Ray, subject's brother, St. Louis, has been reinterviewed and appeared cooperative. He believes the subject started using narcotics in the Army and said he has not seemed right since. He again denied any knowledge of the subject subsequent to his escape.

~~REDACTED~~ Albert Pepper, brother-in-law of the subject, married Ray's sister, Carol, while Ray was in Missouri State Penitentiary. He denies ever meeting Ray or having any knowledge of his whereabouts. Pepper stated he had run off a "Life" magazine reporter with a club.

~~REDACTED~~ who previously advised he had taught Ray burglary, advised that on three occasions while Ray was in Missouri State Penitentiary, Ray contacted him through Carol to purchase a case of cold inhalents, probably benzedrine. The inhalents were picked up each time by an unidentified prison guard who received \$100 for each trip. ~~REDACTED~~ also alleged Ray operated a loan racket in prison.

Memorandum to Mr. DeLoach  
RE: MURKIN

The Los Angeles Police Department furnished the Los Angeles Office a letter dated 5/1/68 which was addressed to the Editor in Chief of the "Los Angeles Times." The letter is typed single spaced and signed James Ray. The writer stated he has been in the Los Angeles area but was departing as of the time he mailed the letter, 5/1/68. He alleged he is sick over having slain King, but states he killed him for \$3,000. He additionally states that he is disgusted with articles which have been appearing in the press concerning him, particularly derogatory comments made about him by Warden Harold Swensen of the Missouri State Penitentiary and Cathy Norton, a dance instructor who was quoted as saying that "Ray was clumsy." In the letter he alleges that while he is remorseful over having slain King he will not go back to prison again and will kill himself before doing so. The letter does not indicate where Ray stayed in Los Angeles or what other cities he may have been in since the assassination.

The letter was flown to the Bureau and examined last night by the Laboratory and the Identification Division. Significant differences indicate the James Ray signature probably was not made by James Earl Ray, however, a definite opinion was precluded by limited questioned handwriting. No latent fingerprints were developed on the specimens.

Chicago has advised that various news media converged on Sportsman's Country Club to interview Jerry Ray, brother of James Earl Ray, and as a result Jerry left his employment. He has contacted the Chicago Office, stating he plans to visit other relatives in Missouri for three or four days and will probably return to his employment thereafter when news media interest has abated.

ACTION:

Vigorous investigation is continuing to locate Ray as quickly as possible.

SUBJECT: MURKIN

This is the matter involving the murder of Martin Luther King, Jr.

Louis E. Lomax has now released his final news article. It is a vicious and unwarranted attack against the Bureau and is replete with misstatements of fact and ridiculous conclusions.

1. LOMAX STATES: The Director deeply disliked King and once referred to him as a notorious liar; therefore, few black people will believe the Bureau will work overtime to find King's slayer.

FACTS: The total facilities of the FBI have been fully committed to this case from the outset. Investigation has proceeded around-the-clock on a top priority basis throughout the United States and in various foreign countries. Thousands of interviews have been conducted and hundreds of suspects have been processed. A tremendous number of examinations have been conducted by the Laboratory and Identification Division. Every logical investigative approach is being vigorously pursued and there will be no let up until Ray is apprehended.

2. LOMAX STATES: The FBI is inept or its bungling is intentional.

REC-20 44-38861-3145

FACTS: The Bureau's record in this case is one of substantial achievement. Starting with an unknown subject, the man known as Eric Galt was identified as a prime suspect within five days. Within another week we had obtained a photograph of the subject and the Attorney General. MAY 9 1968 considered sufficient evidence had been developed to

Memorandum to Mr. DeLoach  
RE: MURKIN

warrant Federal process. Three days later, as a result of a project to check latent fingerprints against the fingerprints of more than 53,000 fugitives, Ray was determined to be identical with Galt.

3. LOMAX STATES: Somebody managed to circulate wrong fingerprints for Ray and if he had been arrested when he abandoned his car in Atlanta (4/5/68) he would not have been identified as Ray.

FACTS: The FBI has issued only one set of fingerprints and these are the actual fingerprints of Ray. When Ray escaped from prison in April, 1967, Missouri authorities issued a wanted notice that bore the wrong fingerprints; however, the warden immediately issued a corrected wanted notice bearing the correct fingerprints. We had nothing to do with these wanted notices issued by Missouri almost a year before King was killed.

4. LOMAX STATES: The FBI has pre-empted local police from the case by declaring the King murder a conspiracy.

FACTS: We have closely cooperated with the Memphis Police who obtained a murder warrant immediately after Federal process was obtained. All evidence has been turned over to the police together with the results of Laboratory and fingerprint examinations and we have offered local authorities whatever assistance may be needed in presenting the case to a local grand jury.

5. LOMAX STATES: The FBI has yet to ask the cooperation of the Los Angeles Police.

FACTS: Our relations with the Los Angeles Police in this case have been excellent. We have checked their records on the subject and various other individuals and on 5/3/68 when the police received a letter to the "Los Angeles Times" purportedly written by the subject, it was immediately made available to the Los Angeles Office.

6. LOMAX STATES: Ray made at least three trips from Los Angeles to New Orleans.

Memorandum to Mr. DeLoach  
RE: MURKIN

FACTS: Ray is only known to have made two trips from Los Angeles to New Orleans, in December, 1967, and in March, 1968.

7. LOMAX STATES: The FBI confiscated telephone company records listing calls made from Los Angeles telephone booths used by Ray and only the FBI knows what these records show.

FACTS: We have not confiscated any records. We have obtained information from the telephone company regarding calls made from all pay telephones in the St. Francis Hotel, Los Angeles. It would appear that Lomax has been unsuccessful in his efforts to obtain similar information from the telephone company.

8. LOMAX STATES: America's blacks never have trusted either the Director or the FBI.

FACTS: We have long enjoyed the confidence of responsible Negro leaders and the responsible Negro press. This confidence has been gained by the Bureau's continuing success in handling Civil Rights cases such as the murder of three civil rights workers in Mississippi, the murder of Lt. Colonel Lemuel Penn in Georgia, the murder of Viola Liuzzo in Alabama, investigations concerning discrimination in voting, education, and many similar investigative accomplishments.

9. LOMAX STATES: The FBI leaked a story to the press suggesting a Negro was behind King's murder.

FACTS: This is absolutely false.

10. LOMAX STATES: The Director should publicly admit his dislike for King and then "share the hunt" with a less prejudiced agency; the cause of justice would be better served if the investigation were under a Warren-type, biracial commission.

FACTS: This is unworthy of comment.

Memorandum to Mr. DeLoach  
RE: MURKIN

11. LOMAX STATES: It is certain powerful men in American society were part of the deed.

FACTS: We have developed no evidence to indicate this is true nor does Lomax document this statement in any way.

In his prior articles Louis Lomax made reference to a "mysterious blond" named Jerri who he alleged had been involved with Ray at Los Angeles and later went to Milwaukee where Lomax said she had disappeared. Jerri has been identified as Dyrell Dennis [REDACTED] whose relationship with Ray appears to have been limited to a single meeting in a bar followed by a brief visit to his room.

Edgar John Pendleton, Los Angeles, with whom Lomax has also been in contact, has made available a letter he received from Dyrell Dennis, postmarked 4/19/68 at Milwaukee. This letter states in part, "Have you seen Ray? I hope he is OK." Pendleton denies any knowledge of the subject and states the Ray mentioned by Dennis is Ray Selma, a Mexican-American who formerly resided at the St. Francis Hotel. It is noted Dennis has stated she knew the subject only as Eric.

Local authorities are scheduled to present this matter to a grand jury at Memphis, 5/7/68, to seek a murder indictment against Ray. At the present time it does not appear that Bureau personnel will be required to testify, but the Special Agent in Charge will be available if he is needed.

ACTION:

Vigorous investigation is continuing on a top priority basis.

RE: BOOKS BY IAN FLEMING  
AUTHOR OF THE JAMES BOND SERIES

Pursuant to Mr. DeLoach's instructions, we have checked the February, 1968, edition of "Paperbound Books in Print," as well as the 1967 edition of "Books in Print," and have determined that Ian Fleming is the author of the following 18 books:

- |                            |                                     |

| 1. Casino Royale           | 10. Man With The Golden Gun         |
| 2. Chitty-Chitty-Bang-Bang | 11. Moonraker                       |
| 3. The Diamond Smugglers   | 12. More Gilt-Edged Bonds           |
| 4. Diamonds Are Forever    | 13. Octopussy                       |
| 5. Doctor No               | 14. On Her Majesty's Secret Service |
| 6. For Your Eyes Only      | 15. Spy Who Loved Me                |
| 7. From Russia With Love   | 16. Thrilling Cities                |
| 8. Goldfinger              | 17. Thunderball                     |
| 9. Live & Let Die          | 18. You Only Live Twice             |

In connection with the Martin Luther King case, there has been some speculation that James Earl Ray concocted the alias of Eric Starvo Galt by combining the names of characters from Ian Fleming books and from the book "Atlas Shrugged" by Ayn Rand. This speculation is based upon the fact that in Ian Fleming's series of James Bond books, an individual named Ernst Stavro Blofeld is one of the most formidable adversaries who confronts James Bond. Ernst Stavro Blofeld, for example, appears in "Thunderball," "On her Majesty's Secret Service" and elsewhere in the James Bond series. It will be noted, however, that there is a significant difference between Eric Starvo Galt and Ernst Stavro Blofeld.

Ayn Rand's book "Atlas Shrugged" was published in 1957 and is more than 1,100 pages long. The book begins on page 1 with the question, "Who is John Galt?" (Galt is characterized in this book as a

social "drop-out"--a person who has withdrawn from society because he resents the "leeches" who habitually take from, but do not contribute to, the body politic.) It is interesting to note that a person named Eric Starnes also is mentioned in "Atlas Shrugged." On 321 of this book, a chief of police in Louisiana is quoted as stating as follows about the Starnes family:

"There's all sorts of human beings to see in the world, there's murderers and criminal maniacs--but, somehow, I think these Starnes persons are what decent people shouldn't have to see. They're a bad sort.... Yes, they're still here in town--two of them, that is. The third one is dead. Suicide. That was four years ago. Its an ugly story. He was the youngest of the three, Eric Starnes. He was one of those chronic young men who go around whining about their sensitive feelings, when they're well past forty...."

The name Eric Starnes--appearing in a book which starts off with the question "Who is John Galt?"--could prompt some persons to say that James Earl Ray concocted the name Eric Starvo Galt after reading Ayn Rand's "Atlas Shrugged", and that this alias has nothing to do with any of the characters in Ian Fleming's books. Furthermore, these persons could say similarities do exist between James Earl Ray's family and the family of Eric Starnes as described on page 321 of "Atlas Shrugged." Confronted with the above-cited quotation from "Atlas Shrugged," some of these same persons undoubtedly would insist that FBI fugitive James Earl Ray (like Eric Starnes) has committed suicide. (On the other hand, significant differences can be pointed out between Eric Starnes and James Ray. For example, Eric Starnes is described as the youngest of the Starnes; whereas, James Earl Ray was the oldest child in his family.

Attached are lists of the names which appear in 14 of the 18 Ian Fleming books. The other four Ian Fleming books ("Thrilling Cities," "Octopussy," "More Gilt-Edged Bonds" and "Chitty-Chitty-Bang-Bang") are not available in Washington book stores, including stores dealing in paperback books. If desired, we will ask the New York Office to attempt to run down copies of these four books in that city.

By informal memorandum dated May 3, 1968, I furnished you lists of the names which appear in 14 of the 18 books written by Ian Fleming. My informal memorandum noted that we were unable to obtain copies of four of Fleming's books ("Thrilling Cities," "Octopussy," "More Gilt-Edged Bonds" and "Chitty Chitty Bang Bang") here in Washington--but that we would ask the New York Office to attempt to run down copies of them, if desired.

Pursuant to Mr. DeLoach's instructions, the New York Office was instructed on Saturday, May 4th, to attempt to find copies of the four Ian Fleming books cited above. The New York Office was able to locate three of these four books on Saturday, and they have been forwarded to the Bureau. The New York Office is still attempting to locate the fourth book ("More Gilt-Edged Bonds").

Attached are lists of the names which appear in Ian Fleming's books entitled "Thrilling Cities," "Octopussy," and "Chitty Chitty Bang Bang." A list of names appearing in "More Gilt-Edged Bonds" will be prepared as soon as the book is available.

Mr. Bishop:

RE: BOOKS BY IAN FLEMING, AUTHOR  
 OF THE JAMES BOND SERIES

By informal memoranda dated May 3 and 6, 1968, I furnished you lists of the names appearing in 17 of the 18 books by Ian Fleming. My informal memorandum of May 6 noted that the 18th book, "More Gilt-Edged Bonds," was being obtained by the New York Office and that a list of the names appearing in that book would be prepared as soon as possible.

Fleming's book entitled "Gilt-Edged Bonds" has been received from the New York Office today. A quick perusal of this book reflects that it is a trilogy consisting of three books by Fleming ("Casino Royale," "From Russia, with Love," and "Doctor No") which we have previously reviewed. Furthermore, the dust jacket of "Gilt-Edged Bonds" indicates that "More Gilt-Edged Bonds" is another trilogy which consists of three other Fleming books ("Live and Let Die," "Moonraker" and "Diamonds Are Forever") which we have previously reviewed.

Ian Fleming is, of course, dead. British author Kingsley Amis, writing under the pen name of Robert Markham, has just completed a new James Bond book entitled "Colonel Sun."

Result of examination:

Specimens Q308, Q309 and Q310 were searched in the  
appropriate sections of the Anonymous Letter File but could  
not be identified with any prior submissions to this file.

The hand printing on the specimens received is too  
distorted for a satisfactory comparison with pertinent material  
in the "MURKIN" case and other letters of a similar type as  
Q310 which have been received; however, differences were noted.

A few isolated words were discerned on Q310 as  
indented impressions. An impression of the name or word

impressions is enclosed for Cleveland. No other identifying  
features were noted on the items received.

Re: MURKIN

FBI File No. 44-38861

Lab. No. D-562332 JK

Specimens received 5/4/68

Q312 White envelope postmarked "Los Angeles May 1 1968 PM"  
addressed to "Editor in chief The Los Angeles Times  
Newspaper Los Angeles, California"

Q313 Accompanying one-page typewritten letter beginning  
"Dear Editor, By the time..." ending "...never kill  
again." signed "James Ray"

K252 Los Angeles, California, Police Department Booking Card  
bearing known handwriting of JAMES EARL RAY

Result of examination:

The typewritten impressions on Q312 and Q313 are  
not identical with the typewritten impressions appearing on  
items previously received in this matter in the name Eric S.  
Galt.

Although significant handwriting differences were  
noted between the "James Ray" signature on Q313 when compared  
with the available known signatures of James Earl Ray, because  
a portion of the questioned signature is overwritten and  
because of the limited nature of the questioned writing  
involved, a definite opinion could not be reached as to whether  
the questioned signature on Q313 was prepared by Ray.

No watermarks, indented writing or other identifying  
features were noted on Q312 and Q313 which might indicate  
their immediate source.

Specimens Q312 and Q313 were searched in the Anonymous Letter File without effecting an identification. Photographs will be added to this file for future reference.

The spelling, punctuation and typing habits of the individual who prepared Q312 and Q313 were found at variance with similar aspects of typewritten material previously received in the name Eric S. Galt and also in the known handwriting of JAMES EARL RAY.

FROM: SAC, HOUSTON (44-1509) (P)

SUBJECT: MURKIN

Enclosed are three copies of an editorial entitled, "FBI Loses Some of Its Shine" which was in the Houston Chronicle evening of 4/25/68.

I immediately contacted Mr. EVERETT D. COLLIER, Vice President and Editor of the Houston Chronicle and discussed this editorial. I told Mr. COLLIER that I was at a loss to understand his reason for the editorial and wanted to set the record straight on just what had been done. Mr. COLLIER immediately stated that as the SAC well knew, he was an outstanding admirer of the Director and of the FBI, and his main reason for writing this editorial was because he was just upset about the entire case. He stated that everyone knows that the Attorney General talks too much, and he could not understand why the Attorney General kept saying on a day-to-day basis right after it happened, that "We are very close." Mr. COLLIER stated he believed it would have been much better if Mr. HOOVER would have made daily statements concerning the progress of the case because of the respect with which the Director is held by all Americans. In addition, he stated he was still concerned about the recent policy adopted by the American Bar Association against pre-trial publicity and

felt this might have unduly influenced the FBI's releases. I told Mr. COLLIER in no uncertain terms that this matter had been handled promptly and releases given when the facts warranted same. I told him Mr. HOOVER had never approved releasing of information concerning possible suspects, but always insisted that the full facts be furnished when a subject was identified and warrant obtained. COLLIER stated he realized this and appreciated the reason for same. He said it was hard for the public to understand why it took so long to identify the fingerprints of GALT and RAY. I explained the manner in which the latents were obtained, the great investigative time taken to identify the latents, and here again I felt that our Identification Division had done an outstanding job in doing this so promptly. After these facts were presented to Mr. COLLIER he stated he understood.

He also believed that we had identified GALT and RAY the same day, but had released the information on GALT and two days later released it on RAY. Here again I pointed out the facts that were released, and had been set forth in his newspaper, that a warrant was obtained on the person using the name of GALT on 4/17/68, and after an exhaustive search of over 53,000 fugitive prints, RAY was identified on 4/19/68, just two days later. Of course, at the Director's instructions he was promptly placed on our "Ten Most Wanted Fugitives List."

It was obvious at the conclusion of the conversation that Mr. COLLIER was impressed with our results and appreciated being straightened out on the matter. In conclusion I told Mr. COLLIER that if he had any further questions in the future about our operations, all he had to do was to let me know and I would give him the full facts. He stated he certainly appreciated this and could reassure us that he would call the SAC in the future. He restated many times during the conversation that he had the greatest respect for Mr. HOOVER and realized that no other investigative agency could have done such a thorough job of investigating.

## FBI loses some of its shine

The hunt for the assassin of Dr. Martin Luther King Jr. has taken some odd turns, and one of the more unusual ones is the way the Justice Department and its agency, the Federal Bureau of Investigation, have been behaving.

Immediately after the killing Atty. Gen. Ramsey Clark exuded optimism about an arrest. "We are very close," he said. A few days later he said he hoped to provide a picture of the suspect. But it was not until a week after the murder that the FBI inadvertently disclosed the name of Eric Starvo Galt.

And so it has gone since April 4. Clark's optimism has faded, and the FBI has seemed almost intent on keeping the public confused.

The FBI's image as the smoothest man-hunting agency was tarnished by the length of time taken to identify the fingerprints of Galt as those of ex-convict James Earl Ray. It was 15 days after the assassination. In question is

whether it really took that long or whether the FBI was withholding the information.

It was not until Sunday that the FBI put Galt or Ray on its most wanted list. The success of the list in apprehending wanted persons over the years has been good. It is hard to understand why the description and photo of Galt were not released as soon as they were uncovered.

The FBI could never be accused of being loose-lipped, but the most wanted list was a creation of its director, J. Edgar Hoover. He has always been proud of the role it has played in apprehending those unfortunate enough to be listed.

We wonder if the recent policy adopted by the American Bar Assn. against pre-trial publicity has unduly influenced the FBI. If this is the case, the results are plain enough. The public linking of Galt and Ray was made about two weeks after the killing, and no one has yet been apprehended.

CAVE INSURING DR. KING SUSPECT  
DOESN'T FOLLOW JESSE JAMES EXAMPLE

Pictures of James Earl Ray, suspect in the killing of the Rev. Dr. Martin Luther King, Jr., has gone up all over Meramec Caverns, on U.S. 66, Stanton, Missouri.

The cave wants to prevent Ray, who once escaped from the Missouri State Prison, from getting an idea to emulate another much wanted Missouri criminal, Jesse James, who used the cave as a hide-out during the 1870's.

Life-size posters of the much sought after Ray is on display throughout the five-story cave.

For many years, through the cooperation of J. Edgar Hoover, director of the Federal Bureau of Investigation, the cave has been posting pictures of the FBI's "10 Most Wanted Men," in case any of them got any ideas from Jesse James. However, this is the first time that a wanted man's picture has been posted all around the underground emporium, according to Lester B. Dill, cave director.

Re Los Angeles call to Bureau this date.

Enclosed is a self-explanatory editorial appearing in the Los Angeles Times newspaper this date pertaining to the above-captioned case and the FBI's investigation. It mentions among other things that at least eight major metropolitan areas are important in the slaying, plus many smaller towns. It states the police were virtually ignored in the four cities where the search has been most intense--Memphis, Birmingham, Atlanta and Los Angeles. It states as of Monday, (4/29/68) the FBI still had not contacted Police Chief Thomas Reddin to ask for the help of the Los Angeles Police Department.

It appears this editorial is a rehash of old newspaper articles with datelines of Memphis, Atlanta, and Birmingham. These articles previously set forth in substance the same statements concerning the FBI's alleged "lone role."

The article is inaccurate in many respects. The Bureau's national press release and statements attributed to the Bureau called upon all citizens to give any and all information and assistance they could in identifying and apprehending the slayer. This, of course, includes law enforcement. In addition to that, the Wanted Flyers and the I.O.'s were provided to local law enforcement and gave them the basic facts. In addition, the Ten Most Wanted program plus the exposure on the FBI Series again appealed for public assistance which, of course, included law enforcement. In addition, the FBI has gone to the Los Angeles Police Department and asked for help in the form of obtaining records, photographs, results of their previous investigations concerning people involved in this matter, etc. The case has previously been discussed very briefly with COP REDDIN as well as the head of the Detective Bureau, Deputy Chief ROBERT HOUGHTON.

# The FBI and Local Police

The still-unsuccessful manhunt for the killer of Dr. Martin Luther King provides disturbing new evidence of the lack of adequate cooperation between the FBI and local police.

Nearly five weeks after the murder, a curious attitude of aloofness and secrecy persists in the bureau's investigation. FBI officials apparently want to do the job themselves despite the great significance of the case and the enormous difficulties involved.

At least eight major metropolitan areas, including Los Angeles, are important in the King slaying, plus many smaller towns. James Earl Ray, the chief suspect, left a tangled and confusing trail.

It was obvious, therefore, that there should have been the closest cooperation between federal and local authorities. Yet police were virtually ignored in the four cities where the search has been the most intense—Memphis, Birmingham, Atlanta and Los Angeles.

As of Monday, 25 days after Dr. King's murder, the FBI still hadn't contacted Police Chief Thomas Reddin to ask for the help of the Los Angeles Police Department. Such assistance would have been of great value, particularly in the early stages of the manhunt.

No single law enforcement agency, even one as large and generally efficient as the FBI, could hope to follow every lead in every city involved in the King case. Local

police personnel must be used to supplement FBI agents in investigations of such scope.

The mobilizing of all available law enforcement manpower by the bureau becomes the more urgent in view of the increasing number of federal cases and the great inter-state mobility now available to criminals. Congress, for instance, recently made new federal crimes of riot incitement and endangering civil rights workers.

Such cooperation among federal, state and local authorities has occurred in the past, but not often enough. It must be the rule in the future.

Although the FBI may once have hesitated in working with many city police departments, the quality of local law enforcement has improved markedly. Much of the credit for this better training is due the FBI.

Why then does the bureau continue to resist?

Both precedent and procedure exist for the joining of forces. What is needed to mobilize all of the nation's resources against crime is a new attitude of cooperation on the part of the FBI and its director, J. Edgar Hoover.

The protection of the public and the preservation of law and order are challenges so important that maximum use of available police manpower must always be made. And such cooperation offers the surest means of avoiding a national police force alien to the American tradition.

## DEALERS LEARN TO RIDE SPIRAL

We often wish prices would remain the same from day to day, but that is day-dreaming. Everything is on the move, either up or down, including prices.

Dealers are becoming more and more aware of their responsibility to keep up with the trends so they will know what to expect. Then, by exchanging ideas with others they know better how to cope with the upward spiral by adjusting their prices to produce the additional revenue needed.

Often time the need is to raise the price on something that we think "just can't be done" because we think the customer will not accept the increase. This might call for some "educating" of either the customer to justify the increase, or the Dealer himself to the necessity of more profit.

Dealers are becoming more willing to meet with one another and discuss these things, and it is being reflected in better decisions and healthier operations. You feel good to believe you know more than your competitor, but you will feel better to have the knowledge of both.

This is the case involving the murder of Martin Luther King, Jr.

[REDACTED] requested his identity be concealed and advised as follows. In [REDACTED] was [REDACTED] at Missouri State Penitentiary. Ray had aspirations of making a big haul and retiring to Mexico where he intended to live frugally on beans and beer.

Ray told [REDACTED] he wanted to stay off the beaten path in Mexico and avoid American Colonies. He implied he had gone to Mexico twice to cool off after robberies and had once lived with peasants on the outskirts of Campeche, near the Yucatan Peninsula, where he rented a three-room shack. Ray continually emphasized his desire to make one big score and then live frugally in Mexico. He said Mexico City and Acapulco were too expensive; however, he made reference to Torreon in North Central Mexico where he said there were low priced prostitutes in the red-light district.

Ray also told [REDACTED] he had earned money smuggling appliances such as television sets and washing machines which he sold to peasants in Mexico. The smuggling was done from Brownsville, Texas, by a fishing boat owned by [REDACTED] or [REDACTED] who formerly lived in the United States and spoke English. Ray could speak very little Spanish.

[REDACTED] believes Ray went to Mexico in the late nineteen fifties by car and on another occasion went by boat from Brownsville. The Legat, Mexico City, and the San Antonio Office are conducting appropriate investigation concerning the information provided by [REDACTED]

RE: MURKIN

Memorandum to Mr. DeLoach  
RE: MURKIN

[REDACTED] states he knew Ray in Missouri State Penitentiary from 1962 until August, 1966, but only saw him about once a week. He described Ray as a loner with no close friends, having a bad nervous condition and definitely having a mental problem.

[REDACTED] suspected Ray of using large quantities of amphetamine when it was available and bases this opinion on the rapidity with which Ray's weight would fluctuate with losses or gains of ten to fifteen pounds in very short periods of time. [REDACTED] says such a weight loss is characteristic of the use of a large amount of amphetamine and the subsequent rapid gain would occur when amphetamine was not available.

It is noted Ray gave a Montreal, Canada, address when he enrolled in a correspondence locksmithing course, 7/31/67. The address is in an apartment project which does not maintain accurate records and no record of Ray's tenancy can be found. Employees of the apartment project recall Ray resided there about six weeks paying \$150 when he arrived. He left about Labor Day and a week or two before he left he had been gone for two or three days, supposedly on a trip to the United States.

[REDACTED]  
Investigation is being conducted to determine if Ray was more closely associated with Stein than Stein has admitted.

Louis Lomax was at the penitentiary at Joliet, Illinois, on larceny charges from 2/19/50 until 5/9/56. Ray was at Joliet from 6/13/52 until 7/19/52. It is not known whether they were acquainted.

Louis Lomax has released another story for publication in which he claims he and Charles Stein found the telephone booth in Texas from which Ray made a call to the "cashman" in New Orleans at 8 p. m., 12/16/67. Lomax states that with this clue Ray's New Orleans contact will be identified as soon as telephone company officials can locate the record of the call. We have previously determined that no call to New Orleans was made from this telephone during the entire month of December.

Memorandum to Mr. DeLoach  
RE: MURKIN

[REDACTED]  
[REDACTED] knew Ray at Missouri State Penitentiary from 1963 to 1966. [REDACTED] says there were two gangs in the prison and Ray associated with the leaders of the St. Louis gang. He also says Ray was close to an inmate who was the main supplier of drugs within the prison. He does not remember this prisoner's name but believes he was serving a long sentence for killing a St. Louis policeman. [REDACTED] alleges this prisoner had six or eight other prisoners selling drugs for him. [REDACTED] believes the drugs were obtained from a guard and says on one occasion one-half pound of amphetamine was found in this prisoner's cell.

In December, 1966, Ray was examined by a psychiatric consultant for the Missouri Board of Probation and Parole. The examiner described Ray as an interesting and rather complicated individual who stated that within the past year he had various physical complaints including "pain in the 'solar plexes,' tachycardia and 'intracranial tension'." The examiner commented to Ray that he was using rather large words and Ray replied that he had been reading medical literature.

The psychiatrist found that Ray's basic problem appeared to be an increasingly severe obsessive compulsive trend. Ray had stated that at the age of ten he awoke one night believing he had lost his eyesight and became quite fearful. It was stated that various fears confront Ray from time to time "in a typical obsessive compulsive way" and he feels he must do certain things to avoid what he feels will occur and harm him. For instance, Ray described a feeling of fear which could be alleviated if he took a glass of water from which he was drinking, placed it on the table and moved it back and forth several times.

The psychiatrist found evidence of a rather deep underlying obsessive compulsive personality trend. The psychiatrist stated that Ray's problem was not psychotic but was severely neurotic and Ray was fearful that his anxiety and tension might lead him into more serious difficulties. The psychiatric report expressed the opinion that Ray was in need of psychiatric help.

Att: Walter Winchell

Dear Mr. Winchell:

I am a New York City cab driver, Hack License # [REDACTED]

About two months ago I picked up Dr. Martin Luther King, his aide and a very attractive white woman at the International Hotel at Kennedy Airport.

I drove King and his aide to LaGuardia Airport. When we arrived, Dr. King and his aide left the cab with two bags and departed, leaving the white woman in the cab for me to drive her to a midtown townhouse, (the address which I can't recall now, but can be verified on my trip sheet.) When Dr. King left my cab both he and the woman fondly embraced, and kissed. ( not fatherly)

Mr. Winchell, if she had a jealous husband and he is the guy, do you think it would be right to name Newark Airport after him?

If I can be of any other assistance, please contact me.

Very truly yours,

We have our ways without Young Wilkens and people who think like King" said Roy Innes, a national director of CORE, at a meeting last week of the Cornell Medical Student Forum. He said also, " We can't wait for how long they want us to wait. We cant wait for them to satisfy our needs. It's no longer our problem. It's your problem. It's the white man's problem. We don't wonder any more how this white man's problem is going to be solved. We know, yes we know how to make you come across. Not even since Washington was anything accomplished without violence. Even looting is part of your early history. Th tea wasn't dumped in the Boston harbor looters took it home and used it. Black people arent doing anything different from history. Looting took place before we even got here. If we make it costly enough we'll get what we want. It will be cheaper to give us our own schools, our own books, our own institutions, even our own nation. We know the way. I ain't saying we're going to burn your cities, loot your stores or rape your women, but I ain't saying either it won't happen"

When Innes was asked by a third year medical student who confessed sympathy for the black man's cause, why the blacks now reject the support of liberals. the CORE leader answered" We want no white help

We want no one but blacks to help us structure our methods. We don't want no support from liberals or Jews except maybe their money. The only way you can help is to make your mothers and fathers realize they better help us get what we want. They got to help get us the institutions and the money controlled by the whites. And until we satisfy these needs it will just become more and more costly.

A member of the audience: not a student, a negro CORE member further reinforced James' position that one may have to die to live in Harlem with this declaration witnessed the hundreds of students and said also that if his very good white friend and roommate opposed his black views he would just have to kill him.

It is my view that those people who had the very least use for Martin Luther King were this or other militant members of CORE and other black national gangs. Negroes killed Malcom X. Is it improbable the same power hungry set had King assassinated. With so many of their sympathies reflecting the worst Stalinist and Maoist philosophies, could not his death be not only justified, but necessary. Is it improbable a white boy needing money or dope would draw the line at King. Does a thug or a hoodlum sense morality, justice or human decency. A target like King would just make the price of his chore higher or the achievement more satisfying.

Other than the militant groups, who would have more to gain by having Martin Luther King removed from negro leadership. Was not the impending black man's national strike designed by King the most probable force yet conceived to underscore the negroe's participation, contribution and value to our economy..... Was not the success of this ingenious plan the greatest threat to the violent black power advocates of a separate nation?

Roy Innes spoke as the associate national director of CORE. His complete approval of "burn baby burn" and other violence was unmistakable. His group's desire to have the opportunity to rewrite American History is in only a small way clouded in their thrust to control the schools. The smell of federal funds that can be hidden or diverted for their secret use is an aphrodisiac and hallucinogen to them. They want to make their own nation starting in the "model" Harlem and spreading who knows where. As a separate nation, with separate treaty powers, should we fail to invite Castro or Mao they would have their black armies with weapons paid for by federal grants, invade New York.

In my view Innes appears as a 5th Columnist. As he is assured an executive position in the new nation he may stop at nothing to gain his goal. Killing Martin Luther King would for his ambition be no more undesirable than it may have been to kill Christ.

Would you help by keeping your eye, ear and pen on black nationalism

Sincerely,

Dear Mr. Winchell

I have just finished reading an article in Readers Digest (by Mr. William Schulz) about Martin Luther Kings March on Washington in April.

Why is this defiant rabble rouser allowed to carry out his plan?

What is wrong with the people who can stop this sort of thing from happening. I get so mad when some one say's -- it would be un-constitutional to stop free assembly and free speech well believe me they have gone beyond that.

This man isn't a Minister of God, he is evil to do such a terrible thing, it will only end in disaster, a lot of innocent people will get hurt if these herds of these so called Americans (they are scum in my way of thinking) invade DC by the thousands.

Believe me Mr. Winchell a lot of Americans are getting sick to death of these Marchs & Protesters.

I was poor, didn't get much of an education and many night went to bed hungry -- my father died when I was very young (there was five children) so being next to the oldest, I started working when I was fifteen years old, I started as a bundle wrapper in a dep't store (in D. C.) went to a candy store for a job after that because they paid me 50¢ more a week and so of course kept going from one kind of employment to another until I married.

I studied as much as I could to improve myself and our income.

I am still a housewife with a steady working husband, with a nice nest egg.

I paint in oil and keep busy with many interest's -- so I think everybody can improve their lot if they use their brain's that God gave them and keep trying, one rung up the ladder at a time its just these lazy stupid jerks who think everything should be handed to them.

They don't believe in working and struggling like most  
of the American people have done to get where they are

Please say something in your column about this Skunk's  
thank's

Sincerely

TO : Mr. DeLoach

DATE: 5/6/68

FROM : T. E. Bishop

SUBJECT: MURKIN

This case involves the murder of Dr. Martin Luther King.

In a United Press International (UPI) story dated 5/3/68, which does not quote the FBI, the following sentences are included: "Officials said there were no indications that (James Earl) Ray had left the country despite a rash of reports from Mexico, Canada, Australia, Hong Kong and West Germany. The officials pointed out international travel requires identification papers that can easily be checked." On this UPI story the Director has noted: "Please stop talking & speculating to the press. H."

In a UPI story dated 5/4/68, which does not quote the FBI, the following sentence is included: "Officials said there were no indications Ray had left the country despite a rash of reports to the contrary from Mexico, Canada, Australia, Hong Kong and West Germany." On this story the Director noted: "I must insist that we stop giving off the cuff comments re Ray case."

For the information of the Director, the unnamed officials quoted as the sources in the above two stories are not Bureau representatives. In accordance with the Director's instructions, the men in my office have maintained a strict "no comment" policy with regard to inquiries being received concerning the above-captioned case or the hunt for James Earl Ray. We will continue this policy. It appears that our policy of not commenting on this case is frustrating some newsmen and they are resorting to the technique of writing stories with unnamed "officials" or "government sources," etc., as the source for their speculative stories.

(MANHUNT)

WASHINGTON--A MONTH AFTER A SNIPER KILLED MARTIN LUTHER KING, THE FBI WAS "STILL LOOKING HARD" TODAY FOR THE MAN IT SAYS DID IT--AN EX-CONVICT WHO SPENT NEARLY A YEAR ESTABLISHING A FALSE IDENTITY.

THERE WERE NO INDICATIONS OF ANY IMMINENT BREAK IN THE SEARCH FOR JAMES EARL RAY, ALIAS ERIC STARVO GALT, ALTHOUGH THE MANHUNT FOR HIM HAD FOCUSED AT TIMES AROUND THE WORLD.

OFFICIALS SAID THERE WERE NO INDICATIONS THAT RAY HAD LEFT THE COUNTRY DESPITE A RASH OF REPORTS FROM MEXICO, CANADA, AUSTRALIA, HONG KONG AND WEST GERMANY. THE OFFICIALS POINTED OUT INTERNATIONAL TRAVEL REQUIRES IDENTIFICATION PAPERS THAT CAN EASILY BE CHECKED.

THE FBI HAS A FULL DOSSIER ON RAY, INCLUDING A FULL SET OF FINGERPRINTS, A DETAILED PHYSICAL DESCRIPTION FROM HIS TERMS IN VARIOUS PRISONS AND AN AMAZING ASSORTMENT OF PERSONAL HABITS.

BUT GALT, THE MAN THE FBI SAYS RAY WORKED ON ESTABLISHING FOR A YEAR BEFORE THE APRIL 4 ASSASSINATION OF KING, LEFT BEHIND LITTLE STATISTICAL DATA, PROBABLY BY DESIGN.

THERE IS GROWING BELIEF IN SOME OFFICIAL CIRCLES IN WASHINGTON THAT RAY ACTED ALONE IN ASSASSINATING KING IN MEMPHIS, ALTHOUGH THE ORIGINAL FBI WARRANT FOR HIS ARREST WAS BASED ON A CIVIL RIGHTS CONSPIRACY CHARGE.

RAY ALREADY IS WANTED ON A FEDERAL FUGITIVE WARRANT FOR ESCAPING THE MISSOURI STATE PENITENTIARY APRIL 23, 1967. DESPITE HIS RECORD OF ATTEMPTS TO ESCAPE, RECORDS FROM THE VARIOUS PRISONS WHERE HE SERVED SHOW HE WAS A MODEL PRISONER.

BUT THE RECORDS SHOW THAT TWICE, AT LEVENWORTH PRISON IN 1957 AND DURING HIS TERM IN MISSOURI PRISON, RAY TURNED DOWN OFFERS OF TRANSFERS TO MINIMUM CUSTODY SECTIONS BECAUSE THE HONOR CAMP DORMITORIES WERE INTEGRATED.

Referenced Birmingham teletype suggested that

It is felt that such an article would receive nation-  
 wide publicity with barbers and barbershop owners since the  
 JBHCP publication is sent to each member of the International  
 within the U. S. and AMBB publication is sent to each barber-  
 shop owner within the U. S.

The results of such publication may be of great  
 value in determining whereabouts of subject since, in all  
 probability, subject will use the services of a barber.

Since the above publications are printed by the  
 JBHCP and the AMBB, the cost to the Bureau of having such

RE: PAUL COBB

Information was received that PAUL COBB taught a course in Negro history at St. John's Episcopal Church, Berkeley, California. It was reported that at one of these sessions, he stated that he knew MARTIN LUTHER KING was going to be killed and that he would probably be killed near Memphis, Tennessee.

Efforts were made to contact Dr. ROBERT MC KENZIE at St. John's Episcopal Church and it was determined that he was associated with St. John's Presbyterian Church. However, inquiry at St. John's Presbyterian Church revealed that he would not be available until April 29, 1968. On April 29, 1968, it was determined that he would not be available until April 30, 1968.

On April 30, 1968, Dr. ROBERT MC KENZIE, St. John's Presbyterian Church, 2640 College Avenue, Berkeley, California, advised PAUL COBB gave a series of lectures on Negro history at St. John's Presbyterian Church ending on March 31, 1968. He stated COBB could be located at 2717 San Pablo Avenue, Oakland, California.

On April 30, 1968, inquiry was made at 2717 San Pablo Avenue, Oakland, California, the headquarters of the Oakland Economic Opportunity Center. Upon entering the large room at 2717 San Pablo Avenue, it was observed there were ten female Negroes and seven male Negroes in the room and one female advised PAUL COBB was "right there" and pointed to a young man about five

feet from her desk. COBB overheard the conversation but he continued a conversation with five females in a circle around the desk and completely ignored SA [REDACTED]

After more than five minutes COBB asked who the Agent wanted to see. It is noted there were numerous large posters, 12 x 18, pasted on the walls and desks in the office of BOBBY HUTTON and notices or lettering on the posters "Killed by racist Oakland pigs." A number of the persons in the room were attired in the customary dress of the Black Panthers and numerous material for the Black Panthers was observed. The Agent identified himself to COBB and stated he wanted to talk to COBB briefly. He offered a chair in the room with all the others and when SA [REDACTED] suggested some privacy he said, "Let's go on the street." In front of 2717 San Pablo Avenue, COBB again demanded the Agent's identification and he studiously observed the credentials, obviously aware of his audience within the building. SA [REDACTED] told COBB of his purpose in talking to COBB regarding the MARTIN LUTHER KING assassination in which he may be able to be of some help. COBB immediately said, "Let's go your car and sit down." At this point an individual stopped COBB and SA [REDACTED] on the street. This individual was dressed in a black leather jacket, a green beret, with Black Panther buttons on both beret and jacket. He stated to COBB, "Let me talk to you a minute brother." COBB told him he would be back in about five minutes.

In the Bureau automobile COBB stated he did not want to talk to the FBI and felt harassed by the FBI, stating he believed the FBI had been "following him for several weeks." SA [REDACTED] related to COBB that the FBI had received a complaint that he, COBB, had made a statement during a series of lectures at St. John's Presbyterian Church that MARTIN LUTHER KING would be killed soon and would be killed in Memphis, Tennessee. COBB replied, "I made that statement on Sunday night before KING was killed on Thursday. I did say KING would be killed in Memphis and I have good evidence to support my prediction." At this point COBB stated, "I want to take the Fifth Amendment and I won't give any further information to the FBI." When asked for the reason for this COBB stated, "The FBI already knows the white killer of KING and has him in custody." SA [REDACTED] then displayed a photograph of JAMES EARL RAY, aka ERIC STARVO GALT, to COBB and he viewed the photograph without comment.

At this point COBB stated, "The FBI knows my record and I am certain you are not here about KING but here to harass me." It was again explained to COBB that the FBI was pursuing every possible lead to locate the assassin of MARTIN LUTHER KING and had an interest in his statement that KING would be killed in Memphis, which according to COBB was made before the fact. COBB then stated the FBI knew he was a roommate of STOKELY CARMICHAEL at Howard University and he

SF 173-65  
MTG/sms

stated, "I have been in Memphis and I have been in jail with MARTIN LUTHER KING." COBB would not say when he had been in Memphis or when or where he had been in jail with Dr. KING. COBB then stated, "You cats have my phone bugged so you know what I'm doing." He then made a comment that "since you know what I'm doing, I'm sure you'll see me on Thursday." When asked what this statement meant, he said, "Wait and see. I'm sure you'll be back to see me on Thursday."

COBB made other comments during the conversation which are worthy of note. COBB stated all whites should go to Alaska and turn the other 49 states over to the Negroes who have "sweat and died" for the United States. He stated he is not a citizen of the United States and when asked where he was born said in the United States but that "I am not a citizen of the United States." He said he planned to go home to Africa and should have gone long ago. He stated he "should have known better than to enroll in a PhD. program at the University of California, Berkeley."

Upon leaving the area, COBB was observed entering the door to an apartment area immediately next door to the Economic Opportunity Center and since he was using a key to admit himself, it is presumed this is his residence.

UACB, San Francisco will not reinterview PAUL COBB regarding the remarks he was alleged to have made in view of the fact that he stated, "I want to take the Fifth Amendment and I won't give any further information to the FBI." In view of the present situation involving Black Panther members who are presently awaiting criminal trials in Oakland, California, it is believed that COBB could and might use the Bureau's effort to recontact him as a source of embarrassment to the Bureau and unfair publicity.

Dear Mr. Hoover:

I regret to report that my letter of April 22, 1968 has not been acknowledged either by you or your agency.

Due to the fact I did not receive your proper authorization to investigate on behalf to the suspected assassin of Rev. Dr. Martin Luther King, Jr. it is now without doubt whatsoever entirely too late to retrace the true evidence before me sometime ago.

If I may, I wish to reiterate my statement in more complete detail sent to you, but obviously ignored: On Thursday April 18th 1968 at approximately 6:40 P.M. I personally met and passed a man bearing almost identical description to the one released by your office on Galt-Ray. I was quite shocked at this encounter. I continued to walk down this street for almost a block. I decided to turn around and see if I could further prove to myself that this was really the "wanted man". Lo and behold, I again met him coming in the opposite direction than seven minutes previously. He was dressed very neatly and was carrying a black brief case under his arm. He even looked worried at this instance. I kept him under surveillance until he disappeared into a new apartment building. I wanted to follow the man, and also make an inquiry at the apartment house, but I have no police or other authority to investigate, especially criminals of Rays' standing. I came very close to calling your office immediately and making a complete report, but something seemed to tell me that you would only drop the inquest and place me on the list as only; "Another 'nut' trying to get publicity and at the same time misleading the F. B. I. in their investigation".

I have only one more thing to say Mr. Hoover. I absolutely do not have any intention in disgrading your Department in any way whatsoever. I am only offering my sincere services to do all within my limited powers to help in the fight against crime and disorder in our country today.

I honestly believe that all murderers should be brought to justice and properly prosicuted, and there should be no rules or regulations forbiding certain law abiding officers to apprehend them.

I would appreciate your prompt acknowledgement to this important matter regardless of whether you believe in me or not. Someday I hope to proove my report correct.

Thank you Mr. Hoover.

Very Respectfully yours, in

Re Possible Mental Condition of Subject RAY

On 5/2/68, [REDACTED] Bureau of Viostatistics, California State Department of Mental Health, Sacramento, California, advised they had no record of subject RAY or his aliases ever having been a patient in any of the mental institutions back to 1922. This would also include committed alcoholics.

[REDACTED] advised that this would not be a complete record for the State of California inasmuch as about 2/3 of the counties in California have their own Inpatient, Outpatient and Rehabilitation Centers where one could go on his own volition. The names of all these individuals are not submitted to the state. He said it was possible that counties could have central indices but did not know whether the indices would be by name or file number.

Re: Milwaukee airtel to Miami, 4-20-68.  
Miami airtel to Memphis, 4-29-68.

Referenced Milwaukee airtel furnished information received from an individual in Milwaukee, Wisconsin, who advised that on 3-28-68, while at the Sun Castle Motel, Pompano Beach, Florida, an establishment operated by a former FBI agent, he and his wife chanced to deal with a bellboy in the motel who apparently left the motel shortly after 3-28-68, and traveled to Tennessee to accept work as an electrician in an unknown city in Tennessee at a salary of \$500.00 a week. The individual providing the information believed the salary sounded absurd and after viewing photographs of JAMES EARL RAY, both he and his wife felt the bellboy resembles RAY's description and photograph.

This date, [REDACTED] furnished the following information to SA [REDACTED]

Individual attempted to exchange enclosed tickets for a trip to Honolulu, Hawaii and used enclosed Frontier Airlines Credit Card. [REDACTED] took the tickets and the credit card and told the individual she would have to check the credit card. Individual had previously asked [REDACTED] if he could use two Frontier Airlines tickets, enclosed, as credit toward ticket to Honolulu.

Individual identified himself as Mr. RAY. [REDACTED] and two United Airlines employees who viewed Mr. RAY furnished the following description:

Race	White
Sex	Male
Height	6 feet
Weight	185 pounds
Age	35 - 40 years
Hair	Dark or golden blond
Eyes	Greenish-blue

Other investigation, Los Angeles International Airport, this date, negative to locate person using enclosed credit card. Photos JAMES EARL RAY exhibited to United Airlines employees and they advised photos somewhat similar to RAY but could make no positive identification.

Inquiry at El Paso, Texas reflects credit card is apparently fictitious.

Denver, Las Vegas and Albuquerque divisions all attempting to identify holder of credit card and purchaser of Frontier Airlines tickets.

Chief of Police DONALD COWEN, NA, Alliance, Ohio Police Department, advised on 5/8/68, that he is very familiar with [REDACTED] who has contacted his Department repeatedly in the past with solutions to Alliance police cases. COWEN indicates that [REDACTED] is a "nut" on criminal cases and is constantly supplying police agencies with erroneous information.

[REDACTED] Turner Drug Store, Alliance, Ohio, advised on 5/8/68, that he recalled a stranger coming into his drug store at approximately 8:30 P.M., on 5/7/68 and looking over the magazine rack. Since business was slow, he watched the stranger for several minutes and was of the opinion that this man was definitely not JAMES EARL RAY. [REDACTED] stated that he had seen RAY's picture in the local papers as well as on television and was positive that the man in his drug store was not identical to RAY.

Re Atlanta airtel, 4/25/68, and Sacramento telephone call to San Francisco, 4/30/68.

The Sacramento Office advised on 4/30/68, that the California Highway Patrol had determined through their computer facilities, that the only vehicle recovered in the State of California subsequent to March 23, 1968 which was reported stolen from the State of Georgia was a 1964 Volkswagen, blue in color, bearing Georgia license 2D9042. This vehicle was reported recovered by the Oakland, California Police Department on 3/27/68, Oakland file [REDACTED], and was registered to HELEN B. WAAS, 610 Ponce de Leon Place, Decatur, Ga.

On May 2, 1968, [REDACTED], Auto Theft Detail, Oakland, California Police Department, made available his file [REDACTED] to SA [REDACTED]. A review of this file reflects that GEORGE H. WAAS, male, residing at [REDACTED], Oakland, California, reported the theft of the automobile bearing Georgia license 2D9042 which was registered to his mother, HELEN B. WAAS. This report reflects that GEORGE WAAS was a patient at Oak Knoll Naval Hospital, Oakland, California, and that the vehicle was parked at the main gate of the hospital while WAAS was undergoing treatment. WAAS reported that upon leaving the hospital, he discovered that the vehicle was stolen.

AFTER PERIOD OF QUARANTINE, ASSIGNED TO "J" HALL DURING [REDACTED]

[REDACTED] FIRST MADE ACQUAINTANCE OF RAY, WHO WAS ALREADY  
ASSIGNED TO J HALL, AS THE "WALK BOY". ADVISED RAY'S DUTIES AS

RELATIVES OR EMPLOYMENTS, STATE OF ALABAMA. [REDACTED]

HE SAID RAY NEVER DISCUSSED HIS FAMILY, NOR DID HE  
EVER INDICATE FROM WHICH PART OF THE UNITED STATES HE CAME.  
HE BELIEVED RAY TO BE FROM THE SOUTH ONLY BECAUSE  
HE NEVER INDICATED WHERE HE WAS FROM [REDACTED]  
[REDACTED]

HE STATED HE PERSONALLY GAVE RAY HIS PRESENT ADDRESS AND  
TELEPHONE NUMBER ON ONE OCCASION, TELLING RAY TO STOP BY SOMETIME  
IF HE EVER GOT OUT OF PRISON AND THEY WOULD HAVE A DRINK TOGETHER.  
[REDACTED] SAID RAY DID NOT ASK HIM FOR HIS ADDRESS AND TELEPHONE  
NUMBER AND THAT HE MERELY FURNISHED HIM THIS, KNOWING THAT HE WAS  
DOING A TWENTY YEAR SENTENCE AND MORE THAN LIKELY HE WOULD NEVER  
AGAIN SEE RAY AFTER HE LEFT PRISON. HE STATED WHEN HE GAVE

RAY HIS ADDRESS AND TELEPHONE NUMBER, RAY REPLIED, "DON'T BE SURPRISED IF I CALL YOU UP SOMETIME".

[REDACTED] SAID RAY WAS A VERY QUIET INDIVIDUAL, SOFT SPOKEN, NEVER LAUGHED OR ENJOYED A GOOD STORY, SOLEMN FACED, AND REMAINED TO HIMSELF MOST OF THE TIME. HE WOULD OFTEN SEE RAY IN THE PRISON YARD AND ON OCCASIONS ATTEMPTED TO STRIKE UP A CONVERSATION WITH RAY, BUT HE NEVER APPEARED INTERESTED, SO HE GAVE UP TRYING TO MAKE CONVERSATION.

THE ONLY TOPIC WHICH WOULD AROUSE RAY'S INTEREST WAS THE SUBJECT OF MONEY. HE STATED ON ONE OCCASION DURING HIS CONVERSATION WITH RAY, HE WAS TALKING ABOUT HOW HE WAS GOING TO MAKE BIG MONEY WHEN HE GOT OUT OF PRISON BY ROBBING BANKS, ETC. HE SAID RAY AT THIS TIME MADE THE STATEMENT, "I HAVE A PLAN AND WHEN I GET OUT, I AM GOING TO MAKE BIG MONEY, AND IT IS NOT GOING TO BE ROBBING BANKS." HE ASKED RAY WHAT HIS PLAN WAS, TO WHICH RAY REPLIED, "THE BUSINESS MEN'S ASSOCIATION HAS OFFERED ONE HUNDRED THOUSAND DOLLARS FOR KILLING MARTIN LUTHER KING, AND HE'S FIVE YEARS PAST DUE". [REDACTED] SAID HE THEN ASKED RAY WHAT THE BUSINESS MEN'S ASSOCIATION WAS, TO WHICH HE REPLIED, "I DON'T

KNOW BUT I WILL FIND OUT." [REDACTED] SAID THAT THIS WAS THE FIRST AND LAST TIME RAY EVER MENTIONED MARTIN LUTHER KING, NOR DID HE EVER AGAIN MENTION THE BUSINESS MEN'S ASSOCIATION IN HIS PRESENCE.

HE SAID RAY TOLD HIM HE ALWAYS WORKED ALONE AND THEREFORE LIMITED THE POSSIBILITY OF BEING CAUGHT AND SAID, "I HAVE GOT A PLACE PICKED OUT WHERE I CAN HIDE", NEVER MENTIONING WHERE THE PLACE WAS LOCATED.

[REDACTED] STATED THERE WAS A PRISON CIGARETTE LOTTERY GOING ON ALMOST DAILY IN J HALL AND THAT RAY WAS INVOLVED IN THIS LOTTERY DELIVERING WAGERING TICKETS AS WELL AS PICKING THESE UP AND WOULD DELIVER THE WINNINGS EACH NIGHT. HE SAID THERE WERE TWO SEPARATE LOTTERIES IN J HALL, RUN BY TWO INMATES, ONE NAMED [REDACTED] AND ANOTHER FROM ST. LOUIS, MISSOURI, NAME UNKNOWN, DESCRIBED AS WHITE MALE, ITALIAN, AGE FORTYTHREE TO FORTYSIX, DARK COMPLEXION, WITH GUN SHOT WOUND IN FACE, AND NICKNAME [REDACTED].

HE SAID OTHER LOTTERY IN J HALL RUN BY INDIVIDUAL, NICKNAME [REDACTED], WHO WAS DOING TWENTY YEARS, DESCRIBED AS WHITE MALE, FORTYFIVE YEARS, VERY SHORT, AND OCCUPIED EITHER CELL TWENTY THREE, TWENTYFOUR OR TWENTYFIVE ON THE FLAG IN J HALL, MEANING FIRST FLOOR.

END PAGE FOUR

LE FIVE

HE SAID THAT HE DID NOT LIKE [REDACTED] ODDS, SO HE ALWAYS PLACED HIS WAGERS WITH [REDACTED]. STATED RAY WOULD HANDLE WAGERS, SINCE HE COULD TALK TO ANYBODY IN CELL BLOCK AND WAS REIMBURSED BY [REDACTED] AND [REDACTED] FOR THIS SERVICE.

[REDACTED] ESTIMATED THAT THERE WERE APPROXIMATELY TWO DOZEN LOTTERIES BEING OPERATED IN MSP WHICH CONSISTS OF FIVE SEPARATE HALLS HOUSING PRISONERS.

[REDACTED] SAID THAT HE NEVER SAW RAY RUN NARCOTICS OR HANDLE CONTRABAND AT ANY TIME AND ON ONE OCCASION, RAY SHOWED HIM HIS ARMS TO PROVE THAT HE HAD NEVER BEEN ADDICTED TO NARCOTICS. HE ADDED THAT HE NEVER OBSERVED RAY WITH ANY LARGE SUMS OF MONEY.

[REDACTED] WAS QUESTIONED CONCERNING THE COOLEY'S ORGANIZATION<sup>2</sup>, AND STATED THIS WAS A PROTECTOR AND ENFORCER ORGANIZATION THAT OPERATED IN THE PRISON. HE STATED THAT WHILE ENROUTE TO MSP, HE WAS LODGED IN [REDACTED] FOR SEVERAL MONTHS AND BECAME ACQUAINTED WITH A PRISONER, [REDACTED], WHOM HE DESCRIBED AS A "FOUR TIME LOSER." HE SAID THAT [REDACTED] HAS A BROTHER WHO IS [REDACTED] SPRINGFIELD, MO. [REDACTED] HE ADVISED THAT [REDACTED] HAD PREVIOUSLY SERVED TIME AT MSP AND WAS BEING RETURNED TO MSP. HE SAID WHEN [REDACTED] LEARNED HE ALSO WAS ENROUTE TO MSP,  
END PAGE FIVE

HE ADVISED HIM TO JOIN THE COOLEY'S ORGANIZATION AT MSP SINCE HE WOULD NEED TO GET ALONG WITH PRISONERS AND BY BEING A MEMBER, HE COULD OBTAIN "SPECIAL FAVORS". [REDACTED] ALSO INFORMED HIM THAT THE COOLEY'S ORGANIZATION WOULD SETTLE ANY GRIEVANCES HE MAY HAVE AGAINST OTHER PRISONERS AND THAT THIS WAS A VERY POWERFUL ORGANIZATION AT MSP, HAVING INFLUENCE WITH GUARDS AND COULD EVEN ARRANGE "A MURDER."

[REDACTED] SAID AFTER QUARANTINE, HE SAW [REDACTED] WHO WAS WORKING IN MESS HALL AT MSP. HE APPROACHED [REDACTED] AND TOLD HIM HE DESIRED TO JOIN THE COOLEY'S ORGANIZATION AND GAVE HIM A TEN DOLLAR CANTEEN BOOK, POINTING OUT THAT MEMBERSHIP FEE TO JOIN WAS TEN DOLLARS, WHICH WOULD LAST AS LONG AS AN INDIVIDUAL WAS IN PRISON. [REDACTED] ADVISED [REDACTED] THAT HE WOULD GET HIM HIS MEMBERSHIP, AND THE SAME NIGHT, JAMES EARL RAY CAME TO HIS CELL AND SAID, "HERE IS YOUR CARD", AND NOTHING ELSE, AND THEREFORE HE ALWAYS FELT RAY WAS A MEMBER SINCE HE WAS SO TRUSTED. RAY NEVER SAID HE WAS A MEMBER, NOR DID HE ASK HIM.

HE SAID THIS MEMBERSHIP CARD WAS TYPE-WRITTEN WITH HIS NAME ON IT AND HAD THE HEADING THEREON "MEMBERSHIP, COOLEY'S CLUB". HE SAID THAT THIS CARD WAS LIKE A CREDIT CARD AND IT COULD GET A

PERSON CREDIT OR PURCHASED OF CANDY, ETC., BUT COULD NOT BE USED FOR CREDIT WITH LOTTERIES.

[REDACTED] SAID THAT HE HAD TWO OR THREE DIFFERENCES WITH PRISONERS OVER WAGERS AND UPON GETTING NO SATISFACTION, HE PERSONALLY CONTACTED [REDACTED] IN THE MESS HALL, AT WHICH TIME HE DISPLAYED HIS MEMBERSHIP CARD AND FILED HIS COMPLAINT WITH [REDACTED]. [REDACTED] INFORMED HIM THAT HE WOULD HANDLE THIS GRIEVANCE; HOWEVER, THE FEE FOR HANDLING A GRIEVANCE WAS FIFTY PERCENT OF WHAT WAS DUE A PRISONER. HE SAID THAT SUBSEQUENTLY RAY APPEARED AT HIS CELL WITH HIS SHARE OF THE CIGARETTES COLLECTED FROM HIS GRIEVANCE.

HE ADDED THAT [REDACTED] WAS LATER TRANSFERRED FROM THE MESS HALL TO THE CHURCH FARM OUTSIDE THE PRISON WALL. HE SAID THAT PRIOR TO [REDACTED] DEPARTURE, [REDACTED] CONTACTED HIM AND INSTRUCTED HIM WHO TO SEE TO TAKE CARE OF FUTURE COMPLAINTS IN THE MESS HALL, BUT [REDACTED] WAS UNABLE TO FURNISH ANY DESCRIPTION OR NAME OF THIS INDIVIDUAL SINCE HE NEVER FILED COMPLAINT WITH HIM AND WAS SUBSEQUENTLY TRANSFERRED TO THE RENZ FARM LOCATED OUTSIDE THE PRISON.

HE ADDED THAT THE COOLEY'S ORGANIZATION WAS OPERATING WHEN HE ARRIVED AND WAS STILL DOING BUSINESS WHEN HE DEPARTED AND HE FELT THIS OPERATION HAD BEEN STARTED BY "OLD CONS WHO ARE NOW

TRUSTIES AND WHO RESIDE IN A HALL WHICH IS TRUSTY BARRACK".

HE SAID THAT DURING THE TIME RAY WAS ASSIGNED TO J HALL, HE ATTEMPTED AN ESCAPE, WHICH WAS UNSUCCESSFUL, AND THEREAFTER HE NEVER SAW RAY AGAIN, SINCE RAY WAS NOT RETURNED TO J HALL AND HE WENT TO RENZ FARM.

[REDACTED] SAID THAT THE INMATES LOCATED [REDACTED] IN J HALL, [REDACTED] CELL [REDACTED], AND [REDACTED] CELL [REDACTED] ATTEMPTED TO ESCAPE AND OVERPOWERED GUARD, TAKING GUARD'S UNIFORM, THEN MADE SUCCESSFUL ESCAPE. ADVISED THAT INMATE, NAME UNKNOWN, WHO OCCUPIED CELL [REDACTED], WAS LOTTERY PLAYER AND THAT POSSIBLY INMATE, NAME UNKNOWN, NICKNAME [REDACTED], HOLDING TENDER IN CHARGE OF CONVICTS J HALL, COULD POSSIBLY FURNISH ADDITIONAL INFORMATION CONCERNING RAY AND THE COOLEY'S ORGANIZATION.

KANSAS CITY, ATTEMPT TO IDENTIFY INMATES [REDACTED], [REDACTED], [REDACTED], [REDACTED], ALL INMATES J HALL, AND DESCRIBED ABOVE. WILL INTERVIEW EACH INMATE CONCERNING HIS KNOWLEDGE OF RAY AND IF NO LONGER INCARCERATED, OBTAIN ADDRESS OF RECORD AND SET FORTH LEADS TO HAVE THEM INTERVIEWED. PROTECT IDENTITY OF [REDACTED] WHEN INTERVIEWS ARE CONDUCTED AND IN ANY LEADS SET FORTH.

Referenced airtel set forth various long distance telephone calls made from each public telephone on Interstate 10 between 12/15-17/67. One of these long distance calls was made from a telephone at Vidor, Texas, telephone #769-9108 to Immokalee, Fla., telephone [REDACTED]

The following investigation was conducted by SA [REDACTED], at Immokalee, Fla., on 5/7/68:

Mr. CHARLES MARKLE, Foreman, H. L. Hunt Packing Co., telephone 657-3181, advised he has never heard of Vidor, Texas, and does not recall receiving a telephone call from there on 12/15/67, and has no way of checking such a call to determine the identity of the caller. He stated he was lining up a crew in and around McAllen and Farr, Texas during the middle of December, 1967, and it is possible that a business call was made in that regard, but he does not recall it.

SUBJECT: MURKIN

*Handwritten initials*

This is the case involving the murder of Martin Luther King, Jr.

In connection with the captioned case there has been speculation that James Earl Ray concocted the alias of Eric Starvo Galt by combining the names of characters from books by Ian Fleming and from a book "Atlas Shrugged" by Ayn Rand. This speculation is based on the fact that in the James Bond books by Ian Fleming there is a character named Ernst Stavro Blofield and in "Atlas Shrugged" there is a character named John Galt, as well as one named Eric Starnes. Ernst Stavro Blofield is a formidable person, John Galt is a "social drop out" and Eric Starnes is described in the book as a "whiner" from a low-class family.

In view of the above and in order that Agents handling this investigation can be alert to the possibility of Ray's utilizing an alias based on characters in Fleming's books, there is attached an airtel with enclosure to All SACS and LEGATS setting forth a list of the various characters in Fleming's books for their assistance.

## ACTION:

Upon approval the attached airtel with enclosure will be sent to All SACS and LEGATS.

Re Albany airtel to Bureau dated 5/1/68.

R. J. HANAVAN, Sales Manager, AMETEK, Inc., South Portland, stated on 5/7/68 that the location of the identified Thermo-Seal Machines cannot be located through AMETEK records, South Portland, on the information set forth in referenced airtel.

He advised that the companies listed on the referenced airtel were believed by him to be located in the New York, Long Island, and New Jersey area and that contact with SAM GIAMIO, Sales Manager, and BILL EISKAMP, Service Manager, of the Pantex-Prosperity Division of AMETEK at 4 Station Square, Rutherford, New Jersey would probably identify the companies and establish their current addresses. HANAVAN stated that Budget Cleaners Company Unit 32368 shipped on 7/27/62 was probably shipped to Budget Cleaners, 45 Avenue B, New York, New York, and that New-Clear Company to which Unit 33495 was shipped was probably shipped to New-Clear Company, 172 Middle Neck Road, Great Neck, Long Island, New York, or the same company at 192-10 Lingen Boulevard, St. Albans, New York.

For information of Newark and New York, Albany in the referenced airtel advised that regarding Thermo-Seal Machines

shipped to Pantex-Prosperity Textile Marking Machine Company, records disclosed nothing regarding the following Thermo-Seal Machines:

Serial Numbers 32146, 32151, 31992, 31430, 31437, 31331, 31656.

Mr. DONALD BROTON, Textile Marking Machine Company, advised that most of these machines were purchased in connection with sales of complete laundry facilities by Pantex-Prosperity and therefore their contract records should show what happened to these machines. Textile Marking Machine records which would show names other than Pantex Prosperity on these machines have been destroyed because of age. These records show the following regarding the following Thermo-Seal Machines:

SERIAL #	PANTEX-PROSPERITY ORDER NUMBER	DATE	IDENTITY OF COMPANY FOR WHOM PURCHASED
32068	406	1/8/62	JESS A. HILAND
32307	544	4/12/68	T&C Cleaners, Huntington (no state shown)
32368	688	7/27/62	Budget Cleaners
32440	753	8/15/62	Francine
32449	509	No date	RON HIL Plainview, (no state)
32695	1154	5/3/63	Country Squire Drive-In Cleaners. In addition, the name Meadowlark is also noted.
33495	1106	10/27/68	New-Clear

Mr. BROTON further advised that these machines may have been installed by Delta Cleaners and Equipment Company, 875 Prospect Avenue, Westbury, Long Island, who installed the majority of the machines for Pantex-Prosperity. He stated however that Delta Cleaners and Equipment Company is believed to be now out of business or in bankruptcy and those records particularly those prior to 1962 may not be available.

Mr. BROTON further suggested that if none of these avenues disclosed the locations of these machines, he suggested contact with ANDY DOBOS, [REDACTED] Teaneck, New Jersey, the Textile Marking Machine Company repairman who did the majority of repair work on machines installed by Pantex-Prosperity.

STATED RHODESIA'S RULING ELEMENTS ARE EDUCATED AND STRONG ENOUGH

NOTING ABOVE, AND INFORMATION PREVIOUSLY FURNISHED ABOUT RAY BY [REDACTED] IT APPEARS THAT [REDACTED] INFORMATION IS CORRECT, AND THAT FOR RAY TO HAVE IDENTIFIED TO [REDACTED] "MOMA HAYWOOD" AND TO HAVE KNOWN ABOUT TAVERN NOW KNOWN AS ROSE'S PLACE, WHICH WAS KNOWN TO RAY BY SOME OTHER UNRECALLED NAME, RAY WOULD HAVE DEFINITELY HAD TO HAVE BEEN IN AREA AND FREQUENTED

OO-MEMPHIS

Re El Paso airtel to Bureau, 4/30/68.

The following investigation was conducted by SA [REDACTED]

AT EULESS, TEXAS

On 5/6/68, MR. ROBERT BOGASH, District Claims Supervisor, Allied Van Lines, Pipe Line and Highway 157, advised that telephone No. 817-283-1541 is the number for this Allied Van Lines office, which is the check point and dispatching office for a five-state area which includes New Mexico, Oklahoma, Arkansas, Louisiana, and Texas. He advised there are no records kept of incoming calls and he would therefore have no way of knowing the details of a call made to the above number on 12/16/67.

He further stated that drivers for Allied Van Lines are required to check in once a day at the nearest check point, and that the drivers pay for these calls at the time they are made, and that it is generally customary to place the call person to person in order for them to speak to a specific dispatcher. In view of the above, BOGASH concluded that the call made on 12/16/67 from either Van Horn, Valentine or Sierra Blanco, Texas was probably a routine check-in by one of their drivers.

At 9:10 a.m. this morning, Jerry O'Leary from the Washington Evening Star telephonically advised me that the Evening Star, in its issue of May 9, 1968, will carry a story on page 1 concerning James Earl Ray, the subject of the above-captioned case. The story will include a photograph of Ray. He advised that the story will reflect that the FBI has been maintaining tight secrecy in the case and that the only information released by the FBI has been limited to 3 press releases and the release of a number of photographs of Ray. The story will then continue by reciting additional information, over and above that in the press releases, which connects Ray to the murder of Dr. Martin Luther King. O'Leary advised that he has gathered this additional information from an assiduous study of newspaper and other news media accounts from all over the country.

As the Director is aware, we have furnished no information to O'Leary concerning this case other than that contained in our press releases.

## RECOMMENDATION:

This is the case involving the murder of Martin Luther King, Jr.

In order to cover the possibility that subject may have died since the commission of the crime, the U. S. Census Bureau and Department of Health, Education and Welfare were contacted and they advised that no central records of unidentified deceased are maintained by those agencies. It was suggested that each state may maintain such a record in their Bureau of Vital Statistics or similar agency.

There is no known Federal law requiring the maintenance of such information; and the Identification Division advises that it believes that if any record of unidentified dead is maintained, it would only be at local police departments, morgues, or medical facilities.

Attached for approval is an airtel to all offices and Legats, Mexico City and Ottawa instructing them to ascertain whether such records are maintained by the individual states or nation wide in the case of Mexico and Canada. If so, appropriate checks should be made for the period from 4-5-68 to date, and if feasible, stops should be placed on unidentified dead with appropriate agencies.

If there is no central record repository maintained in the various states or nationally in the case of Mexico and Canada, the field is being instructed that in connection with its contacts with various law enforcement agencies on this case or other Bureau matters, to make appropriate inquiries relative to unidentified dead for the period

beginning 4-5-68; and if fingerprints on such dead are maintained, that they be compared with those on the identification order on Ray in order to effect identification or nonidentification. The field is being instructed that this should be handled in connection with the normal course of business and only reasonable investigation should be pursued along these lines.

Identification Division has already placed appropriate stop on any unidentified deceased inquiries they may receive.

ACTION:

Attached for approval is an airtel in line with the above.

RACIAL MATTERS

ReBAairtel dated 5/1/68.

The Bureau concurs with your recommendation to review the files of those indicted for serious offenses during the recent riot in order to select appropriate cases for interview.

It is noted that 75 such cases are scheduled for presentation to the grand jury. You should not only consider interviews with those indicted but should also review cases of those persons not indicted among the 75 to be presented. This should be done in order to determine if any of these people have information of value such as knowledge of preplanning or organization of the riot. Since their cases were considered important enough to present to a grand jury, it appears logical that they, therefore, must have been on the scene of or had some connection with a serious incident during the riot.

Dear Sir,

In our town there is a [REDACTED]  
[REDACTED] who resembles the artist's sketch of the  
assassin of Martin Luther King. Please  
check his whereabouts on April 4th. His last  
[REDACTED]

[REDACTED] His, well - very [REDACTED]  
and long - hair and things he had to say re Dr.  
King 2 weeks before Mr. King's death other  
psychological aberrations - called Mr King a  
"Commie" and after death [REDACTED] two  
eulogies on Mr King very favorable ...

and in complete contradiction of former  
few line opinions.

~~He~~ describes  
himself as a "militant anti-Communist" /?  
but categorizes all liberal thinking people  
like the late J. Mc Carthy in USA, as  
"communists". "Commie" dupes or Communist  
pilot travellers. He sees "Commies" in  
the higher levels of government, university  
and POLICE FORCES (!)

Check with airlines told that a trip-  
to Memphis could be made, return in 4 hrs  
and in the time when Dr. King was slain.

In any case the artist's photo is very  
similar to the appearance of ~~\_\_\_\_\_~~  
who is also, an ex-seaman, pro Vietnam  
war and generally in the lunatic fringe.

He has travelled extensively in the deep  
South USA (according to his own stories)

and in very pro war and has said  
"a person once killed is nothing more  
than a chunk of meat."

He seems a dual personality and has  
deep grudges, resentments and is vindictive.  
He claims to have punched a quartermaster in  
the face who he had not seen for 15 years  
because, the man, as a kid had stolen  
some comics from him, also a kid at the  
time. He claims to have ruined the career  
of a deliberately of a medical doctor  
in a government department some 10-15 years  
after said doctor had "smelled" him - ~~\_\_\_\_\_~~  
when he was a cub reporter.

Please investigate this clue, as it may  
lead to something. I cannot sign this as  
like all people I am afraid - especially  
of people like ~~\_\_\_\_\_~~ who on the surface

pretend to have compassion and say they help old age pensioners & the disabled but this is a cover up for a hate laden outlook on life which comes out at other times. I feel the man is laughing at ~~the man~~ behind their backs. He has discussed this case in a most peculiar manner. He said he was heavily in debt just two months ago. Now, after the assassination he said he is going to Europe (West Germany) in 3 weeks!

He seems to have a lot of peculiar connections both here, USA and Europe (he says).

The photograph certainly shocked me when I saw it! Please, please look into this in your best detective manner and do not be CHOMSY - as the man is quite sensitive!

LOUIS LOMAX

# King Killer Aided By Hoover's Hate!

By LOUIS E. LOMAX

North American Newspaper Alliance

LOS ANGELES — The search for the slayer of Dr. Martin Luther King Jr. is more than a manhunt for James Earle Ray, alias Eric Starvo Galt. For the search is that of a troubled nation trying to locate its soul, of a republic in search of its own value system.

Presidential aspirant Hubert Humphrey came close to the truth a few days ago when he said we are not lost, that we are a nation growing up and trying to find better ways. The assassination of Dr. King has intensified the search for better ways and I suspect there will be a good deal of foundation shaking in high places at that, before the entire matter is put to rest.

I am speaking specifically of the Federal Bureau of Investigation and its director, J. Edgar Hoover.

It is open public knowledge that Hoover deeply disliked Martin Luther King. He once referred to King as "the most notorious liar in the nation." Now Hoover is called upon to locate King's assassin.

There are a few black people indeed who believe Hoover will work overtime in this search. The feeling is not without some foundation. Either

the FBI is inept or the bungling of the King case is intentional.

The FBI issued a report that James Earle Ray took dancing lessons in New Orleans in 1957-65. The FBI's own files show that Ray was in prison at the time.

Somebody, somehow, managed to circulate the wrong fingerprints for Ray. Up until the latter part of this week the Georgia Bureau of Investigations had wrong prints for Ray. Had he been arrested in Atlanta on the day he abandoned the White Mustang he would not have been identified as Ray.

The FBI has preempted local police from the case by declaring the King murder a conspiracy. Thus the full burden of the investigation rests with the FBI. It guards it jealously. King has been dead a month now and the FBI is yet to ask the cooperation of Los Angeles Police Department. Yet Ray lived in Los Angeles for several months and it is known that he made at least three trips from Los Angeles to New Orleans and that he carried a Los Angeles man with him on one occasion.

Shortly after I discovered telephone booths in Los Angeles from which Ray allegedly made phone calls, the FBI moved in and confiscated the telephone company records.

They and only they know what

those records reveal.

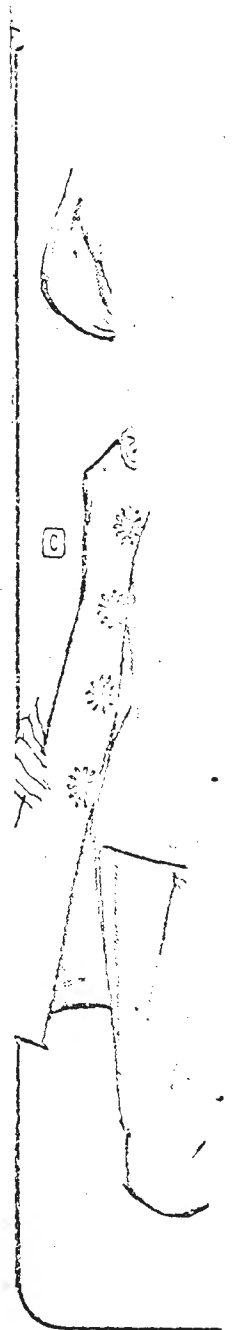

Let me make it plain, very plain: America's blacks never have and do not now trust either J. Edgar Hoover or the FBI. Those of us who have been assigned to cover civil rights stories in the south know all too well how much the FBI can fumble when it does not wish to solve a case.

The suspicion is defended by the fact that the FBI "leaked" a story to newsmen that suggested that a Negro with an animus toward King was behind the assassination. The story was completely false, but if newsmen had written it, Dr. King would have been smeared even in his grave.

J. Edgar Hoover would do his nation a great service if he were to admit publicly his dislike for Dr. King and then share the hunt for the assassin with a less prejudiced agency.

Perhaps the cause of justice would be better served if the investigation was placed under the guidance of a Warren-type commission composed of both blacks and whites.

The murder of Dr. King was an organized and well planned exercise. This was not the deed of "some white nut." Rather there is a sense in which society itself committed the act. And it is certain that powerful men in American society were part of the deed most foul.

...you'll

Re Kansas City airtel to Director, 5/1/68.

Reference communication furnished complete results of interview with [REDACTED] (Conceal), which took place on 4/29/68, [REDACTED]

The following information is being set forth in the event the Bureau wished to put emphasis on this phase of the investigation. During interview [REDACTED] stated he was [REDACTED] at Missouri State Penitentiary (MSP) in [REDACTED] 1966.

MSP record reveal [REDACTED]  
 [REDACTED] EARL JAMES RAY was in cell [REDACTED]

[REDACTED] recalled another inmate, KENNY HURTT, sent out \$15 for subject once purportedly for the purchase of stationery. [REDACTED] said this money was sent to a stationery company in St. Louis, the name he could not recall but no stationery was ever received and RAY later told him it was just a method of getting money out of prison without the warden's knowledge.

EX-116 44-38861-3288  
 Prison record reveals KENNY HURTT, MSP [REDACTED] on 1/20/67, sent a money order in the amount of \$15.25 to the Albert J. Pepper Stationery Company, 712A Shanendoah, St. Louis, Missouri. A review of the file reflects that

ALBERT J. PEPPER is a relative of the subject.

[REDACTED] advised that subject also had aspirations of making a big haul and retiring to Mexico. RAY had replied he had stayed with peasants in Mexico before on the outskirts of a town called Campeche, located on Campeche Bay near the Yucatan Peninsula. RAY had advised to [REDACTED] he had gone to this location in Mexico at least twice in the past to cool off from robberies. Subject also stated to [REDACTED] that he had earned money by smuggling in small appliances such as TVs, washing machines in fishing boats, which he sold to peasants, for a profit, who did not want to pay import duty. These appliances were smuggled in from Brownsville, Texas.

Teletype from San Antonio to Director, 5/6/68, advised that approximately 500 shrimp fishing vessels operate out of the Brownsville, Texas area, all of which fish southern Gulf area, including Bay of Campeche. Such boats usually rendezvous in shallow water area commonly known as Campeche Flats within sight of Campeche, Mexico. American seamen are not allowed in port of Campeche except on emergency basis but fishermen desiring to visit places of amusement can usually arrange so clandestinely through Mexicans operating small vessels, known as "bum boats" or "Cayuqueros", which bring women, liquor, marijuana, etc. out to shrimp boats from Campeche, Mexico in exchange for cash, shrimp boat equipment or any other desired articles in possession of such fishermen.

[REDACTED] also stated he had heard RAY refer to Dr. KING as "MARTIN LUTHER COON".

Reporter LEWIS LOMAX, North American Newspaper Alliance in press release dated 4/29/68, stated a phone booth used by RAY in the lobby of the St. Francis Hotel had written on the wall "down with Mexicans, niggers and MARTIN LUTHER COON".

Dear Mr. Hoover,

On April 3rd my son [REDACTED] set out for a hitch-hiking trip to Florida. His aim was to see Ft. Lauderdale. He is a college student at the Univ. of Conn. He visited his Aunt in Lake Alfred a couple of days, Ft. Lauderdale and Miami a couple of days, and then decided to see the Florida Keys. On April 10th he was part way down on the Keys at a place called Marathon. A man picked him up there in an old beat up foreign car. As they jogged along the man told him, [REDACTED], that he had just got out of jail that morning in Miami and that he had had the car only two hours. He also said he did not have any plans and didn't know what he was going to do at Key West when he got there. As this did not seem very desirable company [REDACTED] asked to be let out at the first traffic light in Key West. That was the last [REDACTED] saw of the man.

The other day we were talking about all this and it occurred to me that this could have been Galt, the man that shot Martin Luther King. [REDACTED] said he could have been in his thirties but otherwise he can't remember what he looked like.

At this late date this may not be any help to you but it was a bit coincidental time wise and thought you should know about it.

Sincerely yours,

[REDACTED]

This case involves the murder of Martin Luther King, Jr.

It has been alleged that on two prior occasions Ray went to Mexico to cool off after robberies and that on one occasion he lived with peasants at Campeche and smuggled appliances from Brownsville, Texas, by a fishing boat owned by [REDACTED] or [REDACTED].

Intensive investigation at Brownsville as well as Campeche has failed to develop any information concerning [REDACTED] or [REDACTED]. Approximately 500 shrimp boats operate out of the Brownsville area and their normal fishing grounds include the Campeche Flats.

American seamen are not allowed to land at Campeche but can arrange to be taken ashore by Mexican "bum boats" which bring women, liquor and marijuana out to the shrimp fleet from Campeche. There is a smuggling trade in small appliances but this reportedly does not extend to television sets and washing machines which Ray allegedly smuggled.

Police at Campeche have files dating back to 1955 on all foreigners who were in trouble with the police or who were fingerprinted because they lacked proper identification. Ray's fingerprints have been checked through these files with negative results.

At Puerto Vallarta, Mexico, a local Immigration Agent has advised of a recent visitor whom he said resembles Ray. Investigation has identified this man as registering at Las Glorias Motel, Puerto Vallarta, 4/19/68 and checking out 4/30/68. He gave his name as [REDACTED] Redding, California, and was accompanied by a woman alleged to be his wife who appeared to be of Mexican extraction.

Memorandum to Mr. DeLoach  
RE: MURKIN

[REDACTED] spent four days hunting in the mountains and inquired of the guide as to the possibility of buying a pistol and morphine. He also inquired about going into business at Puerto Vallarta. Some motel employees also state [REDACTED] resembles Ray. Sacramento is conducting investigation at Redding, California.

[REDACTED] Puerto Vallarta, has advised that she was the first prostitute visited by Ray when he was in Puerto Vallarta in October and November, 1967. She states Ray told her when they first met that he was in Puerto Vallarta on a 40-day vacation.

Three officers of the Memphis Police Department have received similar anonymous calls from a man identifying himself only as "Charlie." Charlie alleged that Ray was paid \$50,000 to kill King with the money passing through twelve people before it reached Ray. Charlie claimed Ray was able to spend only about \$10,000 and the arrangements to kill King were made at least three years ago.

According to Charlie, Ray left Memphis immediately after the killing, was out of town in twelve minutes, went to Atlanta, Birmingham, Las Vegas, Phoenix, and then into Mexico.

Charlie stated the man who planned King's death and paid Ray has arranged for Ray's body to be found between 5/15/68 and 5/18/68 in an area 50 miles south of the place where a man from Baltimore was arrested by Mexican police two weeks ago.

It is noted that on 4/24/68 it was widely publicized that Mexican police at Caborca had arrested a hitch hiker who resembled Ray. This man was identified as [REDACTED] Baltimore, who was eliminated as a suspect. Legat, Mexico, is conducting appropriate investigation.

[REDACTED], who requested his identity be protected, has advised he was in St. Louis 5/4-5/68 and contacted [REDACTED] who was in Missouri State Penitentiary with Ray. [REDACTED] allegedly told [REDACTED]

Memorandum to Mr. DeLoach  
RE: MURKIN

Ray has called him twice since King was killed, once from New Orleans and again from North Carolina. [REDACTED] reportedly told [REDACTED] Ray is driving a white Camaro and has a submachine gun as well as plenty of money. It is noted that the alleged calls from Ray would be inconsistent with his universal reputation for being a tight-lipped loner.

[REDACTED] has been interviewed and acknowledged he knew Ray in prison. He described Ray as close mouthed and a loner.

[REDACTED] said he was unaware of Ray's escape from prison until the recent publicity after Ray was identified as King's murderer. He denied any contact with Ray or any knowledge of Ray's whereabouts since Ray's escape. [REDACTED]

On the night of 5/7/68 the decomposed body of a white male was found in the trunk of a car at the Atlanta airport. There has been public speculation this might be Ray. The Atlanta Police Department has advised that based on a fingerprint comparison, this body is not identical with Ray. Fingerprints of the deceased have been forwarded to the Bureau for comparison by the Identification Division. The car in which the body was found is a 1964 Chevrolet bearing 1968 Michigan license DC 8114, and is registered to Mary Jane Salvadori and Joan Masters, [REDACTED] Detroit. The Detroit Office is attempting to contact the owners.

On 5/7/68 the Shelby County Grand Jury, Memphis, returned an indictment charging Ray with first degree murder. It was not necessary for Bureau personnel to testify.

All phases of this investigation are being expedited.

Mr. JAECH pointed out that Rocky Mt. does not have insurance agencies in Texas, but some possible holder who has moved to Texas, or was passing through that state, might have called Seattle on some type of claim.

Mr. JAECH pointed out that there are only two persons in the Claims Division of Rocky Mt. who handle calls on claims. Mr. JAECH personally contacted these two persons and neither could recall receiving such a telephone call from Texas, but they pointed out such a call from Houston, Texas might have been received in December and they cannot now remember such a call.

They said that if the name of the caller were known, if it pertained to a claim, the call could be verified through their Claims Index Records.

Mr. JAECH determined that this company does not have any insurance claims under the names of JAMES EARL RAY or ERIC STARVO GALT.

Mr. JAECH said that Rocky Mt. employs approximately 190 persons in their Seattle Office on an average, and it is possible one of these persons might have received this person's call from Texas. He said that since December 1967, there has been the usual turnover of personnel.

Mr. JACK HOWARD, Treasurer of Rocky Mt., and GEORGIA COUGHLIN, office employee of Rocky Mt., were unable to locate any person presently associated with Rocky Mt. in Seattle who received such a call from Texas.

No further action being taken in Seattle on this call.

NOTE: In connection with the Murkin case involving the  
murder of Martin Luther King, Jr., we have been checking telephone  
toll calls made from telephone booths along the route taken by  
subject Ray and Charles Stein in December, 1967, during a trip  
to New Orleans from Los Angeles. Several of these long distance  
calls were placed to nonpublished phone numbers in New Orleans.

New Orleans Office advises that Southern Bell Telephone  
and Telegraph Company in New Orleans requires a subpoena duces tecum  
to serve on the company before they will furnish identity of  
subscribers to nonpublished telephone numbers. New Orleans requests  
authority to obtain identity of subscribers by Federal Grand Jury  
subpoena and states a review of telephone records will be  
accomplished with full security and Bureau's interest will be  
protected.

He continued that when he observed the name and photograph of ERIC STARVO GALT in the newspaper shortly after the assassination of Dr. MARTIN LUTHER KING, it "rang a bell" and he felt sure he had seen GALT sometime in the past, most likely at [REDACTED]. He continued that it was possible he may have seen GALT in Hollywood or somewhere else in the Los Angeles area since he remained in Los Angeles until the early part of 1967 when he moved to San Clemente, California.

Re Bureau telephone call to Boston, 4/19/68, and  
Bureau airtel to Boston, 5/9/68.

On 4/19/68, [REDACTED], Dorchester, Mass., advised that on the evening of 4/16/68, at approximately 9:10 pm, he picked up a person, whom he believed fit the description of ERIC STARVO GALT with a girl companion in his taxicab. He stated that he picked up these two individuals across the street from the Boston City Hospital and was told by the man to take them to Beacon St., to the best of his recollection, to the 300 or 400 block. As they were proceeding to that destination, when they reached the corner of Commonwealth Ave., and Massachusetts Ave., Boston, the man told [REDACTED] to let them off there, stating that he planned to pickup something at the liquor store, across the street.

According to [REDACTED] the man had a southern drawl and seemed to be feigning an Irish or Scottish accent when he talked. [REDACTED] could not remember any of the conversation carried on between the man and the woman while they were in his taxicab and when questioned closely concerning the original destination of the couple, he stated that he was not at all sure that it was the 300 or 400 block on Beacon Street, but

that somehow those numbers stick in the back of his mind.  
[REDACTED] furnished the following description of the man:

Race:	White
Height:	5' 10" - 5' 11"
Weight:	170 pounds
Age:	36
Hair:	Dark, combed straight back
Build:	Medium
Complexion:	Medium
Characteristics	Seemed to walk with a limp
Clothing:	Wearing a dark rain or shine coat, with no hat and no tie - neat appearance.

[REDACTED] could furnish no additional information concerning this individual.

By personal observation of the area around Commonwealth Ave., and Mass. Ave., it was noted that the only liquor store was Fennell and Co., Liquor Store, at 59 Mass. Ave., Boston, Mass.

On 4/19/68, NORMAN GILBERTSON, Fennell and Co., Liquor Store, 59 Mass. Ave.; advised that he is the manager of the liquor store and that he was on duty on the night of 4/16/68. He stated that he could not recall a man and a woman coming into that store that evening who fit the description furnished by [REDACTED]. GILBERTSON advised that he has been conducting the management of this liquor store for several years and after seeing photographs of GALT, he advised that he knew of no one in the area who resembles the photos. He stated, however, that he would be on the lookout for anyone resembling GALT and would notify the FBI expeditiously, if anyone came to his attention resembling GALT.

On 4/19/68, CY KASSEL, and GLADYS SPRAGUE, Kenmore Pharmacy, 65 Mass. Ave., Boston, Mass., were interviewed for any information concerning the unsub, and his companion with negative results.

On 4/19/68, [REDACTED] Information Center, Boston City Hospital, 818 Harrison Ave., Boston, Mass., checked hospital records for all individuals who were discharged from the hospital on 4/16/68. She advised that no one was discharged from the hospital on that date under the name ERIC STARVO GALT or any of his aliases.

On 4/19/68, the following individuals were contacted for any information concerning the unsub and his companion with negative results:

WILLIAM ABRAMS, [REDACTED] Beacon St., Boston

ABBIEY RAINEY, [REDACTED] Beacon Street, Boston

BRUCE CARRUTHERS, [REDACTED] Beacon St., Boston

THOMAS KEARNEY, [REDACTED] Beacon St., Boston

ANDREW BELANGER, [REDACTED] Beacon St., Boston

In view of the unspecific nature of complainant's information, and the fact that investigation to identify the suspects, based on complainant's information was unproductive, no additional investigation in this matter is contemplated by Boston, UAC.

the interview with [REDACTED]

Memphis desires that your interviews with  
[REDACTED] develop all possible background information  
concerning the subject, with particular attention to any  
plans he might have had to leave this country to go either  
to Mexico or Canada, and any plans he might have had to  
leave either of these countries in order to migrate to  
still a third country. As you are aware, subject left  
the U. S. following his escape from the Missouri State  
Penitentiary, and for a time was known to be at Montreal,  
Canada. Investigation has discovered that subject  
corresponded with an individual at Washington, D. C.,  
regarding the possibility of migrating to Rhodesia. Your  
interview should develop all possible information regarding  
any prison rumors regarding escape routes through Canada  
to Rhodesia or to other countries where extradition might  
be resisted.

You are requested to obtain any possible  
information regarding subject's smuggling activities while  
in Mexico and to determine whether or not [REDACTED]  
thinks the subject was truthful or was merely engaging  
in conversation when discussing the possibility of  
smuggling.

This case involves the murder of Martin Luther King, Jr.

John Larry Ray, brother of the subject, advised that when he visited Ray in prison, Ray spoke highly of the Rhodesian Government.

[REDACTED] an old man on the verge of senility, [REDACTED] previously advised he taught Ray to be a burglar. He is rambling in his conversation and in interviewing him it is difficult to separate facts from his personal conjectures.

[REDACTED] now states that on about 6/23-24/67 he read in the Chicago "Tribune" of a \$50,000 bank robbery in a Southern state and recalled that he and Ray cased the same bank in 1958 or 1959 but did not rob the bank at that time because [REDACTED] injured his leg.

REC 36

44-38861-3325

A few days after reading the above article, [REDACTED] claims he was visited by a man he refuses to name but whom he believes he introduced to Ray in 1959. This man told [REDACTED] he and others had robbed the bank, displayed a valise full of money and gave [REDACTED] \$250. About six weeks ago this man again visited [REDACTED] and allegedly indicated to him that Ray and one or more other persons had been involved with him in the bank robbery.

16 MAY 12 1968

[REDACTED] refuses at this time to identify the bank or the man who visited him. He does say the bank is in the deep South, in a state like Mississippi, but not in Mississippi, in a city that is not small and is near a river. The robbers were out of the state in five minutes and the loot amounted to \$50,000 plus or minus \$2,000. A sizeable amount in the vault was overlooked.

Memorandum to Mr. DeLoach  
RE: MURKIN

The Chicago "Tribune" and bank robbery cases are being reviewed to determine if such a robbery actually occurred.

A few days after [REDACTED] received the above \$250, he claims that Ray's sister, Carol, and Ray's brother, John, told him Ray was not in Missouri. A week or so later they said Ray was in Omaha doing well, [REDACTED] believes, as a salesman. After another week or so Carol and John allegedly told [REDACTED] Ray was in Los Angeles. They did not tell him how they knew of Ray's movements or whether they had been in direct contact with him. Carol and John continue to deny to us that they have any knowledge of the subject since his escape from prison.

ACTION:

All aspects of this investigation are being vigorously pursued and we are continuing intensive efforts to develop the full cooperation of [REDACTED] and Ray's relatives.

With regard to the body of the unidentified man discovered by Mexican Police, [REDACTED] Legat, Mexico, telephonically advised at 2:40 p.m., 5-11-68, he is unable to make comparison of fingerprints taken by local police with prints of Ray on wanted flyer due to very poor impressions obtained by local police and deteriorated condition of body when prints taken. The body has been reburied and another set of prints cannot be secured; therefore, the fingerprints will be sent to Washington, D.C., in order that an effort can be made by the Identification Division to identify or eliminate the prints with those in the fingerprint jacket of Ray.

[REDACTED] telephonically advised at 6:50 p.m., 5-11-68, the fingerprints noted above were being sent on Eastern Airlines Flight #910, scheduled to arrive at Dulles Airport at 10:04 p.m., and would be in possession of [REDACTED]. Also enclosed with these prints will be an envelope containing a blood specimen imbedded in sand which was furnished by Mexican Police.

[REDACTED] informed the local newspapers on 5-11-68, contained an article about the possibility the unknown body may be Ray and stated Mexican Police authorities had furnished fingerprints of the body to the United States Embassy for forwarding to the FBI. [REDACTED] was furnished this information.

Special Agent [REDACTED] Washington Field Office, was instructed to have a Bureau Agent meet the mentioned flight at Dulles Airport and deliver the prints to Room 6136, Identification Division Building. Mr. Latona of Identification Division was requested to arrange to have the fingerprints received from Legat, Mexico compared with prints of Ray and advise of the results.

Memorandum to Mr. Rosen  
RE: MURKIN

Mr. Bonebrake of Identification Division advised at 11:55 p.m., 5-11-68, it was not possible to make a determination whether the prints were or were not identical with those of Ray.

[REDACTED] telephonically advised at 12:10 a.m., 5-12-68, the only other data available as to identification of the body in Mexico are photographs taken by local police and these photographs are not considered very good, especially in view of deteriorated condition of the body.

[REDACTED] suggested the possibility be explored to have one of our experts come down to Mexico to act as a "consultant" in connection with obtaining a better set of prints, provided arrangements might be made to have the body exhumed again.

On 5-12-68, efforts are being initiated by Serology in the Laboratory to examine the blood samples to determine the possibility of any identifiable feature for use in future identification of the body.

Evidence consisted of sandy  
pebbles bearing human blood  
but quantity of blood was  
insufficient for grouping

The following investigation was conducted at Las Vegas, Nevada, on 5/7/68, by SA [REDACTED] Lead set forth in LA airtel, 5/3/68 (Legat; Mexico City airtel, 4/28/68).

CONSUELO MARIN, [REDACTED], Las Vegas, Nevada, on 5/7/68, advised that during October, 1967, she and her mother JOSEFINA VARELA, visited Mexico. They spent time in Guadalajara and when they left were told that the Hotel Rio, in Puerto Vallarta, Mexico, was an inexpensive place to stay. On their return to Mexico D.F. they stopped for two days at the Hotel Rio.

Mrs. MARIN said they did not associate with persons at the Hotel and their only contact with persons other than Mexican citizens, was with a Canadian couple they had met in Guadalajara.

Mrs. MARIN viewed the photograph of the individual wearing sunglasses and stated she did not recall seeing this person at the Hotel Rio or in Puerto Vallarta. She also viewed photographs of JAMES EARL RAY and said she had seen those likenesses in the newspaper in connection with killing of MARTIN LUTHER KING, and did not recall seeing this person in Mexico.

Mrs. MARIN said she would immediately contact the Las Vegas Office should she recall any information concerning hotel guests at the Hotel Rio.

Specimens received 5/7/68

Q325 Frontier Airlines Transportation Receipt bearing stamped  
date May1, '68, signed "Carl Ray"

Result of examination:

Some differences were noted between the "Carl Ray"  
signatures on Q325 when compared with the signatures in this  
name appearing on Q322 (Frontier Airlines temporary credit card),  
but the limited nature of the questioned signature precluded  
a definite opinion from being reached.

Because of the limited questioned material and the lack  
of significant handwriting characteristics, it could not be  
determined whether the "Carl Ray" signature on Q325 was prepared  
by JAMES EARL RAY.

Q325 is temporarily retained. This specimen was  
photographed.

DETAILS: AT ST. LOUIS, MISSOURI:

DESTINATION OF BROWNING RIFLE

## FEDERAL BUREAU OF INVESTIGATION

1

Date April 5, 1968

Mr. WAYNE W. WADMAN, Customer Service Manager, Browning Arms Company, 1706 Washington Street, St. Louis, Missouri, advised the printed number "130712" appearing in the upper left corner of the label on the Browning High Power Rifle box found in this case, is a code designation which means the weapon it contained was a Safari grade, .243 Winchester caliber, Browning Rifle, with light weight barrel and sights.

The handwritten number appearing in the lower left corner of the label is the serial number of the weapon.

Browning high power rifle serial numbers consist of four arabic numerals, which are the actual serial number of the weapon, followed by a letter of the alphabet, known as the "Alpha designation", which is indicative of the caliber and grade of the weapon. This is followed by a single arabic numeral which is indicative of the last digit of the year in which the rifle was manufactured, in this case 1965.

Browning files fail to disclose any record of receipt or shipment of any .243 Winchester caliber, Safari grade rifles bearing serial numbers 4444Z5 or 4449Z5.

Serial number 4Y44Z5 is not a proper Browning serial number, as the first four digits are not arabic numerals, but was considered significant by Mr. WADMAN as being indicative of some question as to the second digit.

Mr. WADMAN explained that the serial numbers are handwritten in French script arabic numerals, which are sufficiently different in form in some instances to cause Americans considerable difficulty in correctly reading or interpreting them. In his experience, what may appear to be a "Y" is actually either a "1" or a "7".

Based on this possibility, search was made for serial number 4144Z5 with the result that no record was found.

On 4/5/68 at St. Louis, Missouri File # ME: 44-1987  
SA [REDACTED] : [REDACTED] SL: 44-775  
by [REDACTED] Date dictated 4/5/68

2

ME: 44-1987

SL: 44-775

Browning records for serial number 4744Z5 disclosed a .243 Winchester caliber, Safari grade, Browning rifle, bearing this serial number was part of a shipment destined to All American Sporting Goods, 1025 Chapala Street, Santa Barbara, California, on April 4, 1966, pursuant to Browning invoice number 017794 dated March 30, 1966, customer order number 0016265 and number 0016248.

This weapon was subsequently returned to Browning by the dealer, for credit. There is no way of knowing whether or not it was returned in the original box.

This rifle was later part of a shipment to Aeromarine Supply Company, 5701 Airport Highway, Birmingham, Alabama, on October 21, 1966, pursuant to Browning invoice number 079679, dated October 17, 1966, customer order number 0001420 and number D001232. This is the last record Browning has of this weapon.

Mr. WADMAN stated that he felt almost sure that this rifle, serial number 4744Z5, was the one referred to by the box label in this case, but that it would be necessary for him, or some other experienced Browning employee, to view either the original label or a clear photograph thereof in order to effect a positive identification.

Mr. WADMAN is in lawful custody of pertinent Browning records, and is the proper person to whom a subpoena duces tecum should be directed for their production in court.

AT ST. LOUIS, MISSOURI

RE:

GALT NEIGHBORHOOD  
2515 LAFAYETTE  
ST. LOUIS, MISSOURI

The following investigation was conducted by  
SAs [REDACTED] and [REDACTED] on April 10, 1968:

At the time suspect ERIC STARVO GALT rented a safety deposit box at the Birmingham Trust National Bank he listed as his nearest relative on the application KARL GALT, 2515 Lafayette Street, St. Louis, Missouri.

There is no such address as 2515 Lafayette Street, the numbers jumping from 1907 to 2323 Lafayette (the north side of Lafayette Street at this point being Lafayette Park). Thereafter, the numbers on Lafayette Street jump from 2355 to 2605 Lafayette.

Therefore, logical variations 2151 and 2155 are nonexistent.

Logical variations 1251 and 1215 Lafayette were also checked. Lafayette runs from the 1100 series to 1515 Lafayette, there being nothing between these numbers. 1515 Lafayette is the address of City Hospital #1.

Logical variations 5125, 5215, 5512 and 5521 are also nonexistent. The highest number on Lafayette is 4431. Thereafter, at Vandeventer, Lafayette becomes McRee Street.

The following investigation was conducted in the area of 2300 Lafayette:

2313 is a private house [REDACTED]

2327 and 2329 Lafayette is a roominghouse managed by R. W. LIESER. He stated to SA [REDACTED] he has been here 10 years, that nobody named GALT now lives at either of these

44

2  
SL: 44-775

addresses nor has since he has been here, and he has had no roomer who works on barges on the Mississippi.

2345 Lafayette is the German House, formerly the St. Louis House. KARL B. MUELLER, Assistant Manager for five years, and JOHN MEIGEL, Manager for 10 years, advised SA [REDACTED] they have no knowledge of anybody at that address named GALT.

2351 Lafayette is a rooming house. MARGARET ASPHIN, Manager, has been there two years and advised SA [REDACTED] she has had no tenant named GALT.

HAROLD VOGT, Manager, Kroger Store, 1700 South Jefferson, and DELORES LOEBIG, Cashier, advised SA [REDACTED] they know nobody in the neighborhood named GALT.

SA [REDACTED] contacted a barmaid who refused her name at the Ten Pen Bar, corner of Lafayette and South Jefferson. She said she knows nobody named GALT, and the only man named CARL she knows lives at the northeast corner of Whittemore and South Jefferson.

The house at that address is 2355 Whittemore, and is abandoned.

JOSEPHINE HYSOP, 2351 Whittemore, advised nobody named GALT is at that address. The house at 2355 Whittemore was occupied until the fall of 1967 when the family moved to a South Jefferson address. 2355 is owned by LEONARD BEELMAN, who has a bar on the northwest corner of Lafayette and South Jefferson. Contact was made with BEELMAN by SA BROWN, and he advised the former occupant at 2355 is JIM KIMBROUGH.

BEELMAN stated the only man he knows in the area who works on the Mississippi is JOHN CREWS, a barge captain, who lives on Lafayette about 3400 west.

The telephone directory lists a KENNETH CREWS at 3239 Lafavette. Inquiry was made there by SA [REDACTED], but no response could be obtained. It was noted there was a letter addressed to JOHN C. CREWS in the mailbox.

SA [REDACTED] made the following additional contacts: BILLIE DROWN, Manager, Carl's Grill, 1659 South Jefferson; TED RAVENOTEEN, JR., Manager, jewelry store and pawnshop, 1653 South Jefferson - both with negative results.

She did not connect him with JAMES EARL RAY until her brother, MARTIN CRABILL, Ewing, Missouri, telephoned her on the night of April 21, 1968, that JIMMY RAINES was RAY.

Mrs. ROBBINS recalled that there were several children in the RAINES family but the only two members she was acquainted with was JIMMY and his younger brother, JACK. She said there were some smaller sisters but she did not know them. She had never met the mother but recalled the father, JERRY RAINES, [REDACTED]

[REDACTED] She recalled the boys, JACK and JIMMY, as well as the girls, all went by the last name of RAINES and never knew of the name RAY.

In 1943 after JIMMY finished the eighth grade he moved with his family to Hannibal, Missouri, where she understood the father had a job with a shoe company. This was the last time she had heard from the family except some time ago her brother, MARTIN, indicated that one of JIMMY's brothers had driven off the Mississippi River Bridge at Quincy, Illinois, and had drowned.

She knew nothing further concerning the family's whereabouts and her last contact was in 1943.

The following investigation was conducted by Special Agent [REDACTED]

WILLIS, an ex-Hannibal, Missouri, policeman, purchased a Lincoln car from JAMES EARL RAY after he was arrested at Hannibal, Missouri, March 23, 1955. It is recalled that RAY, after his arrest, learned that he would be removed to Kansas City by postal inspectors and wanted to sell the car in which he was arrested. Officer ROY WILLIS bought it. REVIEW OF UNITED STATES PROBATION OFFICE RECORDS  
CONCERNING JAMES EARL RAY

AT ST. LOUIS, MISSOURI

The following investigation was conducted on April 24, 1968, by SA [REDACTED]:

The file regarding JAMES EARL RAY was made available by [REDACTED] United States Probation Officer, St. Louis, Missouri.

A review of that file reflected the following information:

JAMES EARL RAY, Federal Records Center (Kansas City, Missouri) number 811041. Date of Birth was March 10, 1928, at Alton, Illinois.

A classification study by officials of the United States Penitentiary, Leavenworth, Kansas, on August 10, 1955, reflected that RAY listed his mother and father as deceased and the only other relative listed is an aunt, LUCILLE RYAN, 801 North 12th Street, Quincy, Illinois. This study further reflects that the co-defendant in the case involving Post Office money orders was WALTER TERRY RIFE. In the section of the study under the heading "Previous Employment" RAY provided the name WILLIAM MAHER, 1118 East 7th Street, Alton, Illinois, although no explanation was given regarding this name. The study also reflects that when RAY had previously been in custody at the Illinois State Prison, he had been transferred to the Honor Farm where he worked in the kitchen.

An annual review of RAY by officials at the United States Penitentiary, Leavenworth, Kansas, in October, 1956, reflected that during the previous year RAY had worked at the fire department, paint shop, and bakery where he was considered an outstanding "bench hand." This review further reflects that the only family contact with RAY was through letters from his aunt, Mrs. LUCILLE RYAN, 701½ Washington Street, Quincy, Illinois. At that time RAY indicated that when he was released he planned to go to Denver, Colorado, as he felt the climate would be "better for his health."

9 9

SL 44-775

On April 5, 1958, RAY was conditionally released from the United States Penitentiary, Leavenworth, Kansas, and at that time lived at the Blackstone Hotel, 817 Cherry Street, Kansas City, Missouri. It is noted that a handwritten letter attached to RAY's conditional release statement, from LUCILLE RYAN, 1135 South 10th Street, St. Louis, Missouri, and addressed to RAY at the Blackstone Hotel was signed "Your Aunt Lucille."

A handwritten notation by [REDACTED] United States Probation Officer, St. Louis, Missouri, indicates that on January 29, 1958, he visited LUCILLE RYAN at 1135 South 10th Street, and at that time found her living with a younger woman, who she introduced as her daughter, MELBA and an older woman whom she introduced as her mother.

Correspondence between the United States Probation Office at Kansas City, Missouri, and St. Louis, Missouri, reflects that after his release on April 5, 1958, RAY was dis-satisfied with life in Kansas City and repeatedly expressed an interest in coming to St. Louis, Missouri, so as to live with his aunt.

The following information was taken from the type-written work sheet of [REDACTED] United States Probation Officer, [REDACTED] which is set up in chronological order:

On May 7, 1958, investigation by the United States Probation Officer reflects that LUCILLE RYAN presently resides at 1913 Hickory Street, St. Louis, Missouri, in a rooming house which she recently purchased. Lived at that address with her are three individuals as follows:

One [REDACTED] daughter, age 19, name unknown;

One employed daughter, age 17, name unknown.

LUCILLE RYAN's mother, age 76.

On May 15, 1958, supervision of JAMES EARL RAY was officially transferred from the United States Probation Office at Kansas City, Missouri, to the office at St. Louis, Missouri.

SL 44-775

On May 15, 1958, [REDACTED] advised RAY to go to the bakery union in St. Louis regarding employment.

In June, 1958, the record reflects that RAY had worked as a cook's helper for one day at the Glen Echo Country Club during the preceding month and was laid off. He was otherwise unemployed during this period.

On August 4, 1958, RAY indicated that when his supervision is terminated, he plans to get a job as a baker on a ship going to South America and he indicated that his occupation is a baker not a cook. The record further reflects during the time since his last contact, he was unemployed.

On September 4, 1958, RAY indicated that he had worked for four days in August at a bakery on North 18th Street, St. Louis, Missouri, but that he was otherwise unemployed during that month. He further indicated that when his conditional release expires in October, 1958, he planned to get a job as a baker on a boat and leave the United States.

On October 2, 1958, RAY's condition release expired and supervision by the United States Probation Office was terminated. The records reflect that there was no further contact with RAY since that date.

Additional information was then obtained by store manager DONALD SCHAEFER which reflected that the two bandits had switched automobiles, abandoning the previously mentioned Ford at Indiana and Potomac Street, St. Louis, and then entered a 1958 Plymouth, Missouri License M83-671. The subjects were last seen in this automobile heading west on Wyoming Street in St. Louis.

This same auto was later observed by Patrolmen [REDACTED] and [REDACTED] parked in front of 2017 Park Avenue, St. Louis, headed in a westerly direction and unoccupied. Assistance was requested by these patrolmen and thereafter a white male, who entered this automobile and prepared to drive away, was placed under arrest. Upon arrest, he identified himself as JAMES LOAMA OWENS. The vehicle was then searched and no weapons were found.

Under questioning, OWENS readily acknowledge that he had committed the armed robbery, advising that his partner in crime was on the second floor of the rooming house at 2023 Park Avenue, as well as both of the guns used in the hold-up.

The investigating officers then proceeded to the second floor of this house and at the top of the stairs observed a white male coming from the bathroom at the end of a hallway. This individual was commanded to halt and to raise his hands, whereupon he turned, began cursing and ran back toward the bathroom from where he had come. RAY was overtaken by the investigating officers and placed under arrest, after a scuffle in which RAY was struck over the head with the service revolver of one of the officers.

The prisoner was then escorted to his room but broke away and began to run toward the end of the hallway where he was initially subdued. At this time Detective [REDACTED] fired one shot from a service revolver in the direction of the fleeing suspect, at which time the prisoner halted and submitted to arrest without further resistance.

SL: 44-775

A search of the subject's room, located a .765 caliber Belgium Browning Automatic, Serial Number 57195, which contained one live cartridge in the chamber and five live cartridges in the clip. A second .38 caliber revolver, "American Double Action," five shot revolver, Serial Number 249, was also located and found to contain three live cartridges in the cylinder.

Upon questioning, JAMES EARL RAY admitted that he was the owner of these weapons and made the statement to the officers, "I guess you want me for that Kroger Store stick-up." RAY was thereafter conveyed to City Hospital for examination and found to be suffering from a laceration of the scalp, which was not considered to be serious, and with no other apparent injuries. He was thereafter conveyed to the Police Station where he was charged.

The second individual involved in the burglary, JAMES OWENS, was conveyed directly from the place of apprehension to the St. Louis Police.

The 1958 Plymouth sedan used in the commission of the robbery was determined to be the property of JAMES L. OWENS and was towed away from in front of the Park Avenue address and held in custody by local police.

When questioned further at the District Station, OWENS stated he had first become acquainted with JAMES EARL RAY about three months prior to the offense, having met him at the St. Louis Rescue Mission located at 4023 Olive Street. Both eventually began speaking to each other of financial difficulty and eventually came to an agreement to pull a hold-up.

OWENS advised that in the early p.m. of October 9, 1959, he and RAY "cased" the store, which they eventually robbed on the following day. OWENS admitted that JAMES EARL RAY had given him the snub-nose revolver which he had used in the hold-up and that he had driven RAY to a place where he let RAY out of his 1958 Plymouth automobile for the purpose of stealing a second automobile to use in the hold-up.

4

SL: 44-775

Both automobiles were then driven to the intersection of Indiana and Potomac Streets in St. Louis. The stolen car, the previously mentioned Ford, was then driven to the scene of the crime, and the store was entered by both men.

RAY proceeded to a small office located in the front of the store, where he pointed the automatic pistol he was carrying at the man in the office, commanding him to open the safe. OWENS remained close to the front door where he acted as a look-out and, according to OWENS, left his revolver in his coat pocket. OWENS stated after RAY failed to get the man in the office to open the safe, he pointed the automatic pistol at a woman cashier, ordered her to step aside, and then reached into the open cash drawer, removing an unknown sum of currency. Both men then left the store and departed in the stolen Ford automobile.

A switch was thereafter made and both men then drove to RAY's home in OWENS' 1958 Plymouth.

Upon arrival, they proceeded to the bathroom of RAY's home where OWENS returned RAY's revolver and RAY gave OWENS \$60.00 in six \$10.00 bills, which constituted OWENS' share of the money taken in the robbery. OWENS then left RAY's residence and proceeded to his automobile where he was placed under arrest.

RAY, when interviewed, refused to make any statement, but OWENS later viewed RAY and positively identified him as the man who had accompanied him to the Kroger Store and assisted him in the commission of the hold-up.

Both individuals were thereafter charged with robbery with a deadly weapon and operating an automobile without the owner's consent. An additional charge of resisting arrest was placed against RAY.

The St. Louis Police Department, Bureau of Records, had no information on JAMES EARL RAY, but the report reflects

5

SL: 44-775

that RAY acknowledged a 1951 robbery at Chicago, Illinois, for which he was sentenced to twenty-one months in the Pontiac Reformatory and a 1955 arrest for transportation of forged documents, for which he received a sentence of thirty-four months to the Federal Penitentiary at Fort Leavenworth.

RE: RESIDENCE, 2023 PARK AVENUE

AT ST. LOUIS, MISSOURI:

The following investigation was conducted by SA  
[REDACTED] on May 7, 1968:

Mr. EDMOND HATTON, 2023 Park Avenue, advised he had purchased the building at that address in August of 1960. He has never seen JAMES EARL RAY and was not aware of his existence until recent publicity.

He stated Mr. E. C. COWLEY who lives in an upstairs room at that address was living in the building at the time RAY was arrested there in 1959. A Miss JONES, present address unknown, also resided in the building at that time. The building was previously owned by a Mrs. G. MC LAUGHLIN who still resides in the St. Louis area but whose exact address was unknown to him.

Mr. HATTON also owns an apartment building at 2021 Park Avenue. He stated that all present tenants took up residence there subsequent to 1960.

Mr. E. C. COWLEY, Room 8, 2023 Park Avenue, advised he had occupied Room 5 at that address which was adjacent to Room 6 which was occupied by RAY at the time of his 1959 Kroger robbery arrest. Mr. COWLEY had no contact with RAY. RAY had only been in the room for approximately three days at the time of the arrest. Mr. COWLEY recalled that on the morning of RAY's arrest he had observed two young men, one of whom was probably RAY, go into RAY's room just before he left for work that morning at approximately 9:00 a.m. That was the last he ever saw of RAY as he, COWLEY, had been at work at the time of the arrest.

He was unable to recall the identities of any other tenants who had resided there at the time of the arrest except for a Mrs. G. MC LAUGHLIN who was owner of the building at that time and a Miss JONES who currently resides in the neighborhood but whose address is unknown.

Mr. W. M. HOOD, 2031 Park Avenue, advised he and his wife had witnessed the policemen in the yard at the house next door at the time of RAY's arrest in 1959, although they never saw RAY. He was unable to recall the identities of any other residents of the building at that time. He never saw RAY and had no information concerning him.

Mrs. REUBEN CRAFT, 2015 Park Avenue, advised she had resided in that area for approximately the past four years; that she had never seen subject and never heard of him until recently; and that she had no information concerning him.

The current residence of Miss LORETTA JONES, who formerly resided at 2023 Park, was determined to be [REDACTED], however, repeated attempts to contact her at that address proved fruitless.

Mrs. G. MC LAUGHLIN, 3020 Hawthorn, advised she had formerly owned the building at 2023 Park Avenue. She said that RAY had resided there less than a week prior to his arrest in 1959, and that she had no prior or subsequent knowledge or information concerning him.

RE: LAUNDRY MARKS

AT ST. LOUIS, MISSOURI

The following investigation was conducted by SA  
[REDACTED]

On April 17, 1968, MC CAWLEY SUITS, Assistant Manager, Suits Laundry, 1400 Russell (TO 5-1494), displayed to the agent their two Thermo-seal marking machines, Serial Numbers 32760 and 32759. They utilize the first machine with three digit marks; alternating A through Z for the first character and 1 through 99 consecutively for the last two characters.

The other machine uses three numbers only, 100 through 999. They do not have machine with Serial Number 30979.

On April 17, 1968, a check of 2323 Rutger Street reflected Sunshine Laundry has been out of business for several years and all machinery and furniture in the interior has been removed.

In view of the above neither of these laundries would ever be utilizing the codes "O2B-6", "D2B-6", or "20R-3."

Re: HIPPIE ROOMING HOUSES

AT ST. LOUIS, MISSOURI

On April 25, 1968, Mr. PAUL PICK, formerly employed as Director of the Exit, a so-called Christian coffee house, located in Gaslight Square, St. Louis, Missouri, at Boyle and Olive Streets, now employed as [REDACTED] at St. Louis, was contacted by SAA [REDACTED] at the YMCA, Fifteenth and Locust Streets, St. Louis, where he was then teaching. He furnished the following information:

He is very well acquainted with many persons frequenting the Gaslight Square area having been employed as Director of the Exit for several years. He resided in that area during the entire time. In his opinion there are no hippie rooming houses located outside the area of McPherson Street between Boyle and Taylor. Almost all of the rooming houses located in that area are at times occupied by hippies. He estimated that there are about 100 "hardcore hippies" living in the St. Louis area, and all of them are located on McPherson Street. There are perhaps several hundred young persons who are generally known as weekend hippies or "plastic hippies", but in his opinion, these persons are attending school as students or employed in industry in this area and are not to be confused with bona fide hippies. Mr. PICK was unable to furnish any information concerning JAMES EARL RAY, whose photograph was exhibited to him as was descriptive information concerning RAY.

The following persons were contacted concerning this matter by Agents identified below on April 26, 1968, in the course of investigation to contact all hippie rooming houses located on McPherson Street, St. Louis, Missouri; none of these individuals, however, furnished any information concerning JAMES EARL RAY whose photograph was exhibited and descriptive information furnished to each of them:

## FEDERAL BUREAU OF INVESTIGATION

1

Date 4-26-68

At the onset of the interview SAs [REDACTED] and [REDACTED] identified themselves to [REDACTED] in the lobby of the rooming house where he resides. After being advised of the identity of the interviewing agents he stated, "I want nothing to do with you people.", and then said, "What do you want with me? I haven't done anything since I've been out."

[REDACTED] was advised that we were not investigating his activities, however, we were conducting a fugitive investigation to locate one JAMES EARL RAY, a former inmate of the Missouri State Penitentiary. At this point [REDACTED] stated, "I remember Jim Ray but I don't know anything about him now and if I did know anything about him I wouldn't tell any representative of law enforcement."

It was pointed out to [REDACTED] that the agents had spoken earlier in the day to acquaintances of [REDACTED] who spoke very highly of [REDACTED] intelligence and ability in legal research and briefs. Therefore, he should have a clear understanding of the possible consequences of harboring a fugitive.

[REDACTED] stated that he had nothing to do with the escape of RAY and has not seen or heard from RAY since the Saturday before he left from behind the walls of the Missouri State Penitentiary.

At this point [REDACTED] volunteered that he knew JIM RAY approximately 10 years, the entire acquaintanceship being made and carried on in the Missouri State Penitentiary. He pointed out that he was aware of RAY planning to escape on the three occasions that he attempted to do so, however, was not aware of the details of the plans nor was he aware of the exact time that RAY planned to go. He noted that he resided in the same hall with RAY although both he and RAY were celled individually, not having cellmates. He further noted that RAY was gone approximately 30 days from the penitentiary before his escape was reported and during that 30-day period on a daily basis he was reported present in the hall when he actually had already escaped.

152

On 4-24-68 at St. Louis, Missouri File # SL 44-775

SA [REDACTED]  
by SA [REDACTED] Date dictated 4-25-68

[REDACTED] stated that he believes that [REDACTED] was the closest associate that RAY had in the penitentiary and walked in the yard with him daily. He pointed out that RAY in effect was a loner with no one really close to him. [REDACTED]

[REDACTED] RAY never really told him any personal information other than on one occasion he mentioned that he had an unnamed brother in Chicago, Illinois, and allegedly was raised in a small town in the State of Illinois.

[REDACTED] stated that RAY was a loner in his opinion because he felt all convicts were potential "stool pigeon material" and he did not trust any of them because he had been "done in a couple of times" by the stool pigeon system that operated in the prison. At this point [REDACTED] noted that it was his opinion that if RAY saw one of his former fellow-convicts he would immediately leave the area for fear of that individual turning "stool pigeon." He continued indicating that he felt RAY would never contact a former fellow-convict for this reason, including himself.

With regard to RAY's last escape from the penitentiary he stated that it was not as reported that RAY left in a bread box because he knew it to be a fact that RAY walked out the front door of the prison. He would not go into further details regarding this statement. When questioned as to whether or not he meant there was a bribery in connection with this escape he stated that he did not mean it in this manner, however, would not elaborate.

With regard to RAY's prior escape attempts, on one escape attempt charge he pled insanity as his defense and subsequently was sent to Fulton Mental Hospital for observation and after a short period of time was returned to the Missouri State Penitentiary, adjudged sane.

With regard to RAY's emotional feelings he stated that JIM RAY was not an extremist, he never knew him to be emotional over anything, and if JIM RAY is responsible for the death of Dr. KING he feels that he was completely out of character with the person he knew as JIM RAY in the Missouri State Penitentiary. He described RAY's demeanor as being

3

SL 44-775

that of a cynical individual, however, the cynicism always being in a humorous vane. [REDACTED] pointed out that RAY had the unique ability of being able to laugh at himself and be cynical in a humorous way about his own past mistakes.

[REDACTED]  
[REDACTED] He pointed out RAY was extremely interested in law, especially if it concerned his particular case. This interest was to the extent that RAY spent extra moneys to purchase law books and literature regarding recent court decisions.

[REDACTED] again reiterated that he felt that RAY would never contact him and doubts that RAY even knows his current location, however, he reluctantly agreed to notify the FBI if he was contacted by RAY because of the possibility of a law violation which would cause him [REDACTED] to return to prison which he does not want to do.

[REDACTED]  
[REDACTED] indicated that he is currently employed as [REDACTED] at [REDACTED] in St. Louis, however, is going to work in connection with the poverty program [REDACTED] in St. Louis noting that he is doing this at a reduced salary in an effort to help others rehabilitate themselves.

Re: BACKGROUND OF JAMES EARL RAY

AT ST.-LOUIS, MISSOURI

On April 29, 1968, [REDACTED] St. Louis, Missouri, residence telephone [REDACTED] furnished the following information to SA [REDACTED]:

While an inmate in the Missouri State Penitentiary (MSP), [REDACTED] became acquainted with JAMES EARL RAY [REDACTED]

Their main association at the prison was when they got together in the prison yard and conversed while walking for exercise. [REDACTED]

[REDACTED] He described RAY as a "loner" and "close-mouthed", who kept his own counsel and did not even mention his planned escape which [REDACTED] later learned was an unsuccessful attempt by him to go over the wall on a ladder. RAY had very few friends, however, he mixed well with other inmates, both black and white, and had never shown any propensity for violence or appeared to be a racist.

[REDACTED] said there were several instances of racial trouble at the penitentiary, but RAY never seemed to get involved or to express his feelings in the matter one way or another.

RAY often mentioned that he could not do his twenty year sentence, but never indicated any escape plans or any contacts with outside individuals. The only member of RAY's family he referred to was his brother, JACK RAY of St. Louis. [REDACTED] recalled JACK visited his brother at prison on the average of possibly once a year. [REDACTED] vaguely recalled RAY mentioning that he had another brother who was killed in an automobile accident in northern Missouri, but did not recall RAY mentioning any other relatives. RAY did not discuss his general background, other than mentioning on several occasions he had previously done time at Menard State Prison, Chester, Illinois.

RAY was not addicted to use of drugs, however, [REDACTED] said nearly all inmates "fooled around" with anything they could get their hands on and that if RAY used any form of drugs it was unknown to [REDACTED]

2  
SL 44-775  
WCJ/ral

[REDACTED]

[REDACTED] had no heard of RAY's escape and presumed he was still in prison until the recently publicity about him.

[REDACTED] regards RAY as a small-time robber, mentally incapable of planning the assassination of Dr. MARTIN LUTHER KING without additional intelligent guidance from some other source. He believes RAY capable of being hired for this but would certainly not be alone in this matter. He is also of the opinion that whoever hired RAY, that person or group has disposed of him. He commented with the "heat" on RAY and rewards advertised, it would be extremely difficult for a fellow like RAY to hide.

[REDACTED] indicated he would cooperate in any way he could with the FBI in the event any information came to his attention regarding the whereabouts of JAMES EARL RAY.

[REDACTED] said [REDACTED] was also an inmate at the MSP and was acquainted with RAY through their association in the exercise yard. [REDACTED] and RAY all walked together on many occasions. [REDACTED] was released two years before [REDACTED] and later served time at Terre Haute Federal Prison being released in [REDACTED] 1967. [REDACTED] said [REDACTED] resides with [REDACTED] at Modesta, Illinois, and is currently employed at [REDACTED] Jacksonville, Illinois.

RE: FELLOW PRISONER JAMES LOMA OWENS

The following investigation was conducted by SAs [REDACTED] and [REDACTED] at St. Louis, Missouri

The records of the Missouri State Penitentiary, Jefferson City, Missouri, reflect the last known address listed for JAMES LOMA OWENS as being in care of his wife, [REDACTED] Berkeley, Missouri.

On April 25, 1968, it was observed that [REDACTED] Berkeley, Missouri, extends only from 9336 through 9522. A review of the St. Louis City and St. Louis County Directories for the 9300 through the 9500 block of [REDACTED] listed no one named OWENS living in the area.

On April 24, 1968, IC [REDACTED] ascertained that the Commercial Credit Rating Company has no record of JAMES LOMA OWENS.

The records of the St. Louis Police Department reflect the last known address for OWENS, listed in October, 1959, as [REDACTED] St. Louis, Missouri. This address is now occupied by non-Caucasians.

On May 6, 1968, [REDACTED] Barbers Union #102, 2133 Hampton Avenue, advised a search of the active and inactive members of Union #102 failed to reflect any records to JAMES LOMA OWENS. She also advised that she examined the records of licenses issued to barbers who are non-members of the union and also advised these records were negative concerning OWENS. She stated Barbers Union 102 includes Jefferson, Franklin, St. Charles, and St. Louis Counties as well as the City of St. Louis, Missouri. She also advised that a convicted felon cannot receive a barber's license in the State of Missouri.

On May 7, 1968, [REDACTED] Berkeley, Missouri, advised her daughter, [REDACTED] was formerly married to JAMES LOMA OWENS. They were divorced six years ago and [REDACTED] has remarried, living somewhere in the greater St. Louis area. She advised that she was under

2

the impression that OWENS was still serving a sentence in the Missouri State Penitentiary. She advised she is positive that her daughter, [REDACTED], does not know the whereabouts of OWENS. [REDACTED] stated she does not know where her daughter is living since their relationship is very estranged and she, herself, had not seen her daughter in the past 18 months. She advised her daughter married an individual named [REDACTED] but she did not know any further information concerning him. [REDACTED] advised that she did not approve of her daughter's marriage to OWENS and actually knew very little concerning him or his background. She stated OWENS' mother reportedly lives in Honolulu, Hawaii, and she would venture a guess that he is most likely to be incarcerated in some penal institution since he was always breaking the law.

On May 6, 1968, [REDACTED] Missouri State Board of Pardon and Parole, 1500 Big Bend Boulevard, advised she possessed no record of JAMES LOMA OWENS as a current parolee. She advised complete records of all current and former state parolees are maintained in Jefferson City, Missouri, and records are returned to Jefferson City after a parolee becomes inactive.

The following investigation was conducted by SA [REDACTED] on April 26, 1968, telephonically:

Detectives [REDACTED] and [REDACTED] 5th District, St. Louis, Missouri, Police Department, advised there is no actual similarity of features or appearance between LEO HOLDEN PARKER and subject RAY. While at the Missouri State Penitentiary he never heard of money being offered for the death of Dr. MARTIN LUTHER KING or anyone else. He advised that it was common knowledge that anyone could "pick up a few bucks by killing guys like that." He suggested that organizations such as the Ku Klux Klan or other southern organizations commonly referred to as the Klan resisting the present integration movement might pay for the death of KING or other Negro leaders.

[REDACTED] recalls that [REDACTED] also known as [REDACTED], who presently resides at [REDACTED] St. Louis, Missouri, lived in F&G Hall at the Missouri State Penitentiary with RAY. [REDACTED] believes that he has seen [REDACTED] speaking with RAY at the penitentiary. Re: ALLEGED ASSOCIATION OF [REDACTED]  
AND JAMES EARL RAY

Police Officer [REDACTED] Intelligence Unit, St. Louis Police Department, advised SA [REDACTED] and SA [REDACTED] on April 23, 1968, that at the time of JAMES EARL RAY's escape from the State Penitentiary at Jefferson City, Missouri, he was assigned to the Third District, St. Louis Police Department (SLPD). This district covered the area surrounding Jefferson and Park Streets in St. Louis, the area which RAY was known to frequent.

On learning of RAY's escape, [REDACTED] stated he contacted a source of information that he thought might have some information about RAY. This source told him that "RAY had been in town for approximately a week" and [REDACTED] had been putting him up and had hid him out in the basement of [REDACTED] located on [REDACTED]

As a result of this information, he [REDACTED] went to [REDACTED], where he made a search for RAY but did not locate him. Detective [REDACTED] feels that unquestionably the information from his confidential source was accurate.

[REDACTED]

[REDACTED] who had also been harbored by [REDACTED] a [REDACTED]. [REDACTED] is a very close personal friend of [REDACTED] and had made his escape from the penitentiary at Jefferson City after RAY had made his escape. [REDACTED] subsequently admitted to him [REDACTED] that he had hid [REDACTED] out, had given him money, fed him and denied [REDACTED] request that he obtain him a gun.

[REDACTED]

[REDACTED] said that he would be willing to confront [REDACTED] with the above information if it would be of assistance to the FBI in their investigation in instant

matter. He also advised that he would be glad to recontact this source in an effort to determine the identity of any persons who might have personal knowledge of any association between JAMES EARL RAY and [REDACTED]. [REDACTED] said that both [REDACTED] and [REDACTED] were boyhood friends, both coming from the Wendell, Missouri area, and it was very probable that [REDACTED] and JAMES EARL RAY served time together at the Missouri State Penitentiary, and RAY may have learned of [REDACTED] in St. Louis through [REDACTED], and in this way came to [REDACTED] for assistance after his escape.

[REDACTED] also stated that perhaps some investigation at the penitentiary at Jefferson City could throw some light on who may have assisted RAY in his escape and also determine the driver of the truck that RAY hid in when he made his escape. He stated that he thought possibly a St. Louis Police character, [REDACTED], was the driver of that truck and [REDACTED] is probably out of the penitentiary and back in St. Louis at this time.

[REDACTED] said that [REDACTED] had openly admitted to him and to Detective [REDACTED] of the Intelligence Unit that he had on various occasions taken whisky, cigarettes and money to the area of the honor farm at the Missouri State Penitentiary and would throw these off on the side of the road so that the convicts could pick them up and take them back into the penitentiary. [REDACTED] corresponds with [REDACTED] in the penitentiary and visited him on numerous occasions.

Officer [REDACTED] emphasized that he has not and does not say from any knowledge that he has that JAMES EARL RAY and [REDACTED] were friends or even close or that they knew each other prior to RAY's escape, but he does say that some information received by him, which he feels is reliable, indicates [REDACTED] did put RAY up when he escaped, and when he [REDACTED] denies that he knows RAY he is a "liar".

[REDACTED], Portageville, Missouri, was interviewed at his place of business, [REDACTED] Portageville. He was advised of the identities of Special Agents [REDACTED] and [REDACTED] and the purpose of the interview.

[REDACTED] stated he was unable to identify a photograph of JAMES EARL RAY, St. Louis Police Department number 81071, as any person he has ever known or has ever seen. He displayed a cooperative attitude and related that the only escapee from the Missouri State Penitentiary, Jefferson City, Missouri, with whom he has ever come into contact is one [REDACTED] white male, age 39, who escaped in [REDACTED] 1967. [REDACTED] and [REDACTED] were childhood friends from southeast Missouri, and after his escape, [REDACTED] came to [REDACTED] for assistance. At this time, [REDACTED] 1967, [REDACTED] was operating [REDACTED] in St. Louis, Missouri.

[REDACTED], who knew [REDACTED] to be an escapee, gave him \$100 knowing he would probably use it to try to go to Chicago, Illinois, but he, [REDACTED], advised against it. In conversation with [REDACTED] he tried to convince him to turn himself in to the authorities. [REDACTED] eventually went to a brother's house in St. Louis and was later apprehended by the St. Louis Police Department.

[REDACTED] related that [REDACTED] was aware of his helping [REDACTED] and he, [REDACTED], strongly suspects that [REDACTED] probably told them that he, [REDACTED], had harbored an escapee from the Missouri Penitentiary and that this escapee was RAY. [REDACTED] also stated [REDACTED] would probably try to get him in trouble because in the past he and [REDACTED] had a violent disagreement over a "joint fleecing" they had been conducting on a victim, a retired U. [REDACTED] emphasized he has never owned, leased, or operated any farm in southeast Missouri, or any other place, and further has never or at the present time have access to a farm through any other source.

[REDACTED] stated his wife and two children are currently engaged in operating [REDACTED] at Portageville.

Re: JAMES EARL RAY ASSOCIATES

AT ST. LOUIS, MISSOURI

[REDACTED] was contacted at his residence, [REDACTED] St. Louis, Missouri, on April 22, 1968, by Special Agents [REDACTED] and [REDACTED]. He said he is now employed as [REDACTED] out of his house and has unlisted phone number [REDACTED]. He is usually at that address from 11:00 a.m. until 1:00 p.m. [REDACTED]

When contacted at his house by Special Agents [REDACTED] and [REDACTED] on April 22, 1968, he appeared to be completely cooperative throughout the interview, and voluntarily accompanied the agents to the St. Louis Office where he was interviewed.

He furnished the following information:

He knows the subject. Subject frequented [REDACTED] at [REDACTED] around 1958 - 1959. At that time, subject's mother resided on Hickory Street between 18th and Mississippi and subject resided in the vicinity on LaSalle or Park.

He said [REDACTED] who has been arrested for counterfeiting and served time in Leavenworth, knows the subject. [REDACTED] now is going straight and lives with a brother. [REDACTED]

[REDACTED] probably will tell what he knows about RAY.

A man named [REDACTED] operates a confectionary on Hickory about four houses west of 18th Street, north side of the street. The confectionary is in a basement. This is at about the address of RAY's mother. [REDACTED] should know the mother, whether or not she is dead, and possibly know the subject.

2

SL: 44-775

[REDACTED] said he does not know WALTER TERRY RIFE. (RIFE was arrested with RAY, March 7, 1955, for the burglary of the Post Office at Kellerville, Illinois, and served time with the subject at Leavenworth.)

He said he believes a man named JACK or JOHN, who operates the Grapevine Tavern at Illinois and Arsenal, came into [REDACTED] at least once with RAY.

[REDACTED] said he gave up [REDACTED] in May, 1967. He did not see RAY after RAY's escape from the Missouri State Penitentiary in April, 1967. He heard from some source that RAY came back to St. Louis to kill a man. It was [REDACTED] recollection that the man RAY wanted to kill was responsible for RAY's arrest for the holdup resulting in RAY's sentence to the Missouri State Penitentiary in the spring of 1960.

[REDACTED] said he has heard that RAY's family had property and relatives in southeast Missouri and the Poplar Bluff area sticks in his mind.

He said he cannot recall of hearing of RAY's father, any brothers or sisters. He has heard of no attorney used by RAY, nor any bailbondsman.

[REDACTED] was then questioned as to whether he knew if RAY ever contacted [REDACTED] and stated he thinks [REDACTED] told him RAY had contacted [REDACTED] after RAY escaped from the Missouri State Penitentiary. [REDACTED] said that he had known RAY for a long time. He did not know that [REDACTED] had ever helped RAY.

[REDACTED] said RAY could be with [REDACTED] in Wardell, Missouri. He said he could not figure out why [REDACTED] suddenly gave up [REDACTED] and moved to Wardell. He said [REDACTED] had fitted it up with new, expensive equipment and when [REDACTED] said he was moving and selling the house he had bought, [REDACTED] was

3

SL: 44-775

very surprised and asked why. [REDACTED] told [REDACTED] that [REDACTED] had been inspected by a St. Louis building inspector who had found the wiring to be defective. [REDACTED] said it would cost over \$500 to have the place rewired, that the landlord had refused to undertake the necessary repairs, and because of that [REDACTED] had decided to get out and take over a tavern in Wardell, Missouri. [REDACTED] said this did not make sense to him and commented, [REDACTED] hates niggers with a passion."

On being specifically questioned, [REDACTED] admitted that he had had a falling out with [REDACTED]. His version is as follows:

[REDACTED] had been gambling with a man and had taken a couple of checks for the losses. This man then went next door to [REDACTED], started talking about it and was advised by [REDACTED] that [REDACTED] could not collect on the checks if [REDACTED] pressed him because they were gambling losses. [REDACTED] learned of [REDACTED] advice to this man, got mad, and told [REDACTED] he would knock his brains out. Later, [REDACTED] apologized to [REDACTED] the matter was forgotten, and they again became friends.

When pressed upon this further, he said that the check writer in question was an Army officer from Illinois, that the reason [REDACTED] had given him such advice was because [REDACTED] was jealous [REDACTED] had found a soft touch, and that now there were no hard feelings whatever between him and [REDACTED].

When pressed further about this matter, he said that a man named [REDACTED] frequented [REDACTED] [REDACTED] learned of the officer's welching on the bet and said he would take care of him. [REDACTED] told [REDACTED] he did not need any help, pointing out that he had been a former amateur and professional boxer, and that he could whip [REDACTED] with one hand tied behind him.

4

SL: 44-775

He said that nevertheless, [REDACTED] took it upon himself to further the argument when he was drinking and hit [REDACTED] fracturing [REDACTED] jaw. Thereafter, [REDACTED] shot [REDACTED] in cold blood, permanently paralyzing him. [REDACTED] said he was in no way responsible for [REDACTED] action, and later told [REDACTED] so. [REDACTED] agreed to [REDACTED] that [REDACTED] could take care of [REDACTED] and need not have gotten help, and they became friends again.

To point out that their differences had been patched up, [REDACTED] pointed out that [REDACTED] had called him when [REDACTED] was leaving St. Louis for Wardell, and promised to give him his [REDACTED] address and phone number so they could keep in touch.

[REDACTED] said that upon further recollection, he remembers LUCILLE RYAN and remembered RAY's stating that RYAN was his mother, that RAY had visited her in RAY's visit to [REDACTED] in the 1958 - 1959 era. He said that LUCILLE RYAN is now dead [REDACTED] and that when she lived on Hickory Street, she was living with an uncle of JOHN, who runs the Grapevine Tavern at Illinois and Arsenal. He said this uncle is an old-time thief and is still living, and frequents the Grapevine.

This uncle is 5'9", 165 pounds, 55 to 60, unemployed, and has a criminal record. He talks very fast and around the Grapevine keeps talking of old jobs he has pulled so that a listener gets the impression the old man is crazy.

JOHN, manager of the Grapevine, has a speech impediment and will be uncooperative. He drives a white Thunderbird, 1964, or later, model.

[REDACTED] said [REDACTED] definitely helped an escapee from Missouri State Penitentiary named [REDACTED]

5  
SL: 44-775

He denied that he has discussed this with anybody. He said he considers the lead at the Grapevine much better than a follow-up on [REDACTED]. He said that while RAY contacted [REDACTED] after RAY's escape from the Missouri State Penitentiary, he does not know whether [REDACTED] actually helped RAY.

He said [REDACTED] should remember RAY's mother, LUCILLE RYAN, should know who was living with LUCILLE and whether LUCILLE is dead.

Re: Alleged Association of JAMES EARL RAY and J. D.

---

On April 21, 1968, [REDACTED] advised SAs [REDACTED] and [REDACTED] that RAY visited [REDACTED] St. Louis, in the 1958-1959 period. [REDACTED] said [REDACTED] then was [REDACTED] who now lives at [REDACTED] and she should remember RAY's mother, LUCILLE RYAN, now who was living with LUCILLE, and whether LUCILLE is deceased.

On April 22, 1968, SA [REDACTED] attempted to contact [REDACTED] at [REDACTED] but no response could be obtained. A note on the door for the gas man instructed him to obtain payment from the tenant at [REDACTED] by going to the rear door. Inquiry there revealed that [REDACTED] has no telephone and is now visiting a daughter somewhere in Indiana. The address of this daughter, her name, and the length of the visit was unknown. She stated she would give [REDACTED] a note to contact SA [REDACTED] at the St. Louis Office upon her return.

Re: Alleged Association of [REDACTED] and Subject  
AT ST. LOUIS, MISSOURI

[REDACTED] has advised that he heard, possibly from [REDACTED] himself, that subject contacted [REDACTED] when [REDACTED] operated [REDACTED], and that such contact was made shortly after subject escaped from the Missouri State Penitentiary in April, 1967. At that time [REDACTED] operated [REDACTED], a few doors from the house occupied by subject's mother, known to [REDACTED] as LUCILLE. [REDACTED] at [REDACTED] was [REDACTED], now residing at [REDACTED].

On April 29, 1968, [REDACTED], in response to a note left with a neighbor by SA [REDACTED], telephonically contacted the St. Louis Office and advised she had returned to St. Louis from Indiana.

On April 29, 1968, she was contacted at that address by SA [REDACTED] and SA [REDACTED]. She was unable to remember the subject. She remembered LUCILLE RYAN, and stated LUCILLE lived in a rooming house operated by a woman said to be LUCILLE's mother, and who was known as "Old Mary". A number of men lived there at various times, including one of LUCILLE's sons. From data obtained, it appears that this son was subject's brother JOHN RAY. LUCILLE also lived in a rooming house on Mississippi operated by a woman now about 96 years of age. [REDACTED] believes this woman, known as "Granma" is now somewhere in a nursing home. LUCILLE moved there after leaving the house on Hickory Street. This house is on the west side of Mississippi Street, in the block south of Hickory, and is the first house north of the alley. (Observation was later made of this house, and it appears to be vacant and probably condemned.)

[REDACTED] had no information regarding an "Uncle John" who may have lived with LUCILLE on Hickory. She knows [REDACTED] but has no information connecting him with this matter.

On April 22, 1968, SA [redacted] contacted [redacted] at his place of employment, [redacted] telephone [redacted]. [redacted] owns this business and has never been arrested. He employs his brother, [redacted], who has been in Leavenworth and who occasionally refers to himself as [redacted]. He is somewhere in the vicinity but even if located would be completely incoherent until he sobers up. He will drift back to the shop in the next several days after he starts sobering up and [redacted] promised he would then notify SA [redacted] in order that he might be interviewed.

[redacted] said he never forgets a face and he feels he has somewhere, sometime, seen JAMES EARL RAY. He cannot fix the time or place but feels it was probably several years ago in the St. Louis area.

RE: [REDACTED]

[REDACTED] residing at [REDACTED] was interviewed April 23, 1968, by Special Agents [REDACTED] and [REDACTED]. Photographs of JAMES EARL RAY and [REDACTED] were displayed to [REDACTED] who stated that he is well acquainted with [REDACTED] and he recognizes RAY as having been a customer in his tavern. He said that he has operated [REDACTED] at this location and next door for the past 17 years, that he cannot recall specifically when JAMES RAY was in [REDACTED] but presumed that it was prior to RAY's being in the penitentiary in 1960. [REDACTED] operated [REDACTED]

Prior to [REDACTED] taking over [REDACTED] approximately three years ago [REDACTED] had a place of business, [REDACTED] located near Caseyville or Collinsville, Illinois. [REDACTED] knew of this due to the fact that on one occasion approximately two years ago [REDACTED] took him in his, [REDACTED] automobile over to this place and pointed it out to him and they actually went in and had some drinks. It is noted that [REDACTED] explained that at this time [REDACTED] no longer owned this establishment but merely wanted to show it to him. [REDACTED] told him that he had had "hustling girls" at this place in Illinois, and had run into trouble with the law and apparently that was why he had moved to St. Louis. [REDACTED] has a very close friend who he visits at least once a month in Jefferson City Penitentiary whose name is [REDACTED] and [REDACTED] has actually been to Jefferson City and made an effort to get [REDACTED] out.

[REDACTED] further advised that when [REDACTED] escaped from the penitentiary in Jefferson City he was arrested in St. Louis, he thought, in either [REDACTED] brother's or sister's house. He said the police would have a full report on that. He further advised that [REDACTED] has a no-good brother who is a wino and alcoholic who is still around town and wanders up and down Jefferson Avenue periodically. [REDACTED]

[REDACTED] said that he could not associate RAY with [REDACTED] and could not put them together. [REDACTED] said that he recalls when [REDACTED] was shot by [REDACTED] in front of [REDACTED]. He said that if anyone had ever had "it coming to him" it was [REDACTED], that [REDACTED] was nothing but a mean person who had broken his, [REDACTED] jaw and stomped on other persons, hurting them seriously and actually maiming them for life. [REDACTED] presently lives in the country and DENTON states he has heard he is still as mean as ever and actually carries a gun and a club in the wheel chair that he is confined to.

[REDACTED] girlfriend, not his wife, [REDACTED] was working for [REDACTED], as [REDACTED] at the time of this shooting. She is now married to a man named [REDACTED] whose brother is [REDACTED] and lives somewhere in the country. Her mother lives on Missouri Avenue, place unknown to [REDACTED].

[REDACTED] further stated that he recalls that [REDACTED] had a friend who he thought his first name was [REDACTED] [REDACTED] apparently was a gambler who played in the card games with [REDACTED] and they would get some guy in the middle. This individual at one time drove a Chrysler automobile, was a very dapper dresser, but [REDACTED] did not know his name. [REDACTED] was recontacted and stated that [REDACTED] is currently residing in Salem, Missouri, exact address unknown, and [REDACTED] (phonetic) mother is [REDACTED] and resides on Mississippi Avenue, [REDACTED] and she could probably provide her daughter's current address.

Re: ALLEGED ASSOCIATION OF [REDACTED]  
AND JAMES EARL RAY

On April 23, 1968, [REDACTED], owner and operator of [REDACTED] located at [REDACTED] was interviewed by SA [REDACTED] and SA [REDACTED]. [REDACTED] identified [REDACTED] as a person with whom he is acquainted through his [REDACTED] knowledge that [REDACTED] ran [REDACTED], located nextdoor to [REDACTED]. The wanted flier of JAMES EARL RAY was displayed to [REDACTED] at which time he stated that to his knowledge RAY was unknown to him. [REDACTED] said he has never heard that [REDACTED] owned or had a farm. [REDACTED] did tell him, prior to his moving from the [REDACTED], that he [REDACTED] thought he had a good deal running [REDACTED] down in the country near Portageville, that he had a friend who owned [REDACTED] there and this friend had offered him the opportunity to run [REDACTED] if he cared to move to that area.

[REDACTED] advised that [REDACTED] had told him that the reason he had decided to move from Jefferson Avenue was because of the fact that the City of St. Louis would not approve of the wiring in the restaurant and it would have cost him [REDACTED] approximately \$600 to make the necessary repairs to the wiring. [REDACTED] said that to the best of his recollection [REDACTED] had moved to the country approximately five or six weeks ago. He has not heard from him since. The only friend he knew about of [REDACTED] was a man who came to [REDACTED] two or three times and sometimes more a week and participated in card games with [REDACTED]. [REDACTED] explained that [REDACTED] apparently had a little gambling going on at [REDACTED], and this friend of [REDACTED] would participate in the game and work with [REDACTED]. Actually the friend would be playing for the house. [REDACTED] said he did not know this person's name, but the man was a white, male American, 45 to 50 years of age, 5 feet 10 inches, 165 to 170 pounds, medium build, grey hair - thinning on top, very well dressed with fine clothes, married - had a wife and teenage daughter. [REDACTED] said that this individual when he first came to [REDACTED] drove a Chrysler automobile which had Illinois license plates on it, thought to be about a 1964 model. This car was apparently sold and the man appeared in a new 1967 Buick automobile, a "real dark brown bottom and black vinyl top". This Buick had Missouri license plates on it.

The following investigation was conducted by SA's  
[REDACTED] and [REDACTED] on April 25, 1968:

AT ST. LOUIS, MISSOURI:

RAY RELATIVES

SISTER MARY CLARA, Head Sister, Catholic School of Specialized Reading, 4149 West Pine, advised that that property had been a school for approximately seven years and is owned by the Archdiocese of St. Louis who also own the property immediately to the west, known as 4151 West Pine, which is used as a convent. She advised that she had no knowledge of the former occupants of 4149 West Pine but stated that a Mrs. RADKE at 4147 West Pine and Mrs. COULTER at 4157 West Pine might have information about former occupants.

Mrs. ALICE RADKE, 4147 West Pine, advised that 4149 West Pine was formerly owned by RUDY and RUTH KRACK, who sold the property to the Roman Catholic Church about seven years ago. She recalled that the KRACKs kept roomers in her home but she did not know any of these people. She did not know the KRACKs' current address except she thought they lived in the western part of St. Louis near University City, Missouri. She examined a copy of an Identification Order #4182, and stated that JAMES EARL RAY was unknown to her.

Mrs. JEWELL A. COULTER, 4157 West Pine, advised that Mr. and Mrs. RUDY KRACK lived at 4149 West Pine from the early 1940's until 1961 or 1962 when they sold their home to the Catholic Church and moved to [REDACTED] St. Louis, Missouri. Mrs. COULTER recalled that the KRACKs kept roomers in their home but she did not know any of these people. She examined a photograph of JAMES EARL RAY and advised that he was unknown to her.

Mrs. RUDY KRACK, [REDACTED] advised that she could not recall anyone named JERRY RAYNES or JERRY RYAN ever having occupied an apartment in her home at 4149 West Pine. She

stated that she and her husband purchased 4149 West Pine in 1940 and lived at that address until they sold the property in late 1961 to the Catholic Church. They moved to their present address in early 1962. Mrs. KRACK advised that she felt certain she would remember a roomer who had lived in her home for approximately eight years and she could not recall anyone ever having used the name JERRY RAYNES or RYAN. She examined a photograph of JAMES EARL RAY and advised that he was unknown to her.

Mrs. WILLIE MANNING, 1731 South 11th Street, owner of 1727 and 1729 South 11th Street, recalled that a person named JERRY RYAN (not sure of last name, could have been RAYNES) lived in an apartment at 1727 South 11th Street with a teenage son and daughter around 1960. She recalled that the children were both in their late teens and that the girl was the oldest. RYAN had no wife that she knew of. These people lived at 1721 South 11th Street for several months and moved to an unknown address, she thinks, on Menard Avenue. Mrs. MANNING stated that none of the present occupants of 1727 or 1729 South 11th Street lived at those addresses in 1960. She was unable to recall the names of persons who did live at those addresses in 1960. She examined a photograph of JAMES EARL RAY and stated that he definitely was not one of the children who lived with JERRY RYAN and further that she cannot recall ever having seen him before.

Efforts to expand the neighborhood investigation in the area of 1727 South 11th Street were not determined feasible since the entire northern end of the block on the west side of the street is occupied by a truck dock and the entire eastern side of the street is the back wall of a warehouse.

Efforts to locate residents at 1135 South 10th Street met with negative results. The southern most building in the block is now known as 1133 South 10th Street and this address is occupied by the FEDERHOFER Truck, Leasing and Rental, Inc., which occupies the entire south half of the block on the west side of Tenth Street. The buildings across on the east side of the street are abandoned and ready to be razed.

3.  
SL 44-775  
TLB/pjh

Mrs. FLORA SARR, 1012 Hickory, around the corner from 1133 South Tenth Street, recalled that the corner of Tenth and Hickory used to be occupied by a rooming house which was demolished when the present building was built about 1962. She thinks that this corner was numbered 1135 at that time. Mrs. SARR advised that the old rooming house on the corner of Tenth and Hickory was managed by a Mr. FOWLER whose first name and address she does not know. She was very sure FOWLER did not own the property but merely managed it. She stated that FOWLER was quite elderly eight years ago and may well have died by this time; in any event, she does not know his present whereabouts. She further advised that she never knew any of the occupants of the rooming house.

He stated that RAYNES was a peculiar individual who came to work and left when he pleased and was engaged in selling cars. RANDOLPH stated that he was not aware that RAYNES had a son but did know that RAYNES had a young daughter who he sometimes brought to work and left in the car. RANDOLPH viewed a photograph of JAMES EARL RAY and stated he had never seen this individual.

RANDOLPH stated he did not know RAYNES' address while he worked for him and had no idea where RAYNES was now although he had mentioned that he wanted to go to Acapulco, Mexico.

The following neighborhood investigation was conducted at 1915 Hickory:

The Reverend PATRICIA ANN JONES, Apartment #8, advised that she has been living at that address for three months and stated that she did not know any of the previous occupants. She further advised that this address was a rooming house and people frequently moved in and out and no one in the building had been there longer than a year.

HELEN CREAMER, 1915 Hickory Street, stated that she had resided at this address for sometime but had never heard of LUCILLE RAY, LUCILLE RYAN, or LUCILLE BERNES. She stated this is a transient neighborhood and no one residing in that neighborhood would have knowledge of previous occupants at 1913 Hickory.

RE: RAY RELATIVES

On April 21, 1968, [REDACTED] advised SAs [REDACTED] and [REDACTED] a man named SMITH operates a confectionary on Hickory Street about four houses west of 18th Street, north side, in a basement. This should be about the address where RAY's mother lived on Hickory, and [REDACTED] felt SMITH should know the mother, whether or not she is dead, and might possibly know RAY.

On April 22, 1968, SA [REDACTED] determined that SMITH is AUBREY SMITH, 1811 Hickory. SMITH said he is familiar with newspaper publicity concerning this matter, and while RAY may have been a customer, he does not remember him nor his mother. He stated that the two best sources of information in the neighborhood would be COLLEEN TURNBOUGH, 1902 Hickory, and SOPHIE MARTIN, 1917 Hickory.

Mrs. TURNBOUGH was interviewed and it was determined she had previously been contacted on this matter by SA [REDACTED]. It was also determined SA [REDACTED] has contacted SOPHIE MARTIN. During the contact with Mrs. TURNBOUGH, however, she stated she knew LUCILLE RYAN was dead through Mrs. LLOYD BIRDSONG, who now lives at [REDACTED]. Mrs. TURNBOUGH said that she talked to LUCILLE only once, but that Mrs. BIRDSONG was a frequent visitor with LUCILLE.

On April 25, 1968, LLOYD BIRDSONG, [REDACTED] phone [REDACTED] advised that his wife is out oftown, but was expected to return during the day of April 25, 1968. He stated that since the publicity on RAY has appeared he has discussed this matter with his wife. He stated he had no independent recollection of RAY or his mother, as during that time he worked nights and slept during the day, and thus had little contact with his neighbors. He stated that his wife was not well acquainted with LUCILLE RYAN. [REDACTED]

[REDACTED] Mrs. BIRDSONG told her husband that RYAN was living with an older women believed to be RYAN's mother. She was known as "Old Mary." BIRDSONG believes that RYAN and her mother occupied the entire house and had no

BIRDSONG was recontacted later in the day and said that his wife's return had been delayed because of illness in the family. It was her understanding that the PEPPER family had probably purchased the property from the HOLTZ family who live on [REDACTED] near above addresses. She stated the WAGNERS had rented the property next door for approximately 20 years prior to the time the PEPPER family moved in.

Mrs. TOOMBS stated she had not observed any automobiles parked in front of the PEPPER home or in the drive leading to the garage other than the white fairly late model Ford automobile driven to and from work by Mr. PEPPER. She stated she had visited with Mrs. PEPPER briefly on one occasion but had not been invited inside the home. She stated the two PEPPER children, [REDACTED], had been overheard on one occasion talking about going fishing with their grandfather on a farm believed to be somewhere in out-state Missouri. She also recalled having heard Mrs. PEPPER remark on one occasion that either her brother or a brother of her husband had been helping Mr. PEPPER in fixing up the house.

RE: RAY RELATIVES

The following inquiries were conducted by SA [REDACTED] in the vicinity of [REDACTED] the former residence of ALBERT and CAROL PEPPER.

On April 26, 1968, Mrs. ERNEST (JEAN) COOK, [REDACTED] advised that ALBERT and CAROL PEPPER were neighbors of hers, having lived upstairs at that address for about three years until they moved away in approximately September 1967. Mrs. COOK recalled that the PEPPERS had two young sons - [REDACTED]

Mrs. COOK viewed photographs of subject JAMES EARL RAY stating that she did not recall ever having seen this individual and she believed he had not visited the PEPPERS at any time to her knowledge. She recalled that CAROL PEPPER's brother, who she believed was named JOHN RAY, visited the PEPPER residence occasionally and Mrs. COOK had an impression he lived somewhere in St. Louis. She had an impression that JOHN RAY was married but she could not recall having seen his wife and could not advise how she gained this impression. Mrs. COOK also recalled that CAROL PEPPER's father, who apparently lived somewhere in St. Louis, was also an occasional visitor at the PEPPER residence and not long before the PEPPERS moved away CAROL PEPPER mentioned that her father had bought a farm somewhere in Missouri and Mrs. COOK believed that CAROL PEPPER mentioned this farm was located near Poplar Bluff, Missouri. Mrs. COOK recalled that CAROL PEPPER spoke of her mother as being dead. While the PEPPERS lived there CAROL PEPPER worked at a nearby school on 12th Street near Russell Avenue where she was apparently assisting in the "Headstart" school which her older boy attended. Mrs. COOK believed this work by CAROL PEPPER was probably volunteer work. Mrs. COOK understood that when the PEPPERS moved away they moved to a new address in Maplewood, Missouri.

On April 29, 1968, Mrs. MARY JEAN GOLLUBSKE, [REDACTED] advised that she recalled ALBERT and CAROL PEPPER who formerly resided at [REDACTED] for two or three years and in approximately September 1967 when they moved to Maplewood, Missouri. Mrs. GOLLUBSKE furnished information corresponding to that previously furnished by Mrs. ERNEST COOK. She did not recognize photographs of subject JAMES EARL RAY stating she had no knowledge that this person was ever a visitor of Mr. and Mrs. PEPPER. Mrs. GOLLUBSKE also recalled that the older son of the PEPPERS was actually named [REDACTED] but was called [REDACTED] which was apparently a nickname. Mrs. GOLLUBSKE also recalled that the school at which Mrs. PEPPER was apparently a volunteer worker in the "Headstart" program was a Catholic school located at 12th Street and Russell Avenue.

Both Mrs. COOK and Mrs. GOLLUBSKE stated they did not recall Mr. and Mrs. PEPPER ever having made mention of CAROL PEPPER's brother JAMES EARL RAY.

Regarding information that PEPPER had allegedly seen subject JAMES RAY since his escape from prison, [REDACTED] and [REDACTED] stated they had no evidence to support this, and it was merely an "impression" since PEPPER is very close-mouthed about RAY.

Regarding information that PEPPER made a comment [REDACTED] that "his brother-in-law was arrested the same day he (PEPPER) was arrested", [REDACTED] stated he knows nothing further regarding the statement made by PEPPER, and PEPPER did not identify the brother-in-law. ALBERT PEPPER was contacted on the morning of April 22, 1968, by Special Agent [REDACTED] and Special Agent [REDACTED] at [REDACTED] St. Louis, Missouri.

PEPPER said he did not want to talk with the agents. He said he had tried to be cooperative when he was interviewed by FBI Agents at his home on the preceding Friday. He said he had nothing more which he could tell the agents and that he did not intend to cooperate any further. He said that he was at this time about to begin his daily work and that he wanted to go on about his work and not be bothered any further. He said if he continued to be bothered in connection with this investigation, he might see a lawyer and see if something could be done about it.

Inquiry was made by Special Agent [REDACTED] of PEPPER as to whether he was aware of the importance and significance of the investigation to locate JAMES EARL RAY, a Federal fugitive, and PEPPER replied that he was aware of this. Special Agent [REDACTED] advised PEPPER that there was a Federal Harboring Statute which might be applicable if PEPPER should harbor this fugitive or should withhold information concerning him. He replied he was not concerned about this because he had already supplied all the information he had at the time of a previous interview and that he was not harboring a fugitive.

## FEDERAL BUREAU OF INVESTIGATION

1Date May 2, 1968

ALBERT B. PEPPER was interviewed at his place of employment, [REDACTED] PEPPER stated he had never seen subject RAY inasmuch as RAY was serving time in the Missouri State Penitentiary at the time he married CAROL RAY, subject's sister. He denied having any information whatsoever concerning the present whereabouts of subject or having been contacted either directly or indirectly by subject since his escape from the Missouri State Penitentiary at Jefferson City, Missouri.

With respect to subject's brother, JERRY RAY, presently residing in Chicago, Illinois, he stated he had not seen JERRY in a couple of months. When questioned concerning the subject's brother, JACK RAY, he stated he had not seen him in approximately one month. He further stated he did not mix with his wife's relatives and her contact with them was her own business.

When questioned specifically concerning any communication from the Missouri State Penitentiary addressed to the Albert J. Pepper Stationery Company, 712a Shenandoah, St. Louis, Missouri, PEPPER stated he and his family formerly resided at that address but he was not aware of any mail addressed to such a stationery company. In discussing this matter, he admitted that his wife might have received such a communication but denied having any information concerning this. He mentioned the possibility that if such a letter had been sent it very well could have been stolen from the mailbox and never received as they have had in the past checks stolen from the mailbox.

PEPPER was asked if he would discuss this matter with his wife CAROL and endeavor to determine whether or not she had ever received any mail or any money mailed to her addressed to the Albert J. Pepper Stationery Company, 712a Shenandoah, and he agreed to do so. During the entire course of the interview, PEPPER appeared friendly, but obviously volunteered no information whatsoever.

It was pointed out to PEPPER that this matter would undoubtedly be discussed with him again at some future date and he was apparently agreeable to this suggestion.

RE: JAMES EARL RAY  
RELATIVES - NEIGHBORHOOD

AT ST. LOUIS, MISSOURI

The following investigation was conducted by SAs [REDACTED] and [REDACTED] April 19, 1968.

JOHN RAY, brother of subject, when registering at the MacArthur Hotel, St. Louis, Missouri, February, 1968, showed one address at [REDACTED] and on a second registration during February, 1968, he gave his address as 1912 Hickory.

From observation it was determined that the address [REDACTED] is non-existent; that the area where this address would normally be located is the north edge of Cherokee Part, a city park in St. Louis.

TONY CREAMER, 1915 Hickory, advised that the FBI had previously talked with his mother, HELEN CREAMER, attempting to locate JAMES RAY. He indicated that while he did not know them, he understood that the RAY family previously lived at 1913 Hickory Street and that the only people in the neighborhood who have been in the area long enough to remember the RAYs were the TURNBOUGHS at 1902 Hickory and Mrs. MARTIN at 1917a Hickory.

JUNE TURNBOUGH, 1902 Hickory, and Mrs. SOPHIE MARTIN, 1917a Hickory, were both contacted at the TURNBOUGH residence, at which time Mrs. TURNBOUGH indicated she had resided in the area for 21 years, while the MARTINS had resided there for 14 years. They recalled that about 1959 or so a woman named LUCILLE, her mother, and LUCILLE's son resided in and operated a rooming house at 1913 Hickory. Mrs. TURNBOUGH recalled that LUCILLE's son, who may have been the subject, was with her son when he was walking across the roofs of the houses on Hickory Street and fell through a skylight. Mrs. TURNBOUGH and Mrs. MARTIN advised there has been a high turnover of residents in the area during past years, that there is no one else in the neighborhood that was residing there during 1959, and that neither of them have heard or seen anything of or concerning the family occupying 1913 Hickory during 1959.

and SA [REDACTED]

On April 20, 1968, Mr. GOERGE SVOBODA, JR., 1926 Allen Street, which is the property in the area where 2012 Mississippi Avenue would be located, was contacted. Mr. SVOBODA related that the address 2012 Mississippi does not exist. He advised that it would be the rear of his property if it did exist. He stated that his property is the Moydell Funeral Home and has been in existence for over thirty years. He advised that he has never had any person by the name of RAY employed by the company. He viewed a photograph of the subject JAMES EARL RAY and advised that this person was not familiar to him.

On April 20, 1968, Mr. and Mrs. WALTER SCHUESSLER, 2011A Mississippi Avenue, advised that he could not recall a JOHN LARRY RAY having resided at the address of 2011 or 2013 Mississippi in the last few years. He advised that he has resided at this address for the last 28 years and that he cannot recall any person by that name residing at the address.

RE: RAY RELATIVES

AT ST. LOUIS, MISSOURI

The following investigation was conducted by Special Agent [REDACTED] on April 23, 1968:

Through the Missouri State Highway Patrol, Kirkwood, Missouri, it was ascertained that 1968 Missouri license [REDACTED], was issued on a 1960 Ford coach, Vehicle Identification Number (VIN) [REDACTED], to JOHN RAY, [REDACTED] St. Louis, Missouri.

1

Date April 23, 1968

JOHN LARRY RAY, also known as JACK, was located at the Grapevine Bar, 1982 Arsenal Street, St. Louis, Missouri, telephone Prospect 6-9417. RAY readily admitted his identity and also admitted that he is the brother of JAMES EARL RAY. He said that he had not spoken with anyone concerning the charges against his brother, and this includes other members of his family.

RAY stated that he last saw JAMES two to four years ago, when he visited his brother at the Missouri State Penitentiary, Jefferson City, Missouri. Prior to this visit, he had not seen his brother for approximately fifteen years. On that occasion, JAMES EARL RAY had just been discharged from the United States Army and visited members of the family in Quincy, Illinois. RAY said that he has had no other contacts with his brother over these many years and has no knowledge of his whereabouts. He insisted that he has not been contacted by his brother since the latter's escape from the Missouri State Penitentiary in 1967 and, as a matter of fact, did not know of the escape.

JOHN RAY stated that he is commonly known as JACK. He said that his sister, CAROL ANN PEPPER, owns the Grapevine Bar and has operated the establishment since the fall of 1967. He claimed that he did not have any interest in the business other than to assist his sister. He said that she had had some trouble with patrons fighting and since that time he has tried to assist her in the operation of the bar.

*John Ray* JOHN RAY stated that the last time he was outside the City of St. Louis was three, four or possibly five months ago, when he went to Quincy, Illinois, to visit his sister. *Ave. St. Louis*

## FEDERAL BUREAU OF INVESTIGATION

Date April 29, 1968

1.

JOHN LARRY RAY was contacted at the Grape Vine Tavern, 1982 Arsenal Street, St. Louis, Missouri, where he was attending bar. RAY was asked to re-iterate when he last saw his brother JAMES EARL RAY, and he said that it was several years ago at the Missouri State Penitentiary. He was asked how many times he had visited his brother in the penitentiary and on this occasion said two or three times.

RAY was reminded that the records of the penitentiary reflected that he was a visitor on at least nine occasions the last of which was on April 22, 1967, the day before the brother escaped. RAY stated that he was confident that he had only been to visit his brother in jail on three or four occasions. He did not recall the date of his last visit. He stated that he formerly had a visitor's permit issued to JOHN or JERRY RAY. He and his brother JERRY possibly used the same permit. He said that the exact number of visits he made to the penitentiary could be determined through handwriting examination of the prison records.

RAY said that he himself was released from the Menard Penitentiary, Chester, Illinois, in February, 1960. Following release he came to St. Louis where the subject was incarcerated in the City Jail. RAY visited his brother at the jail prior to his being sent to the State penitentiary. RAY pointed out that he was in the Menard Penitentiary for seven years on a larceny conviction and thus he could have had no personal contact with his brother from 1953 until 1967, other than on prison visits. RAY insisted that he knew nothing of subject's plans to escape and that he has had no contact with his brother since the escape. He added that he did not know of his brother's escape from the penitentiary until several weeks or perhaps a month after the actual escape when he heard of same on the radio. He noted that no law enforcement officers have contacted him concerning his brother other than during instant investigation.

RAY stated that after coming to St. Louis in February, 1960, he remained here for two or three months and then went to Chicago, Illinois, where he worked as a bartender. His most

steady job was at the White Pine Golf Course, Bensonville, Illinois, a suburb of Chicago where he worked for approximately four years. He also worked briefly at the Greyhound Bus Depot, Chicago. He said that he returned to St. Louis approximately one year ago and has had various part-time jobs one of which was as a bartender at the Arena Bowl for several weeks, and another as a bartender at 901 N. Kings-highway Boulevard.

He has been working at the Grape Vine Tavern since it opened in December, 1967. He claimed that his sister, CAROL PEPPER was the owner of the tavern, but admitted that he himself had \$1,800 invested in the business.

The interview was terminated when other patrons entered the establishment and RAY had to attend bar. He indicated that the barmaid he usually has working during the day became ill and went to a hospital for treatment.

The provisions of the harboring statute were re-iterated to RAY but he insisted that he did not know the whereabouts of his brother JAMES EARL RAY.

Date May 9, 1968

1.

JOHN LARRY RAY interviewed in the vicinity of the Grapevine Tavern, 1982 Arsenal Street, St. Louis, Missouri, at which time he advised that his brother, JERRY RAY, arrived here from Chicago about 9:30 AM on April 30, 1968, at which time he woke him up at his residence. He stated during the time JERRY remained in St. Louis they spent most of their time around the tavern, however, did visit their sister, CAROL PEPPER in Maplewood, Missouri.

He stated that the majority of the conversation concerned harassment of sister CAROL and brother JERRY by newspaper reporters. JOHN RAY related that JERRY indicated if the harassment in Chicago continued he would quit his job.

JOHN RAY stated that his brother JERRY left to return to Chicago driving his own automobile, a light green DeSoto, about 11:00 AM, May 1, 1968.

JOHN RAY specifically stated that during the conversation there was no indication that either JERRY or CAROL had any knowledge of JAMES EARL RAY's location or contact with him directly or indirectly since his escape from the Missouri State Penitentiary.

JOHN RAY pointed out that the only one member of the family whose location would be known to JAMES EARL RAY would probably be JERRY because the rest of the family have all moved at one time or another since the escape, and JERRY RAY's address would be the only stable address known to JAMES EARL RAY.

When questioned regarding amounts of money sent to the Missouri State Penitentiary for JAMES EARL RAY, JOHN RAY stated that he would on occasion send his brother money while a prisoner at Jefferson City, however, could not specifically recall the amounts or the number of times he sent money. He stated that he did this because of the realization by himself having been a prisoner how hard it is to come by the necessities while a prisoner and also due to the fact that his brother JAMES EARL RAY had sent him money while he (JOHN RAY) was a prisoner at the Menard Penitentiary.

With regard to his brother, JOHN RAY stated that JAMES EARL RAY appeared to be a normal person as far as he recalls until he returned from the Army in Germany when on contact subsequent to this return he gathered the opinion that JAMES EARL RAY became a narcotics user while in the Army or else had some other cause to act crazy on occasion.

JOHN RAY further pointed out that it was his belief that if his brother, JAMES EARL RAY, killed Dr. KING he was either crazy at the time or was paid for this act of violence. He conjectured that if it was a crazy act or an act while he was mentally unstable he felt that JAMES EARL RAY would never then contact any member of the family. Further, if this killing were for money he would not contact any of the family because he would not need any help financially. He indicated that it was his opinion that if he were paid by any person or group for this assassination that they in turn would kill his brother to seal his lips forever and prevent any connection between the individuals responsible for the contract and the assassination of KING.

JOHN RAY stated that he knew of no close friends of his brother, that his brother was a loner, and any friends he would make would be short term acquaintances.

JOHN RAY again emphatically denied any knowledge of, direct or indirect contact with his brother, JAMES EARL RAY, since his escape from the Missouri State Penitentiary. He reiterated that in the event he should garner any knowledge concerning his brother's whereabouts he would immediately contact the Federal Bureau of Investigation inasmuch as he was well aware of the provisions of the harboring statute and does not want (himself) to return to prison over something that he could avoid.

JOHN RAY stated that he has not been contacted by anybody regarding money in connection with paying or collecting any amounts owed by or to his brother while his brother was an inmate in the Missouri State Penitentiary. Further, that he

3.

never furnished any money to an attorney, in fact did not even know the name of any attorney that might have been in previous contact with his brother, JAMES EARL RAY. He noted, however, that he vaguely recalls his brother mentioning during one visit to the penitentiary that he had an attorney either in Columbia, Missouri, or Jefferson City, Missouri, however, he was very unspecific regarding this and it may have been that he just wrote to one of those from the prison in an effort to get some brief set forth, and there would be a record of this communication in the Missouri State Penitentiary correspondence records.

With regard to correspondence JOHN RAY stated that he does not recall receiving many letters but may have received one or two letters from JAMES while one or the other of them was a prisoner, but believes that JERRY RAY may have corresponded more frequently with him.

Date May 10, 19681

JOHN LARRY RAY was contacted at his residence, [REDACTED] St. Louis, Missouri.

He advised that his brother, JERRY RAY, arrived in St. Louis last night from Chicago driving his own car and getting to the Grapevine Tavern about 9:30 p.m.

After remaining at the tavern for a short period of time he left indicating he was tired and was going to go to a hotel (name not mentioned) and would meet tomorrow about noon at the Grapevine Tavern with JOHN.

JOHN RAY stated that JERRY indicated he wanted to get away from Chicago for awhile because of harassment from newspaper reporters and did not know how long he intended to stay in St. Louis. JOHN RAY pointed out that there was no statement made by JERRY that would lead him to believe that JERRY had any knowledge of the whereabouts of JAMES EARL RAY.

He spent his waking hours on May 6, 1968, with his brother, JOHN, and stayed at JOHN's apartment that night.

JERRY RAY telephonically contacted Special Agent [REDACTED] at 6:30 p.m. on May 7, 1968, following a visit with his sister, CAROL PEPPER.

He stated she had indicated she had nothing specifically against the Federal Bureau of Investigation (FBI) which prevented her cooperation but that she and her husband were both angry with law enforcement generally because members of the St. Louis, Missouri, Police Department had disclosed the PEPPER relationship to subject to her husband's employer who had proceeded to advise other employees with the result that her husband had been regarded with suspicion by them, particularly by Negro fellow employees.

He had assured her that the FBI had not disclosed any information concerning the relatives and that the FBI had assured him that it was interested in preventing harassment of relatives by the press. He pointed out that his own harassment by the press had not been caused by the FBI and he attributed the relative lack of press harassment experience by Missouri relatives to the FBI policy of secrecy.

She told him she and her husband had even talked seriously of selling their home and leaving the area.

She also expressed her beliefs to him that subject was not guilty of the KING assassination.

He stated that he would stay with his brother, JOHN, the night of May 7, 1968, and would recontact his Chicago employer telephonically on the morning of May 8, 1968. He stated that in the event the area surrounding his employment was free from reporters at that time it was his intention to leave St. Louis for Chicago at approximately noon on May 8, 1968. RE: RAY RELATIVES

The following investigation was conducted by Special Agent [REDACTED] on April 23, 1968:

JOHN J. QUINN, Excise Commissioner for the City of St. Louis, City Hall, 12th and Market Streets, St. Louis, Missouri, advised that CAROL ANN PEPPER was issued a City Full Drink License, number 5056, on November 27, 1967, for the operation of a tavern at 1982 Arsenal Street, St. Louis, Missouri. In her application, PEPPER indicated she was born [REDACTED], Ewing, Missouri, and resides at [REDACTED], St. Louis, Missouri. She indicated previous residences at [REDACTED] and [REDACTED], and claimed no arrest record. Her husband, ALBERT BENNY PEPPER, was born on [REDACTED] at [REDACTED] and was employed as a [REDACTED] by [REDACTED], St. Louis, Missouri. PEPPER LIQUOR LICENSE

The following investigation was conducted by  
SA [REDACTED]

On April 23, 1968, Special Agent [REDACTED] State Liquor Control Office, Continental Building, Grand and Olive Streets, St. Louis, Missouri, advised that all applications for retail liquor dealer licenses are forwarded along with the investigation regarding the application to the State Liquor Control Office, Jefferson City, Missouri, where they would be under the control of State Liquor Control Supervisor HARRY WIGGINS.

[REDACTED] pointed out that the application for retail liquor dealer license in the State of Missouri is very detailed, including questions such as residence of the owner and operator for the past 10 years and details as to where the money for the purchase or commencing of business was obtained.

[REDACTED] stated that from his limited records maintained at this office it would appear that CAROL PEPPER was issued a license under their control number 6243, doing business as Jack's Place at 1982 Arsenal Street, St. Louis, Missouri. A notation in the file indicates that applicant's husband has a police record.

At time of application a surety bond of \$2000 is required and this bond was signed by professional bondsman HENRY GRIESEDIECK.

With regard to this tavern location, it was previously operated as a tavern by one GEORGINE AUDREY MC GUIRE, which license was issued July 1, 1966; however, was not renewed July 1, 1967, and, therefore, assumed to be discontinued as a business on or before June 30, 1967. [REDACTED] pointed out that their records indicate that this particular license of CAROL PEPPER's was applied for as "sole owner and operator" and, therefore, hidden ownership or operation by someone else under her license would be a violation of the Liquor Control Laws of the State of Missouri subjecting the license to suspension or revocation.

The following investigation was conducted by  
SA [REDACTED]

On April 23, 1968, [REDACTED] Internal Revenue Service, Alcohol, Tobacco and Tax Unit, 200 North Broadway, St. Louis, Missouri, advised that Form 11 Special Tax Return must be filed with the Special Tax Unit of Internal Revenue Service prior to the issuing of a Federal Liquor Tax Stamp. [REDACTED] pointed out that in the event such return were filed under the name of one person who was merely a "front" whereas in reality another person was the true owner and the individual liable for the Special Tax Return for the operation of a tavern, then the one making the return would be liable under Title 26, Section 7206, Paragraph 2, U. S. Code, for filing a false Special Tax Return and subject to \$5000 fine and/or three years imprisonment or both.

[REDACTED] pointed out that no background information to any extent is obtained at the time of filing Form 11 merely requesting the name of the owner or partner, the trade name of the business, the address of the business and whether or not this is a new business, a renewal of tax stamp, a change of location or a change of ownership.

[REDACTED] Special Tax Unit, Internal Revenue Service, 12th and Market Streets, St. Louis, Missouri, advised that a Form 11 Special Tax Return was filed under the name CAROL PEPPER, doing business as Jack's Place, 1982 Arsenal Street, St. Louis, Missouri. The tax was paid in the amount of \$31.50 for a retail liquor dealer class of tax. This return was signed CAROL PEPPER and under title of the individual signing this return the word owner is circled with the date being shown as November 27, 1967. The form is checked for a new business with the date of commencement shown as December 1, 1967. The date of issue is reflected as December 1, 1967, with the stamp number being reflected as 249659.

RE: PEPPER LIQUOR LICENSE

On May 7, 1968, St. Louis United States Attorney VERYL L. RIDDLE advised Special Agent [REDACTED] that pursuant to a current project undertaken by his office to determine the nature and extent of criminal ownership of liquor dispensing establishments in the St. Louis Metropolitan area, which project has no relationship to this case, he had secured the cooperation of the United States Post Office and State Liquor Control Officials. The State Liquor Control Office has mailed extensive questionnaires to all liquor licensees located in St. Louis, St. Louis County and Jefferson County, Missouri, in which detailed information is requested as to ownership and other matters. The deadline for the return of such questionnaires was originally scheduled for May 1, 1968, but returns to date have been sparse which necessitated setting up a new dead-line of June 1, 1968.

Mr. RIDDLE stated that returns are to be forwarded to the State Liquor Control Office by mail and that false answers in such returns by certain target owners may cause presentation of the matter to a Federal Grand Jury to determine if furnishing false answers to the Liquor Control Office through the mail constitutes a scheme for use of the mail in furtherance of a scheme to defraud.

Mr. RIDDLE emphasized that questionnaires had been sent to all tavern owners in the area and that no individual owner would thereby feel he had been singled out for any special attention.

Mr. RIDDLE stated that he wanted to be sure that his project would not interfere with our investigation of this case in any way. He was confidentially advised of the identities of subject's brother and sister, JOHN RAY and CAROL PEPPER, as well as the name and location of the Grape Vine Tavern. He was further advised it does not appear his project would interfere with the investigation of this case.

2

SL: 44-775

He stated that he would take care to see that any return concerning the Grape Vine Tavern received would be placed aside and that no action would be taken regarding it without first checking with this Office. On Saturday, April 20, 1968, [REDACTED] Cape Girardeau, Missouri, telephonically contacted the Cape Girardeau Resident Agent, [REDACTED] and advised that their employee, [REDACTED], had reported to him that he, [REDACTED], had been in the Last Chance Pizza Parlor in Cape Girardeau, on Friday, April 19, 1968. While there, he overheard a person named MELVIN DECK, who stated he lived on a farm between Advance and Zalma, Missouri, state that he knew the father of JAMES EARL RAY, who was being sought for the killing of Dr. MARTIN LUTHER KING.

AT FREDERICKTOWN, MISSOURI

The following investigation was conducted on April 23, 1968, by Special Agent [REDACTED]:

MELVIN E. DECK, [REDACTED] Fredericktown, Missouri, advised that he was in Cape Girardeau on Friday, April 19, 1968, at a pizza parlor and tavern and saw a photograph of the man wanted for killing Dr. KING on television, and mentioned to the bartender that he knew the father of this man. DECK then related as follows:

He used to be acquainted with BILL RAY, who he claimed to be the father of JAMES EARL RAY, and that he last saw BILL RAY about five years ago at an auction in Cottage Hills, Illinois, which is a suburb of Alton, Illinois. BILL RAY was then living at Alton and had moved to there from the Zalma, Missouri, vicinity in about 1940. BILL RAY originally married VESTA MEADORS, who he claimed to be the mother of JAMES EARL RAY. VESTA MEADORS moved to Alton with BILL RAY but then moved back to Zalma, where she lives with her mother. He did not know if VESTA MEADORS and BILL RAY were divorced or separated. The father of VESTA MEADORS was TONY MEADORS, who is now deceased. He stated that BILL RAY had two sons and two daughters that he knows of; the youngest son being named COTTON, and whom he thought was identical

2  
SL: 44-775

with JAMES EARL RAY, and an older son, named JOE, present location not known. In addition, the two daughters' names he could not furnish, but stated that they were married and lived in the Alton, Illinois, vicinity. Mr. DECK made his identification from the photographs contained on Identification Order number 4182. He stated that the profile photograph of JAMES EARL RAY, the one on the left, was almost an exact likeness of the son COTTON, who is the son of BILL RAY, now residing at Alton, Illinois. Further, he stated that he saw this COTTON RAY about four or five years ago with his father at the auction in Cottage Hills, Illinois.

Based on information already developed in this matter concerning the relatives of the subject, JAMES EARL RAY, and the fact that JAMES EARL RAY was in the Missouri State Penitentiary four to five years ago, no further investigation was undertaken to identify or interview any other relatives of BILL RAY or BILL RAY himself, as outlined above by Mr. MELVIN E. DECK.

Reverend BROWER stated he had also heard several rumors that the assassin was from Pemiscot County. SUSPECT - [REDACTED]

AT ST. LOUIS, MISSOURI

The following investigation was conducted by Special Agent [REDACTED]

On April 8, 1968, Reverend OLIVER W. GIBSON, Parish Temple, the Christian Methodist Episcopal Church, 800 North Union, St. Louis, Missouri, advised he had been Master of Ceremonies in a memorial to Dr. KING on that date and following the evening services in his church, at approximately 9:00 p.m., he was told a white man desired to see him. This individual gave his name only as "COLLINS". Reverend GIBSON described him as being 5 feet 8½ inches tall, 155 to 160 pounds, ruddy complexion, blond straight hair, scar on the right cheek and scar on the left hand. He was well dressed in a dark green business suit with a shirt and tie. He wore a watch with a black face on his left hand and there was a ring on his right ring finger with the initial "H."

At the conclusion of the interview the individual admitted to Reverend GIBSON his real name was [REDACTED]. He then told Reverend GIBSON he was not a beggar but a thief and a murderer. He claimed to possess \$10,000.00 in counterfeit checks in an attache case he was carrying, together with several credit cards. He claimed he had come to St. Louis from Chicago on the morning of April 7, 1968, but did not indicate the method of his transportation. He stated that he desired to find peace and claimed that he had recently been in Atlant, Georgia, and had met with Dr. KING who had befriended him. He stated he had told KING he had but one year to live due to a brain tumor. He was in possession of a card bearing KING's name and his home and office telephone numbers.

[REDACTED] did not so state but gave the impression to GIBSON he was the assassin of KING by stating he had ordered

2

someone killed. He wondered if he should turn himself in. He stated he had studied psychology, had been in the military and had won both bronze and silver stars. He admitted to having used narcotics. He wanted GIBSON to help him find peace. He had only \$.18 in cash and GIBSON gave him \$5.00. He stated he wanted GIBSON to help him and stated he would meet GIBSON at the church at 10:30 on the following morning (April 8, 1968).

He claimed that he was wanted both by the Federal Bureau of Investigation and the Mafia but stated "they can't catch me."

The files of the St. Louis Division disclose that [REDACTED] has suicidal tendencies, once was a narcotics user, is a mental case and a drifter and has numerous arrests.

Information was received from the Federal Bureau of Investigation, Washington, D. C., telephonically on April 8, 1968, that [REDACTED] was not wanted by the FBI.

On April 8, 1968, Reverend GIBSON stated that [REDACTED] had failed to keep his appointment with him on that date and that [REDACTED] whereabouts were unknown.

Reverend GIBSON recalled that during the original contact by [REDACTED] had indicated he has always experienced trouble with his parents and that he had first noticed this difficulty at the age of ten when he has sworn at his mother, whose name was [REDACTED]. He had stated he rebelled against authority. He further claimed to have been in Atlanta, New Orleans, Texas, California, Colorado (where he had relatives) and that he had flown from Chicago to St. Louis. He stated that he had been in jail much of the time.

Reverend GIBSON stated he was confused as to the purpose of [REDACTED] visit and was fearful of being alone with him due to his alleged wanted status. He stated he did not desire to spend more time with [REDACTED] due to the late hour and circumstances under which he had been originally contacted. He stated he could only account for the contact by assuming that [REDACTED] had been in the crowd at the KING Memorial where the location of GIBSON's

church was announced. He felt this visitor was the same as [REDACTED]

On April 9, 1968, the Identification Division, Federal Bureau of Investigation, Washington, D. C., advised that the remaining unidentified latent prints in this case were not identical with the fingerprints of [REDACTED]

The following investigation was conducted by Special Agent [REDACTED]

She stated that after arriving at her home in Senath on April 11, 1968, she and her daughter and son-in-law, [REDACTED], re-hashed the incident and the question of a license plate on the white Cadillac had come up. At that time none of them could remember having noted the license plate and she could think of nothing else concerning this car which would be of any assistance in identifying it. She again stated that the individual she saw driving this car bore a resemblance to the side photograph of JAMES EARL RAY, particularly the hair-line contour. She again stated that the individual was wearing dark glasses. After she and her daughter and son-in-law had pulled off of the highway at the pecan candy store, the Cadillac continued on down the road and once it was out of sight, they continued on their trip and saw it no longer.

[REDACTED] Congress Airport Inn, 3433 North Lindbergh Boulevard, advised that she had never knowingly seen guest JAMES RAY, who occupied Room #114 at the motel as of about 5:08 PM on April 18, 1968; however, during the mid-morning hours on April 19, 1968, she, at the motel switchboard, received an incoming call from an unknown male who asked for RAY and she referred the call to Room #114, the room occupied by RAY.

[REDACTED] also recalled having recorded two twenty-cent outgoing local calls on the local call slip for RAY's room, however, such calls are not otherwise recorded at the motel and guest JAMES RAY left the motel on April 19, 1968, without settling for such calls.

WALTER L. BROOKS, Manager, Congress Airport Inn,  
3433 North Lindbergh Boulevard, advised as follows.

At 5:08 PM on April 18, 1968, a male guest registered at the motel under the name of "JAMES RAY, Allstate Ins. Co., Columbia, Ill." in a 1967 Plymouth bearing license ~~for~~ or ~~XXXXXX~~. The guest executed a Guest Registration card for either IVA TRACER or SHERYL CARRIGER, clerks on duty at the time.

BROOKS saw this individual, who was assigned to Room #114 at the motel, during the early evening hours of April 18, 1967, when he was in the lobby of the motel. BROOKS did not engage the man in conversation but merely observed him in the lobby and noticed that the man was driving a 1967 green Plymouth, four-door sedan, since BROOKS, upon first observing the car, had believed that a friend of his who drives a similar type car was visiting BROOKS at the motel. BROOKS described the man as a white male, age in late thirties, 5' 10", 160 - 170 pounds, slender build, dark hair, wearing an unrecalled sport shirt, a light sport coat, possibly blue checked, dark trousers, with no tie and no hat.

Upon arriving at the motel at about 10:30 AM on April 19, 1968, BROOKS noted that the 1967 green Plymouth was still parked in front of Room #114, however, at about noon on April 19, 1968, BROOKS noted that the car was gone from that location and it has since been learned that the man who occupied Room #114 on the night of April 18, 1968, left the motel without checking out shortly before 12 Noon on April 19, 1968. Upon registering the man had paid \$9.79 in cash, in advance, for the room fee and tax. This transaction is identified as transaction #8018 on the cash machine tape for the motel for April 18, 1968.

Once a guest completes the Guest Registration card, the clerk at the motel then executes a ledger card from the information on the Guest Registration card.

A review of the records of the motel reflected that on April 18, 1968, two local telephone calls were made from Room #114, however, the motel does not record the numbers called since the guest may dial directly from his room.

~~REDACTED~~ on the morning of April 20, 1968, called BROOKS' attention to the close resemblance between the above-styled motel guest of April 18-19, 1968, and JAMES EARL RAY, whose photograph appeared in the "St. Louis Globe-Democrat" of April 19-20, 1968.

BROOKS reviewed photographs of JAMES EARL RAY, FBI Number 405 492 G, and stated, from his brief contact with guest JAMES RAY on the evening of April 18, 1968, he believed that these were one and the same person.

BROOKS advised that Room #114 was subsequently thoroughly cleaned shortly after noon on April 19, 1968, and has been subsequently rented to another guest.

BROOKS furnished the original Guest Registration card #5737 for JAMES RAY, described above, dated April 18, 1968, for investigative use.

Date April 24, 19681.

Miss IVA TRACER, Terris Ann Motor Court, Bridgeton, Missouri, who can be reached at telephone number [REDACTED] a clerk at the Congress Airport Inn, 3433 North Lindbergh Boulevard, advised as follows:

At about 5:08 PM on April 18, 1968, a white male, age in late 30's, 5'8" to 5'10", 165 pounds, with a short-cut dark hair style, approached the desk and executed motel guest registration card as "JAMES RAY, Allstate Ins. Co., Columbia, Mo." TRACER did not notice the make or model of the car that the guest was driving but it appeared to be a dark green auto, nor did she notice the license plate on the car. The guest was assigned Room #114 and paid \$9.79 room fee and tax in advance. It is not recalled whether or not the guest had any luggage.

The guest wore a white shirt, no tie, a light-colored sport coat, dark trousers, and spoke with his head bowed and eyes cast downward.

TRACER viewed photographs of JAMES EARL RAY, FBI #405 942 G, and stated that the photograph of RAY and the appearance of JAMES RAY, the guest in Room #114 at the motel on April 18, 1968, appear to her to be those of the same person.

TRACER did not see RAY again and her fellow clerk, SHERYL CARRIGER, was not in the motel office when the said guest appeared to register.

Date April 24, 19681.

HARVEY MINK, Night Auditor, Congress Airport Inn, 3433 North Lindbergh, advised as follows:

Sometime during the late year 1967, exact date not recalled, a white male registered at the said motel under the name of JAMES RAY, Allstate Insurance Company, St. Louis, Missouri, and left without paying his bill. MINK checked with the Allstate Insurance Company at St. Louis and was unable to identify this man as an employee.

During the night of April 18, 1968, while going through the motel guest list, MINK noticed the name of JAMES RAY as a guest in Room #114 at the motel. He also noted that the said guest in Room #114 had paid \$9.79 in advance, but he called Room #114 in an effort to obtain a further room advance, but got no answer to such a call.

MINK noted from the St. Louis Globe-Democrat of April 20-21, 1968, that one JAMES EARL RAY was wanted by the Federal Bureau of Investigation and he advised WALTER L. BROOKS, Manager of the motel of the above circumstances regarding the former guest in Room #114.

MINK did not see the guest in Room #114 for April 18, 1968, nor did he see the car that the guest was driving. He could not describe the guest who registered as JAMES RAY, Allstate Insurance Company, St. Louis, Missouri, in late 1967, and who "skipped" on his bill and a search of motel records by MINK failed to locate any such record.

NAOMI HAWKINS, Housekeeper, Congress Airport Inn, 3433 North Lindbergh, advised that when she came to work on the morning of April 19, 1968, a green colored car was parked in front of motel Room #114. The car bore Missouri license plates, number unknown.

Upon checking the premises later in the day at shortly before Noon, she noticed that the car was gone from in front of Room #114 and the room was vacant so she thereupon cleaned the room for the next tenant.

Nothing unusual was noted in cleaning the room and the only items left were sheets of newspaper from the floor which she threw in the trash can.

AT ST. LOUIS, MISSOURI

The following investigation was conducted at St. Louis, Missouri, by SA (A) [REDACTED] on April 20, 1968:

A check of the Missouri State License Directory failed to reflect a listing for [REDACTED] or [REDACTED], it being noted that Missouri licenses contain only six digits, whereas such numbers contain seven digits. Derivations of such numbers, [REDACTED], [REDACTED] and [REDACTED] although listed, had no apparent connection with a JAMES RAY or a 1967 Plymouth.

Miss SHERYL CARRIGER, [REDACTED], a registration clerk at Congress Airport Inn, 3433 North Lindbergh Boulevard, advised that she was not on duty at about 5:08 PM on April 18, 1968, and had no knowingly seen the guest in Room #114 at the motel, nor his automobile, at any time.

Miss MARY LOU BEACHLER, Secretary, Allstate Insurance Company, Claim Department, 9231 West Florissant Avenue, advised that she is a long-time employee of the firm and that the firm has never employed a JAMES RAY as an agent in the St. Louis, Missouri, area. She remarked that the Allstate Insurance Company is represented in Columbia, Missouri, by an unrecalled independent agent at the Sears, Roebuck and Company store at Columbia, Missouri.

Kansas City was requested on April 20, 1968, to conduct logical investigation at Columbia, Missouri, to identify JAMES RAY, Allstate Insurance Company, and the Kansas City Office subsequently advised on April 20, 1968, that investigation at Columbia, Missouri, had failed to identify RAY as an employee of Allstate Insurance Company.

The Bureau advised on April 22, 1968, that comparison of the handwriting on the motel registration in this instance with known specimens of subject's handwriting resulted in the conclusion that subject had not executed the motel registration.

On April 25, 1968, the Bureau advised latent fingerprints developed on above registration card were not identical with the fingerprints of subject.

AT ST. LOUIS, MISSOURI

On April 28, 1968, the Los Angeles Office advised that one [REDACTED], who resembled subject JAMES EARL RAY, FBI Number 405942G, was aboard TWA Flight #174, which left Los Angeles at 8:21 a.m. and was due to arrive at St. Louis, Missouri, on April 28, 1968, at 1:40 p.m. [REDACTED] was described as wearing a white shirt with buttoned down collar and a yellow cardigan sweater, carrying a blue flight bag and sitting in the coach section of the aircraft, midway on the right side. He had made inquiry about connections to Marion, Ohio, via Ozark Airlines and had checked two pieces of luggage.

The following investigation was conducted by SA [REDACTED] and SA [REDACTED] on April 28, 1968:

At 1:30 p.m. a white male, later identified as [REDACTED], was observed as he alighted from TWA Flight #174 which arrived at St. Louis Municipal Airport at 1:28 p.m. The said flight was determined to have been a non-stop flight from Los Angeles, California. [REDACTED] was dressed in a white, buttoned-down shirt, no hat or tie, and wearing a yellow button-front cardigan sweater and black trousers.

Upon interview, [REDACTED] identified himself by producing Illinois State Drivers License [REDACTED], a white male, born [REDACTED], at [REDACTED], his residence. [REDACTED] is further described as being 5 feet 8 inches, 155 pounds, brown-grey hair, crew cut, blue eyes and having false upper front teeth. He has Selective Service Number [REDACTED].

RE: [REDACTED]

A review on April 25, 1968 of the U. S. Army service records on file at the Military Personnel Records Center (MPRC), St. Louis, Missouri, for [REDACTED] Serial Number [REDACTED] indicated he enlisted in the U. S. Army on [REDACTED] 1950, and entered on active duty the following date at Knoxville, Tennessee. He served on active duty until [REDACTED] 1952, when he was given a general discharge as a Private at Fort McPherson, Georgia, [REDACTED]

U. S. Army records failed to contain any specific details regarding [REDACTED] reason for discharge, however, records contained a neuropsychiatric examination dated April 2, 1952, wherein he received a diagnosis of "Emotional Instability Reaction", moderate to severe, with four months combat duty in Korea, and severe environmental difficulty since. His condition was characterized by strong, uncontrollable tendencies to ward regression, furor attacks, pathological dependency on his family and wife, depressiveness, intolerance to anxiety, and rejection of his intrepyschie stress into family affairs. He went absent without official leave (AWOL) because of nervousness and because of the emotional demands being made on him by his wife and parents. He gave a history of crying when treated roughly or having temper tantrums or furor attacks and of being emotionally tense at all times.

It was further noted his condition was not amenable to hospitalization, treatment, disciplinary action, training, transfer to another station, or reclassification. He was considered to be not insane, possessed sufficient mental capacity to know the difference between right and wrong, and was considered to be mentally responsible for his acts.

It was further noted he showed a straight-forward maturity reaction, and that this constitutional psychopathic was not considered a medical disease and was not a condition for which he would receive treatment in military institutions. It was the psychiatrist's opinion that considerable leniency was desirable in dealing with [REDACTED] since the origin of his troubles began with a battle-incurred wound and his final illness had some of the nuisances of battle fatigue. It was then

RE: INDIVIDUAL RESEMBLING SUBJECT AT LIQUOR  
STORE BETWEEN STEELE, MISSOURI, AND BLYTHEVILLE,  
ARKANSAS

The Memphis Division advised on April 11, 1968, of receipt of information from [REDACTED] of Decatur, Alabama, that he had observed an individual who resembled the artist's sketch of subject at a liquor store on old highway 61 between Steele, Missouri, and Blytheville, Arkansas, on March 30, 1968, at 1:30 p.m.

AT STEELE, MISSOURI:

The following investigation was conducted by SA [REDACTED] on April 18, 1968:

[REDACTED] (protect), advised that from Steele, Missouri, south to the Arkansas border on Old Highway 61, there are only three places where liquor or beer are sold, and only two of these are packaged stores, the third one being a private bottle club. The first, located in Steele, is EDDIE's Tobacco Store, operated by EDDIE RINEHART at 136 South Walnut. The second is the Rendevous, a private bottle club which does not sell packaged liquor, operated by JACKIE PERRY at Holland, Missouri, three miles south of Steele on U. S. Highway 61. The third is the B & H Tobacco Store, operated by CLEATUS BAILEY, this being located right on the Arkansas - Missouri State Line on U. S. Highway 61 approximately ten miles south of Steele.

EDDIE RINEHART, Proprietor of EDDIE's Tobacco Store, 136 South Walnut, Steele, Missouri, was contacted. It is noted that RINEHART bears a resemblance to the photograph of ERIC STARVO GALT as shown in the right-hand photograph of I. O. #4182. This resemblance comes from the hairline, the dark-colored hair, the forehead and the full facial features. RINEHART does not have the long or obviously pointed nose that is shown on the photographs of I. O. 4182. RINEHART described himself as being born on [REDACTED], 5'7" tall, weighing approximately 215 pounds, with brown eyes and black hair. RINEHART advised he wears glasses all the time and has recently been in the U. S. Army. RINEHART advised that the only other persons employed at his store are his mother and father, both of whom are somewhat elderly, and bear no resemblance whatsoever to the photographs of JAMES EARL RAY.

2.  
SL 44-775

CLEATUS BAILEY, Proprietor of the B & H Tobacco Store, Route One, Steele, Missouri, advised that he is the sole proprietor of this store, runs the place virtually single-handed, but on occasion has employed persons from the Steele vicinity to help him. None of these have been young people and he has never seen anyone in his place which would bear the resemblance of JAMES EARL RAY.

JACKIE PERRY, Operator of the Rendevous Club, advised that his establishment is generally not open until late in the afternoon. He does not sell packaged liquor and was not familiar with anyone who bore any resemblance to JAMES EARL RAY.

Visual observation of U. S. Highway 61, from the Arkansas border through Steele, Missouri, and on north to Hayti, which is approximately 20 miles north, disclosed no additional packaged liquor stores.

INVESTIGATION BASED ON PIECE OF PAPER FOUND  
IN RAY'S MUSTANG

Re: GINGER DAY, Also Known As  
NANCE and SUSAN HARRIS FLIKEID

Found in a search of the 1966 white Mustang registered to ERIC STARVO GALT, located abandoned in Atlanta, Georgia, on April 9, 1968, was a torn portion of the top of a Kleenex box, which had the following information handwritten thereon:

"Ginger Day + Anita Katzwinkel  
1535 Serrano Apartment 6"

Also on the same portion were written the words "Olkahombe" and "Broult". On the other side were written the words "At Pool".

It should also be noted that GALT occupied apartment 6, 1535 Serrano Blvd., Los Angeles, California, during November and until January 18, 1968.

On April 12, 1968, the Los Angeles Division advised that [REDACTED] stated that SUE FLIKEID is her neice and that she and her husband were en route to Mendota, Illinois. She further advised that ANITA KATZWINKEL, SUE and a girl, possibly named GINGER CUNNINGHAM, all come from Mendota, Illinois, and were part of a rather wild crowd who used to work with migrant farm workers around Mendota during summer vacations.

NANCE stated that her father then drove them to her residence where they spent the night and subsequently, transported them to Los Angeles, California, the next morning.

According to NANCE, they took up residence at the Palms Apartment, exact address unknown, Sunset Boulevard, Hollywood, Los Angeles, California. NANCE stated that the reason she went to this location was that she and KATZWINKEL knew that a friend of theirs from Illinois, SUE HARRIS, was residing at this address. NANCE and KATZWINKEL obtained their own room at this apartment the number of which she cannot recall at this time and she estimated that she stayed at this apartment approximately three weeks.

NANCE stated that she and KATZWINKEL then moved to 1535 Serrano; however, she cannot recall the apartment number at this time and that she estimates she resided at this apartment approximately 1½ months. NANCE stated that she believes she departed California in June of 1967, sometime around her birthday which is June 5 and that she left this apartment, possibly leaving behind some of her personal effects. She stated that she hitchhiked from Los Angeles to a truck stop known as "Little America, which is 75 miles outside of Cheyenne, Wyoming, where Routes 88 and 33 intersect." She stated that she met her boyfriend, JIM LEEHY, of Dixon, Illinois, at this truck stop and that they continued to hitchhike together from here to Dixon, Illinois. She estimated that they had eight separate rides, none over 300 miles, mostly with truck drivers in their vehicles. She cannot recall at this time riding in a Mustang. NANCE definitely stated she never wrote her name and address on any paper and furnished this to any individual she met while traveling to Dixon, Illinois.

NANCE stated that while she was in California, she dated a VINCE (Last Name Unknown), exact address unrecalled, Los Angeles, California, telephone [REDACTED], Extension [REDACTED]. She stated that this is possibly a hotel but she does not know for certain. She believes this individual was an IBM operator, employment unknown. According to NANCE, she met this individual at the Vagas Club during the period of time she lived at the Palms Apartment and that this Vagas Club was in the immediate area where she resided. NANCE described

this person as a white male, approximately 30 years of age, 5'5" tall, 130 pounds, dark hair and eyes, hair worn straight back and believed to be of Italian extraction. NANCE stated that she has never written her name and address and given it to this individual.

NANCE also advised that while in California, she also dated a second individual known only to her as "RED" whom she also met at the Vagas Club, Sunset Boulevard, Hollywood, California, and that she met this person at the time she was residing at the apartments on Serrano. She described this person as a white male, approximately 28 years of age, 6' tall, 170 pounds, red hair worn short, straight back but in a crewcut. She stated that he resided at an unknown apartment house in Los Angeles at telephone number [REDACTED] and that he is possibly employed as an electrician at an unknown factory. NANCE stated that she also did not give her name and address to this individual.

NANCE stated that the only person she can recall at this time that KATZWINKEL dated is a TOMMY HUNTER, [REDACTED] Hollywood, California, and that she did not date him.

[REDACTED]

[REDACTED]

NANCE stated that the name of ERIC S. GALT is unknown to her.

NANCE stated that upon reflection, she believes that KATZWINKEL had one date at their apartment at Serrano and that this unknown individual owned a dry cleaning store on Sunset Boulevard in the "hippie" area. This individual is described as a white male, approximately 6' tall, 200 pounds, 35-40 years of age, black hair with grey, hair worn straight back and wore a small mustache. KATZWINKEL was believed to have had two dates with this individual and that this individual operated a white Ford van type truck.

NANCE stated that the word "Oklahombe" sounds familiar to her as a nickname for a Negro male who worked at the bar at the Vagas Club and that this individual played the guitar in this band. He is described as a Negro male, approximately 5'9" tall, 140 pounds, 25-27 years of age, and that he worked the 9:00 p.m. to 2:00 a.m. shift. NANCE stated that she believes she would recognize this individual if she ever saw him again.

She also advised that KATZWINKEL met a Negro male who owned a convertible Mustang, possibly white in color, and that the top of this Mustang was definitely white. She believes KATZWINKEL gave him their name and address and that she only saw him on two occasions. She believes they met this unknown individual at a bowling alley on Serrano and Sunset several weeks prior to her departure in June from California.

NANCE stated that to the best of her recollection, she does not recall writing her name and KATZWINKEL's name on a Kleenex box.

NANCE voluntarily furnished samples of her handwriting to interviewing Agents.

She advised that based on the description furnished to her by interviewing Agents for ERIC S. GALT, there was an unknown person who lived at a hotel, possibly the St. Francis which is also in the area where they resided, whom they met. She believes that they met this individual while they were residing at the Palms Apartment and possibly met him two weeks after arriving in California. She stated that she and KATZWINKEL moved into Apartment 6, Serrano, during the fourth week and that she recalls now arriving in California in the early part of May, 1967.

party dated ANITA and that he drove a light colored Volkswagen camper which appeared fairly new. She advised that to the best of her recollection, she was never in this automobile. NANCE stated that to the best of her recollection, she never gave him her name and address or KATZWINKEL's name on a Kleenex box.

NANCE stated in reference to the trip to Mexico this unknown individual mentioned, she does not know for a fact that he actually took this trip. NANCE stated that to the best of her recollection, she has never met any of his friends or associates and that she never went to his room in the motel and knows nothing concerning any camera equipment he may have been in possession of. NANCE stated that she believes she only saw him on three occasions and has no information as to where he came from. NANCE stated that she has no information of persons who would know of this individual's present whereabouts. NANCE met this person through KATZWINKEL and does not know the circumstances under which KATZWINKEL met this party. NANCE does not know of any information which would connect this person with anyone in the hippie area of Los Angeles.

This individual is described by NANCE as a white male, approximately 5'9" tall, 145-150 pounds, 30-32 years of age, hair dark brown with gray, hair cut short.

NANCE at this time furnished interviewing Agents with fingerprints and photographs of herself

JAMES WAYNE LEEHY, [REDACTED] Dixon, Illinois, telephone [REDACTED], advised that he is the boyfriend of GINGER NANCE. LEEHY advised that in June of 1967, he hitchhiked from Illinois to Wyoming where he met NANCE at the "Little America" Truck Stop outside of Cheyenne, Wyoming. He stated that they then hitchhiked from Wyoming to Illinois and that the only Mustang he can recall traveling in was a red Mustang. He advised that while they were in Missouri possibly outside of St. Louis near an Army base, either Fort Leonard Wood or Fort Crowder, they obtained a ride from an unknown male driving a red Mustang bearing unrecalled Ohio tags. According to the conversation he had with this individual, he believes he had just purchased this automobile and that he was returning to Ohio after having been discharged from the military. LEEHY stated that this individual drove them to Sandodol, Illinois, where Routes 50 and 51 intersect.

This individual driving the red Mustang is described as a white male, approximately 5'8"-5'9" tall, 156-157 pounds, approximately 27 years of age, as this was the age furnished to him by this driver, hair auburn and parted on the side. LEEHY stated that this individual possibly worked at Carthage, Missouri, at an unknown job. LEEHY stated that he could probably recognize this individual if he were to see him again.

LEEHY advised that after meeting NANCE in Wyoming, they traveled to Oklahoma where he repaired the automobile left at Oklahoma City by NANCE; however, this automobile again subsequently experienced mechanical difficulty and they left the automobile.

RE: SUPERIOR BULK FILM COMPANY

[REDACTED] Superior Bulk Film Company, 442-450 North Wells, Chicago, furnished the following information concerning a mail order received from ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama, for camera equipment on October 3, 1967:

Superior Bulk Film Company, advertises their products in the following magazines:

Popular Mechanics  
Popular Science  
Science and Mechanics  
U. S. Camera  
Popular Photography  
Modern Photography  
Field and Stream  
Hunting and Fishing  
Mechanix Illustrated

The Company does not record the name of anyone requesting a manual or catalogue until an order blank form is submitted by a customer.

On October 3, 1967, the Company received an official order blank which is included as an insert in the order manual from ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama, in which one Kodak Dual Projector M95Z, one Kodak Super 8 Camera, Model M8, one HPI Combination Splicer and one 20 foot remote control cable, totaling \$337.24. A money order cashier's check or draft for \$337.24 was received with the order because records reflect the above equipment was sent out on October 3, 1967, via Parcel Post under invoice number 179530, which is the date the order blank was received. The Company does not, as a Company policy, mail merchandise on an order accompanied by a personal check, unless the person making the order is known to the Company.

The Company substituted, on a loan basis, a Crestline Super 8 Camera for the Kodak Model M8 because the latter was not in stock. The Crestline Camera was received by the Company on October 12, 1967, as a rejected item. GALT also sent a typewritten note dated October 5, 1967, signed ERIC S. GALT in which GALT acknowledged receipt of items ordered adding he was returning the camera sent to him because he ordered a four-speed camera while the substituted camera was a one-film speed camera. GALT also wrote he was to leave for Mexico on Saturday which would have been October 7, 1967, and he would send his Mexican address to the Company.

On October 18, 1967, the Company mailed, via Parcel Post, the Kodak Super 8 D38 camera, under invoice order number 179530, to the Birmingham, Alabama, address. By typewritten letter, signed ERIC S. GALT, the Company was advised GALT returned the substituted Crestline Camera adding he could not wait for the originally ordered Kodak camera. He requested his refund be mailed to Puerto Vallarta, Jalisco, Mexico, Hotel Rio, Apartado Postal #23. The Kodak Camera was received by the Company on November 2, 1967.

By typewritten letter dated November 20, 1967, signed ERIC S. GALT, the company was requested to mail GALT's refund for the rejected camera to 1535 North Serrano, Los Angeles, California 90027, because GALT did not receive his refund while in Mexico. The letter indicated GALT would be at the Los Angeles address for five months.

The Company by letter dated November 30, 1967, mailed to the Los Angeles address, advised the refund check for \$142.89, #32338, was re-mailed to GALT's Mexican address. The canceled refund check has not, as of March 29, 1968, been received by the company.

The original check in the amount \$337.24 received in payment for the original order from ERIC S. GALT was deposited on October 2, 1967, at the Merchandise National Bank, Chicago, under Superior Bulk Film Account Number [REDACTED]. [REDACTED] had no further information concerning the check.

[REDACTED] advised the model M-8 camera ordered by GALT has a forty millimeter zoom lens included and added it is a very fine piece of equipment as is the other equipment ordered.

[REDACTED] stated that the fact that inquiry was made concerning an automatic printer would indicate the person buying this equipment probably has raw stock-film and has means to process same. The fact that sound strip apparatus was also a point of inquiry on the reverse side of GALT's initial order indicates sound would also be employed.

The Crestline Camera for which the refund check was mailed to GALT is the only portion of the initial order which has been returned to the company.

[REDACTED] asserted that he received a telephone call on October 4, 1967 or October 5, 1967, between the hours of 8:00a.m. and 9:00 a.m., from a man identifying himself as ERIC GALT. GALT advised he could not wait for the Kodak camera and that he is returning the one sent to him, referring to the Crestline Camera. GALT added he would purchase another camera locally. [REDACTED] felt that GALT specifically wanted a Kodak Camera inasmuch as he returned a very fine camera, namely the Crestline. [REDACTED] added he recalled the voice was from the South, meaning the person calling had a Southern accent.

[REDACTED] made available a remote control PRINZ Air Shutter Release with a 20 foot cable, which is similar to the remote control cable sent to GALT. [REDACTED] also made available a blank Superior Bulk Film Company check drawn on the Merchandise National Bank, Chicago, which is similar to the refund check sent to GALT. The check would be signed either [REDACTED] or [REDACTED]

Q134 [REDACTED] Form [REDACTED], in the name "Eric S. Galt"

Q135 [REDACTED] form [REDACTED] bearing the signature "Eric S. Galt"

Result of examination:

The "Eric S. Galt" signatures on Q128, Q130, Q131, Q132 and Q135 were prepared by the writer of the signatures in this name appearing on items previously submitted in this case.

The typewritten impressions appearing on Q127, Q128, Q130, Q131, Q132 and Q135 were found to be the same style of type but the lack of identifying defects precluded a determination as to whether the same typewriter prepared all of these items; however, no significant differences were noted between the impressions appearing on these items. The style of type appearing on these specimens conforms to a standard for Royal pica style of type spaced ten letters to the inch. This style of type also appears on a typewriter sold under the Singer name.

It was determined that the hand printing appearing the Q133 order blank and the Q134 enrollment form was prepared by the same individual. No questioned hand printing appears on the other items received.

Indented impressions were noted on the reverse side of the Q128 letter. The names "Ray," "Galt" and "Rily" and numerals "ET3623" were some of the notations interpreted on this item. A photograph of the indented writing is enclosed for the information of Los Angeles.

The submitted evidence has been retained.

On April 30, 1968, [REDACTED] Superior Bulk Film Company, 442 North Wells, advised SA [REDACTED] the company does not maintain serial numbers of cameras or projectors on incoming or outgoing shipments. [REDACTED] added the company purchases its equipment from the Eastman Kodak Company, Oakbrook, Illinois.

On April 30, 1968, [REDACTED], Eastman Kodak Company, 1901 West 22nd, Oakbrook, Illinois, advised the company only maintains serial numbers of cameras and projectors on incoming shipments from the Kodak Company in Rochester, New York. The Oakbrook branch does not maintain serial numbers of outgoing shipments and, therefore, cannot establish the serial numbers sent to individual mail order houses or individual customers. Regarding warranties, [REDACTED] advised all warranty slips received at the Oakbrook branch are mailed to the main office of Kodak in Rochester, New York, and the local branch does not maintain any records concerning warranties. The Rochester Office maintains records of warranties under names of individuals on which the serial number is entered by the customer. The warranties are of one year duration.

On April 29, 1968, the Identification Division, Latent Fingerprint Section, advised that the latent fingerprint previously reported on the letter Q130 has been determined to be of no value in instant matter.

On July 2, 1968, the Buffalo Division advised that inquiry at the Eastman Kodak Company, Rochester, New York, developed that no warranty given for any Kodak camera equipment and serial numbers was recorded when shipped by company. A warranty is furnished for Kodak Projector M952 and approximately 50 per cent of the slips are returned by purchasers. Checks presently being made to determine if warranty returned by the subject under his true name and known aliases in an effort to determine serial number of projector.

Investigation from the various subscription lists of the magazines utilized by Superior Bulk Film Company did not develop any subscriber identifiable with the subject.

Re: JERRY WILLIAM RAY, Brother

Mr. RICHARD CHAMBERLAIN, Owner, Sportsman Country Club, Dundee Road, Northbrook, Illinois, advised SA [REDACTED] as follows on April 23, 1968:

JERRY RAY started with the country club on September 16, 1964, as a dishwasher and was actually sent to the club from the Bell Employment Service, Chicago, Illinois. At the time that RAY started his employment, he entered on an application that he was previously employed for the Knodel Bakery Company, St. Louis, Missouri, on the ovens and as a waiter at the Sunset Sanitarium, St. Louis, Missouri. No dates of employment were listed for either of the above two employments. The last employment entered by RAY before he came to the Sportsman Country Club was listed as a dishwasher for Keeshen's (phonetic); however, no address or city was given for this employment. RAY's home address was listed as [REDACTED] (phonetic), St. Louis, Missouri.

At the time that RAY started his employment as a dishwasher, the maintenance work was done at the club on a contract basis by the Marx Maintenance Service, Des Plaines, Illinois. At this time, an older couple was doing the maintenance work for the Marx Company and resided at the club. This arrangement was entirely for the convenience of the club which did not wish to hire maintenance people directly. Eventually, the older couple left and RAY took over the same duties and was employed again by the convenience of the club by the Marx Maintenance Service. Eventually, Mr. CHAMBERLAIN discontinued the Marx Maintenance Service and hired RAY on a direct basis and RAY is presently making approximately [REDACTED] a week with a take-home pay averaging anywhere from [REDACTED] to [REDACTED] a week. RAY is very frugile and his only expense appears to be paying the upkeep of a child by a previous marriage.

Approximately two years ago, RAY married a waitress at the club, a GJIRDIS ANNA D. OLSEN, who was formerly married to a man with the last name of [REDACTED] (phonetic) and after her divorce from [REDACTED] shortly thereafter married RAY.

CHAMBERLAIN described GJIRDIS OLSEN as a woman still in her twenties, [REDACTED] who he believes is presently residing with her parents, [REDACTED] Deerfield, Illinois. This address and the name of her parents was given to the club by OLSEN at the time she started her employment as a waitress.

[REDACTED]

Mr. CHAMBERLAIN [REDACTED]

[REDACTED] stated that he will immediately contact RAY and talk to him concerning the necessity of RAY's complete cooperation with the FBI. The patrol service used by the Sportsman Country Club is the Glenbrook Patrol Service, Glenview, Illinois, a service operated by THOMAS BUCKLIN with telephone number Park 4-3434.

RAY, according to CHAMBERLAIN, had a brother whose first name was unknown to him who, according to RAY, was employed as a bartender approximately one year ago at the Indian Lake Country Club near Ebomingdale, Illinois. The club is owned by the Braninger Organization. This brother was also a bartender supposedly employed by the Green Bakers Country Club which is located a short distance east of the Sportsman Country Club.

[REDACTED]

RAY has no close friends at the club, associates with no one and seldom leaves the club other than on a Tuesday which is his regular day off.

Mrs. MARGUERITE WELCH, who resides at [REDACTED] Northfield, Illinois, home phone [REDACTED], who is in charge of personnel at the Sportsman Country Club located on Dundee Road, Wheeling, Illinois, advised SA [REDACTED] as follows on April 24, 1968:

She has been acquainted with JERRY RAY, the maintenance man at the Sportsman Country Club, since approximately September, 1964, when he started employment as a dishwasher at the country club coming to the club from the Bell Employment Service, Chicago, Illinois. RAY left shortly after his employment started; however, returned within one or two months and continued his employment as a dishwasher. He eventually became night maintenance man at the club and has always in this capacity performed his work in a capable manner and was honest in every respect. [REDACTED]

RAY at no time has ever visited her home at the above address and she has had no contact with RAY since he left the Sportsman Country Club on April 23, 1968, which is his day off, until the present time. RAY on his day off which falls on a Tuesday usually takes a bus to Chicago, visits a theater, sometimes staying in Chicago and returning the next day either for lunch or dinner.

RAY has spoken of a brother who she believes is from the St. Louis, Missouri area; however, he never provided any additional information concerning this brother other than the fact that he was a bartender. RAY also had a child during his marriage to GJIRDIS RAY [REDACTED]

[REDACTED]. RAY also has an ex-wife, possibly in Nashville, Tennessee, and had a son and a daughter by this marriage who should be in the vicinity of from eight to ten years old. Approximately three years ago at Christmas during his employ-

ment at the club, RAY flew to Tennessee to visit these two children; however, she knows nothing further concerning these children or their mother or where the family is presently residing in Tennessee.

RAY has no close friends at the club; however, in the past has filled in for other employees of the club in addition to his own duties when the employees wanted time off and needed someone to work in their place. He at no time spoke of other members of his family other than to say that he had a brother that was a bartender in the St. Louis area and she had no idea that RAY was incarcerated in the past. Her records revealed that RAY worked steadily during the night at the Sportsman Country Club from Wednesday evening, April 3, 1968, through Monday, April 8, 1968, without having any time off.

She is of the opinion that RAY is not cooperating with the FBI in every respect, does not feel that some of the questions asked of him are important enough for him to give any thought in answering; however, it could be that [REDACTED] he is not capable of answering the questions asked of him. However, she is going to talk to RAY telling him that she "thinks" that this is an extremely important part of his life to cooperate with the FBI in every respect.

CG 44-1114

Mrs. MARGUERITE WELCH, immediate supervisor of JERRY RAY at the Sportsman Country Club, Dundee Road, Northbrook, Illinois, and Mr. RICHARD CHAMBERLAIN, owner of the club, were contacted by SA [REDACTED] on the evening of April 24, 1968, and given the background of JERRY RAY's visit to "Life Magazine," Chicago, Illinois. Both people who expressed surprise of RAY's contact with "Life" were advised that "Life" did not learn the identity of JERRY RAY from the FBI.

The above people also advised that before JERRY RAY left Sportsman Country Club voluntarily on April 24, 1968, for the Chicago Office of the FBI, they talked to him attempting to impress upon RAY the necessity of RAY fully cooperating with the FBI at all times in this investigation.

Both of the above people advised that one or the other will know if JERRY RAY does not report for work and if he does not, they will immediately contact the Chicago Office of the FBI.

Captain THOMAS S. BUCKLIN, Director, Glenbrook Patrol Service, Incorporated, 1132 Waukegan Road, Glenview, Illinois, telephone PARK 4-3434, advised SA [REDACTED] on April 26, 1968, that his company is the patrol service for the Sportsman's Country Club, Dundee Road, Northbrook, Illinois.

BUCKLIN stated that under an agreement with Mr. RICHARD CHAMBERLAIN, owner of the Sportsman's Country Club, his men have to personally contact JERRY RAY nightly at the club at 12:00 midnight, 2:00 AM, and 4:30 AM, with the exception of Tuesday, RAY's day off, and if RAY is not working at the time of any of the contacts they are to immediately contact Mr. CHAMBERLAIN and advise him of this fact. BUCKLIN advised that these instructions were given to him by CHAMBERLAIN at the time his company took over the patrol service for the Sportsman's Country Club.

It was related by BUCKLIN that Lieutenant GLENN TIBBS and Sergeant THOMAS PODUCH are the patrolmen from his agency that personally contact JERRY RAY, each on alternate nights, and RAY almost immediately after the publicity broke concerning JAMES EARL RAY confided in both men that he was the brother of JAMES EARL RAY.

BUCKLIN stated that he will immediately advise both of his above patrolmen to also immediately contact the Chicago Office of the FBI if JERRY RAY disappears at any time during the midnight, 2:00 AM, and 4:30 AM contacts with RAY at Sportsman's Country Club.

He stated that he never associated with RAY outside of the country club and would not be aware of his personal activities. HINZE stated that the country club provided room and board for RAY during his employment.

## FEDERAL BUREAU OF INVESTIGATION

Date 5/1/68

JERRY WILLIAM RAY was interviewed at the Chicago FBI Office and furnished the following information:

He was shown a photograph of an individual identified as ERIC STARVO GALT and taken in Los Angeles, California, about March 1, 1968, and in which photograph GALT had his eyes closed. RAY stated that the photograph was above his brother JAMES EARL RAY. He was questioned as to whether he was certain that the photograph depicted his brother and he said "I'll put it this way. If I was a citizen and knew that you were looking for JAMES EARL RAY and saw the individual depicted in the photograph, I would immediately call the proper authorities and notify them that I had seen the individual that was wanted."

He was shown the same photograph in which eyes had been drawn by an FBI artist. He said that he did not like the eyes in the picture as they were drawn because they did not truly represent his brother's eyes.

RAY stated that he is employed as a maintenance man and handyman at the Sportsman Country Club located at Northbrook, Illinois, on Dundee Road. He said that he was steadily employed at the country club from late March, 1968, to the date of interview.

RAY stated that he has served prison sentences in the Illinois State Penitentiary at Menard, Illinois, and believed his inmate number was [REDACTED]. He said that he had served time in Illinois State Penitentiary at Pontiac, Illinois, and believed that his inmate number was [REDACTED]. He said that he had also been confined in the Missouri State Penitentiary at Jefferson City, Missouri; however, he was unable to recall his inmate number. He gave his Social Security Number as [REDACTED].

He said that his brother, JAMES EARL RAY, has been in prison on several occasions serving sentences for burglary but that these burglaries were for things like

stealing gas from a gasoline station and that his brother was really not much of a "real burglar". He said that he last seen his brother in about 1964.

RAY related that the family has never been real close and that mostly the children had been born in the Quincy, Illinois area. He said that the only family member that he has really been close to is his sister, CAROL ANN PEPPER, who resides in Maplewood, Missouri. He advised that he frequently visits with CAROL because she is the only real family that he has.

He said that he knew of no reason why his brother would have killed MARTIN LUTHER KING, Jr., because he had never known his brother to have any particular hate for members of the Negro race or of KING himself.

JERRY WILLIAM RAY was requested to furnish his family tree and furnished the following information:

He said that his father was JAMES GERALD RAY who died in 1951 at Hannibal, Missouri, just across the line from Quincy, Illinois.

He advised that his mother was LUCILLE MARY RAY, nee MAHER, who at one time changed her name to LUCILLE RYAN after separation from his father in 1948 or 1949, and he claimed that his mother had died in January, 1961, at St. Louis, Missouri.

There were seven children born of this marriage and he identified them as follows:

1. JAMES EARL RAY, age 39 or 40, who has never been married, whereabouts unknown.
2. JOHN LARRY RAY, age about 35, who has never married, address unknown, but whom JERRY last seen at the MacArthur Hotel in St. Louis, Missouri, about February 2, 1968.
3. JERRY WILLIAM RAY, born July 16, 1935, at Quincy, Illinois, residing at the Sportsman Country Club, Northbrook, Illinois, divorced from wife GJEREIS, nee OLSON.

4. CAROL ANN PEPPER, age about 27, married to ALBERT PEPPER, and residing in Maplewood in suburb of St. Louis, Missouri.

5. FRANK DELANO RAY, age 22, who drowned in an accident in 1963 on the Missouri side of the river at Quincy, Illinois, at West Quincy, Missouri.

6. SUSAN (LNU), age about 21, who was adopted by some family in the Quincy, Illinois area in about the fall of 1952. He believed that CAROL would know SUSAN's full name and address.

[REDACTED]

He said that the only maternal relatives he has is his mother's brother, WILLARD MAHER, age about 60, whom he believes resides in San Francisco, California, and the only employment he could recall for WILLARD was in Guam after World War II in about 1946-1947.

He said that the only paternal relatives he has is his father's brother, EARL RAY, age about 70, who was released from the Illinois State Penitentiary in Menard, Illinois, in about May, 1958, and died possibly in the fall of 1958 at Syracuse, New York.

RAY said that he was unable to recall any other relatives on either his father or mother's side such as aunts, uncles, cousins, etc.

RAY advised that he normally receives his mail at [REDACTED] Wheeling, Illinois, but sometimes receives mail at the Sportsman Country Club, Northbrook, Illinois.

JERRY WILLIAM RAY, who was present in the Chicago FBI Office, was requested to furnish his fingerprints, including sides and tips and palm prints. He was also requested to pose for photographs. He complied with both requests and also furnished handwriting samples.

Based on information furnished by the St. Louis Division, JERRY was requestioned concerning the discrepancy as to the identity of his father and present whereabouts. He advised that JERRY RAYNES, Center, Missouri, was not his father and reiterated that his father was JAMES GERALD RAY, who died in 1951 at Hannibal, Missouri. He said that the information concerning his relatives and parents is correct to the best of his knowledge because it was told to him by his mother. He said that he is unaware of where CAROL PEPPER might have obtained her information since she left the mother's home in about 1956 when she was 15 years old. He then stated that prior to his father's death in 1951, he was employed by the railroad (identity unknown), and worked on a farm in the vicinity of Hannibal, Missouri.

He further related that all of the children left home upon reaching the age of 15 or 16 and there was very little family contact thereafter. When the parents separated in 1949, all of the younger children who were then at home went with the mother.

In response to a question as to the reason for his brother's commission of the murder of KING, JERRY advised that he was unable to furnish any reason. He went on to say that during the three or four time that he has talked with his brother in the last 15 or 16 years, JAMES never expressed any particular outward dislike for members of the Negro race. But JERRY did have the feeling that the subject was not particularly fond of Negroes.

JERRY said that he is not aware of JAMES' present whereabouts and has no idea where JAMES has been since his escape from prison. He said that he has not been contacted by JAMES in any manner. He classifies JAMES as a "loner" and does not know of any member of the family that JAMES would likely contact. The only occupation for JAMES that he is aware of is that of a baker, which JAMES learned in prison.

JERRY informed that he has only seen his brother once outside of prison and that was sometime in 1951. All of his other contacts with his brother have been when either he, JERRY, has visited his brother in prison, or JAMES has visited him while he was in prison. JERRY said that he has no knowledge of his associates other than WALTER TERRY RIFE, who was arrested with his brother and served in prison with him. WALTER RIFE is also known personally to JERRY since they both served time together in the Illinois State Penitentiary, Menard, Illinois. JERRY has no information as to the present whereabouts of RIFE and has not seen him since JERRY's release from prison in 1960. He is of the opinion that RIFE could have returned to Quincy, Illinois. JERRY also knows LONNIE RIFE since he did time in Menard with him, also. He said that the name of [REDACTED] was not known to him.

JERRY advised that to the best of his recollection, he never informed JAMES of his residence address; however, he has received mail from JAMES from prison addressed to [REDACTED], Wheeling, Illinois. JERRY said that he obtained this box so that his brother could write to him and that mail from the Penitentiary would not be going to JERRY's employment. He said that he has no reason to believe that JAMES would contact him. JERRY said that he feels that he would cooperate with the FBI in this matter but that it would take considerable thought on his part to turn his brother in. He said that he thought that if he was telephonically contacted by his brother, he would not talk to him but would hang up. JERRY was asked how his brother would know his phone number if he was not aware of his residence and employment. JERRY said that he has no reason to believe that his brother is aware of his phone number, that he never gave it to him and made the foregoing statement about a phone call merely as a matter of conjecture.

He said that he has no idea of the present whereabouts of his brother JOHN, stating that the last time he saw him was in February, 1968, at the McArthur Hotel, St. Louis, Missouri. He said that on this occasion, he and his brother went to their sister Carol's house and stayed until three or four in the morning. They both returned to the hotel where they had several drinks in the bar and then JOHN left. JERRY assumed that JOHN was staying in the McArthur Hotel but could not furnish a room number nor was he ever in JOHN's room.

He said that he did not know his brother JOHN's present occupation but that he has worked in the past as a bartender, painter and laborer. JERRY noted that JOHN had attended bartender's school in Chicago, Illinois. He said that JOHN, to his knowledge, has never been married. JERRY further related that his brother JAMES also has never married and that he knows of no girl friends with whom his brother JAMES had associated. He said that JAMES would usually pick up a girl in the hotel, or go to a hotel and obtain a girl through the bellboy or patronize houses.

He said that he was not aware of his brother visiting any private doctors but did recall that one time when his brother was in prison, he was sent for psychiatric treatment to Fulton, Missouri. As JERRY recalls, this was for a nervous condition and his brother JAMES was there about a month.

JERRY said that the reason that he went to Kansas City in February, 1968, was to visit with his sister since "she is all the family I have." He denied that he had seen his brother JAMES while in St. Louis. He also advised that he makes the trip from Chicago, Illinois, to St. Louis, Missouri, about once every six or seven weeks.

## FEDERAL BUREAU OF INVESTIGATION

Date 4/26/681

JERRY WILLIAM RAY stated that he and JOHN RAY were in St. Louis, Missouri, on February 2, 1968, and were at sister CAROL's residence to visit with her as he has previously stated. He stated that he is of the opinion that his brother JOHN was registered at the McArthur Hotel, but he did not register with him and he was not in his room. He said, to his knowledge, JOHN has never married and has no information concerning a Mrs. JOHN RAY. He did note that his brother JOHN was in the habit of using the McArthur Hotel for occasional dates with women. He assumes that the Mr. and Mrs. JOHN RAY registering at the McArthur Hotel on February 17, 1968, could be JOHN and a woman.

He again stated that the only individuals at his sister CAROL's residence were JOHN, JERRY, CAROL, her husband and their children. JERRY emphatically denied that the subject was present at this occasion or, in fact, any other occasion when he was in CAROL's residence. JERRY insisted that he has no information as to the present whereabouts of either JOHN or JAMES RAY.

JERRY stated that JERRY RAYNES is the step-father of the subject and definitely not the subject's father. He restated that the subject's father died in 1951.

JERRY advised that the last contact that he knew of between WALTER RIFE and the subject was in 1954 at Leavenworth.

## FEDERAL BUREAU OF INVESTIGATION

Date 4/24/68

JERRY WILLIAM RAY was interviewed at the Sportsman's Country Club, Northbrook, Illinois. RAY advised he also uses the name of JERRY WILLIAM RYAN and that due to the fact he could never locate a birth certificate in the name of RAY and his mother had used the name RYAN, he registered for the draft under the name of RYAN and has used the name RYAN on all legal documents.

RAY advised since he last was interviewed by the FBI, he talked with his sister, CAROL, on the phone. He stated his conversation with CAROL did not produce any information as to the current whereabouts of his brother, JAMES EARL RAY.

JERRY RAY advised he did not think his brother, JAMES RAY, would contact any of the immediate members of his family, as he felt JAMES would not want to get any of his close relatives in trouble. JERRY RAY stated there was a possibility that if JAMES RAY contacted any relative, he would contact his uncle, WILLIAM MAHER. [REDACTED], Alton, Illinois. MAHER is a painting contractor. JERRY advised both he and JAMES RAY have stayed with MAHER in the past. He stated the reason he thinks JAMES would contact MAHER is that he has stayed with him in the past, however, he is not particularly close to or fond of this uncle, and therefore, he would not be afraid of getting MAHER in trouble from such a contact.
